**LA SUPERNOVA KEPLERO** - Alessandro Pedretti 2021-08-13

Ottobre 2015, le sette di sera, M.B., senza lasciare alcuna traccia, scompare dalla fonderia di famiglia; le

ricerche, dopo le prime ore, si concentrano all'interno dello stabilimento e comincia a prendere forma la macabra ipotesi che il suo corpo sia stato fatto scomparire proprio attraverso uno degli altiforni. A pochi giorni di distanza, uno degli operai viene ritrovato morto avvelenato a centocinquanta chilometri dal luogo di lavoro; si tratta apparentemente di suicidio. Il fatto di cronaca, l'indagine ancora aperta durante la stesura del manoscritto, ispirano la trama di questo romanzo che porterà il lettore, sulle tracce della "verità", a viaggiare attraverso l'Europa e a conoscere la figura dell'Ispettore Capo Roberto Costa, carica dei suoi drammi e della sua ironica accettazione della vita. "E adesso facciamo visita al mio bugiardo preferito." Disse Costa a sé stesso virando alla volta della villetta accanto, ma non riuscì a raggiungere la porta perché Rodrigo Velasquez gli piombò letteralmente addosso e quasi buttandolo a terra gli disse: "Ispettore! Ci aiuti! Glauco è scomparso!!"

*Mirko e il Mostro* - Carlo Vanin 2013-03-01

*ZeroZeroZero* - Roberto Saviano 2016-08-30

An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller *Gomorrah* "Zero zero zero" flour is the finest, whitest available. It is also the nickname among narco-traffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano's *Gomorrah*, his explosive account of the

Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Saviano has broadened his perspective to take in the entire global "corporate" entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world's biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade's axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, *ZeroZeroZero* is an investigative story like none other. Praise for *ZeroZeroZero*: "[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators." —Financial Times
