The Bullet Journal Method - Ryder Carroll
2021-12

THE NEW YORK TIMES BESTSELLER
Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in

more ways than you can imagine' Hal Elrod, author of *The Miracle Morning* In his long-awaited first book, Ryder Carroll, the creator of the enormously popular *Bullet Journal* organisational system, explains how to use his method to: * **TRACK YOUR PAST:** using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * **ORDER YOUR PRESENT:** find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * **PLAN YOUR FUTURE:** establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a *Bullet Journal*, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well,

In the Sea There are Crocodiles - Fabio Geda
2011-08-09

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

The City of The Sun - Tommaso Campanella 2020-10-07

"The City of the Sun" is a philosophical work by the Italian Dominican philosopher Tommaso Campanella. It is an important early utopian work. The book is presented as a dialogue between "a Grandmaster of the Knights Hospitaller and a Genoese Sea-Captain". Inspired by Plato's Republic and the description of Atlantis in Timaeus, it describes a theocratic society where goods, women and children are held in common. One of the most significant aspects of this community is the distribution of work. Once again Campanella engages in an explicit polemic with Aristotle, who had excluded artisans, peasants and those involved in manual labor from the category of full citizenship and from the highest levels of virtue.

Learning the fundamental kanji characters used to write Japanese can be challenging, but this book is designed to speed up learning by presenting the 1,000 most common characters using a mnemonic approach. In a fun and accessible way to learn Japanese, each kanji is associated with memorable visual and verbal clues. By seeing the distinctive shape of the kanji, learners create a mental image of its meaning. Each character is presented as part of a group of characters which share similar traits. These groups use common root symbols known as radicals; they are also categorized by themes such as colors, numbers, animals, or body parts. Pronunciations, meanings and common vocabulary compounds are provided for each character in the group. Mnemonic clues are also given for the basic 92 hiragana and katakana phonetic symbols. A free audio CD helps you learn pronunciation for all of the characters and vocabulary in this book. The introduction explains the basic history and structure of the kanji. Una vita di musica - Mario Castelnuovo-Tedesco 2005

The autobiography by the Florentine Jewish musician and composer was written over a period of twenty-four years from 1942 until 1966, two years before his death. For nineteen years it has remained inedited and only now appears in print for the first time. Part 1, set in Florence at the beginning of the 20th century, covers the period of the author's childhood and youth, his student years and the first affirmations as composer, pianist and musical critic. It closes abruptly in the summer of 1939 with the forced exile brought about by the persecution of Italian Jews through the Fascist racial laws. Part 2, set in America where, in the 1940s, Mario Castelnuovo-Tedesco produced music for films in Hollywood, but where he also taught and composed, the author tells of his life and experiences and of his meetings with many of the great protagonists of musical and cultural life of the 20th century. A final appendix contains a series of reflections and comments by the composer on his mature works. An extensive name index completes the volume. The second volume, arranged chronologically, comprises a complete catalogue of Mario Castelnuovo Tedesco's numbered and unnumbered works and transcriptions; a bibliography of the composer's unpublished and published works and a filmography.

Kangaroo Notebook - Kobo Abe 1997-04-29

In the last novel written before his death in 1993, one of Japan's most distinguished novelists proffered a surreal vision of Japanese society that manages to be simultaneously fearful and jarringly funny. The narrator of Kangaroo Notebook wakes on morning to discover that his legs are growing radish sprouts, an ailment that repulses his doctor but provides the patient with the unusual ability to snack on himself. In short order, Kobo Abe's unraveling protagonist finds

himself hurtling in a hospital bed to the very shores of hell. Abe has assembled a cast of oddities into a coherent novel, one imbued with unexpected meaning. Translated from the Japanese by Maryellen Toman Mori.
