In the house, workplace, or perhaps in your method can be every best area within net connections. If you purpose to download and install the Asamblea Apostolica De La Fe En Cristo Jesus Inicio , it is unconditionally easy then, in the past currently we extend the join to purchase and make bargains to download and install Asamblea Apostolica De La Fe En Cristo Jesus Inicio correspondingly simple!

Los misterios del libro de Job - Christian Eduardo Duarte 2020-02-19
BiografíaEl pastor Christian Duarte nació en el barrio de Constitución en el año 1971. Conoció el evangelio a la edad de siete años, aunque su bautismo fue a los doce. A los diecisiete años empezó a estudiar en el seminario cristiano de la Asamblea Apostólica de la Fe en Cristo Jesús. Sus mejores promedios en cuanto a Teología se dieron en el Instituto Bíblico Apostólico, de la Iglesia Pentecostal Unida de la Argentina, con sede en el barrio de Liniers en el año 1991. Pero no fue hasta el año 2001 que fue levantado como pastor en dicha iglesia. Además de ser profesor, en el mismo instituto donde se graduó, por más de quince años en las materias: Hermenéutica, Hechos, Romanos, Epístolas, Libros Poéticos, Métodos de Enseñanza, Tabernáculo, Sectas y Religiones. Y su mayor especialidad la materia de Escatología. Actualmente es escritor y pastor en la iglesia La Fe que Vence Al Mundo, que pertenece a la Comunidad Apostólica Visión sin Fronteras. Ubicados en el barrio de Ferrari en el partido de Merlo, Bs As, Argentina. Sinopsis Los misterios de Job es un libro a nivel facultativo con muchas pruebas científicas que explican, a través de la biblia, grandes interrogantes de la humanidad. Aquí se pueden encontrar explicaciones sobre los Annunakis, la tierra de Agartha, la teoría de la partícula de Dios, la teoría de GAP, el hombre andrógino, los supuestos humanoides, la evolución, los dragones, el triángulo de las bermudas, el leviatán y su esposa en el mar rojo, los ovnis, la Pangea y la era de hielo, gigantes bíblicos y mitológicos, criptozoología y sus orígenes. Los misterios del sur, edificaciones en la Antártida. Descubrimientos adelantados a su época. Teorías conspirativas entre otras cosas.

Los Protestantes - Juan Francisco Martínez 2011

Contradicting the widely held but false belief that all Latinos are Catholic, this book offers a concise one-volume introduction to America's Latino Protestants, the fastest growing segment of U.S. Protestantism today. * A graph charting the various types of Latino identification with Latino culture * A graph showing the implications of this identification for probable church attendance * An extensive bibliography of most published materials on Latino Protestantism since the mid-19th century
An Analysis of the Barrio as a Socio-cultural Environment and Its Informal Needs-meeting Resources - Armand J. Sanchez 1982

Nuestro - 1984

The Globalization of Pentecostalism - Murray Dempster 2011-08-01

"This book, comprising a sweeping range of well-documented articles on Pentecostal theology, hermeneutics, missiology, and the social sciences, provides for the student of Pentecostals a window on contemporary Pentecostal scholarship that discloses vigorous engagement with critical issues. The editors have provided a resource that promises to stimulate further research and reflection." William Menzies, Chancellor, Asia Pacific Theological Seminary, Baguio City, Philippines. Excerpts from Respondents Jose Míguez Bonino on Changing Paradigms: "An updating of Pentecostal thinking on a whole spectrum of theological disciplines: systematics, missiology, biblical studies, history, and praxis . . . a wealth of information and reflection." Vinay Samuel on Global Culture: "Global Pentecostalism can bring a new impetus to the movement for Christian unity . . . it has much to contribute to the shaping of a new 21st century definition for Christian unity." Harvey Cox on A Postmodern World: "There was a time when Pentecostals warned themselves and anyone else who would listen not to become entangled with and dependent on the 'things of the world.' Pentecostals were suspicious of the passing fads of stylish clothing, the latest hairdo, and glitzy new consumer products. They were also, as it turns out rightly, suspicious that the powerful new mass media could be a seductive lure, tricking people into the empty values of the consumer market culture. Perhaps it is time for a rebirth of that ethic of simplicity, that suspicion for 'the things for the world' for

which the early Pentecostals were so famous."

T&T Clark Handbook of Ecclesiology - Kimlyn J. Bender 2020-10-15
Divided into 3 parts, this handbook provides a wide-ranging survey and analysis of the Christian Church. The first section addresses the scriptural foundations of ecclesiology; the second section outlines the historical and confessional aspects of the topic; and the final part discusses a variety of contemporary and topical themes in ecclesiology. Compiled and written by leading scholars in the field, the T&T Clark Handbook of Ecclesiology covers a range of key topics in the context of their development and importance in each stream of historic Christianity and the confessional traditions. The contributors cover traditional matters such as creedal notes, but also tackle questions of ordination, orders of ministry, and sacraments. This handbook is extensive enough to provide a true overview of the field, but the essays are also concise enough to be read as reference selections.

La justicia penal española en la crisis del poder absoluto -

Ministerio de Justicia 2017-01-01

Este libro recoge los resultados de una investigación prolija por parte del autor, y constituye una aportación de la máxima utilidad para el conocimiento de la estructura y práctica de la Administración de Justicia en aquel momento de transición entre el Absolutismo y los regímenes liberales.

Confesiones minoritarias en España. Guía de entidades y vademécum normativo - Ministerio de Justicia 2017-01-01

Obra que pone al alcance del público los datos principales de las Confesiones inscritas en el Registro de Entidades Religiosas del Ministerio de Justicia a fecha de 1 de enero de 2004. Edición actualizada de la publicación "Guía de Entidades Religiosas de España Iglesias, Confesiones y Comunidades Minoritarias".

One Bread, One Body - C. Michael Hawn 2003-06-01

As a troubadour for global music and an instigator of cross-cultural worship for more than 15 years in a variety of denominational settings, including congregational, national, and international venues, Michael Hawn has observed many faithful people who find that a taste of Pentecost in worship is refreshing and invigorating. In *One Bread, One Body: Exploring Cultural Diversity in Worship*, Hawn seeks to help bridge the gap between the human tendency to prefer ethnic and cultural homogeneity in worship and the church's mandate to offer a more diverse and inclusive experience. He offers a rainbow vision of the universal church where young and old joyfully and thoughtfully respond to the movement of God's Spirit in multicultural worship. Hawn and four colleagues from Perkins School of Theology in Dallas formed a diverse team in ethnicity, gender, academic field of study, and denominational affiliation to study four United Methodist congregations in the Dallas area that are grappling with cross-cultural ministry. Their four case studies illustrate both the pain and the possibilities encountered in capturing the Spirit of Pentecost in worship. Hawn also offers a concise and practical theological framework as well as numerous strategies and an extensive bibliography for implementing "culturally conscious worship." This book is invaluable for congregations that want to undertake the hard work of cross-cultural worship.

Siembra Vientos Cosecha Torbellinos - Samuel Valverde 2017-01-15

Puede suceder "Hasta en las mejores familias" - donde no se necesitan muchas, sino solo una mala decisión, para conducir a una interminable cadena de situaciones desagradables. Eso lo viví en carne propia la familia del rey David. Y también es lo que han vivido incontables familias a través de muchas generaciones. Por eso el propósito del autor de este libro: *Siembra Vientos Cosecha Torbellinos*, es prevenirte, darte consejos útiles y proveerte herramientas para fortalecer áreas en tu vida y en la vida de tu familia, para que puedan permanecer unidos y fuertes en medio de un mundo de valores caídos. Esa es la dolorosa lección que aprendemos de cada uno de estos interesantes capítulos de

este libro. Acerque su silla, tome su lugar y esté atento. Se abre la cortina. Vemos a David caminando sobre uno de sus balcones, últimamente su balcón favorito...

Migrating Faith - Daniel Ramírez 2015-09-14

Daniel Ramirez's history of twentieth-century Pentecostalism in the U.S.-Mexico borderlands begins in Los Angeles in 1906 with the eruption of the Azusa Street Revival. The Pentecostal phenomenon--characterized by ecstatic spiritual practices that included speaking in tongues, perceptions of miracles, interracial mingling, and new popular musical worship traditions from both sides of the border--was criticized by Christian theologians, secular media, and even governmental authorities for behaviors considered to be unorthodox and outrageous. Today, many scholars view the revival as having catalyzed the spread of Pentecostalism and consider the U.S.-Mexico borderlands as one of the most important fountainheads of a religious movement that has thrived not only in North America but worldwide. Ramirez argues that, because of the distance separating the transnational migratory circuits from domineering arbiters of religious and aesthetic orthodoxy in both the United States and Mexico, the region was fertile ground for the religious innovation by which working-class Pentecostals expanded and changed traditional options for practicing the faith. Giving special attention to individuals' and families' firsthand accounts and tracing how a vibrant religious music culture tied transnational communities together, Ramirez illuminates the interplay of migration, mobility, and musicality in Pentecostalism's global boom.

Critical Dialogues in Latinx Studies - Ana Y. Ramos-Zayas 2021-08-10
Introduces new approaches, theoretical trends, and understudied topics in Latinx Studies This groundbreaking work offers a multidisciplinary, social-science oriented perspective on Latinx studies, including the social histories and contemporary lives of a diverse range of Latina and Latino populations. Editors Ana Y. Ramos-Zayas and Mérida M. Rúa have crafted an anthology that is unique in both form and content. The book combines previously published canonical pieces with original, cutting-edge works created for this volume. The sections of the text are arranged thematically as critical dialogues, each with a brief preface that provides context and a conceptual direction for the scholarly conversation that ensues. The editors frame the volume around the "humanistic social sciences," using the term to highlight the historical and social contexts under which expressive cultural forms and archival records are created. *Critical Dialogues in Latinx Studies* masterfully sheds light on the diversity and complexity of the everyday lives of Latinx populations, the political economic structures that shape enduring racialization and cultural stereotyping, and the continuing efforts to carve out new lives as diasporic, transnational, global, and colonial subjects.

The Oxford Handbook of Latinx Christianities in the United States - Kristy Nabhan-Warren 2022

"This handbook is organized by various themes with the study of U.S. Latina/x/o Christianities. Keeping in mind that the Oxford Handbooks are geared toward graduate students and professors, the organization and layout of this handbook provides a thorough examination of interlocking themes within the academic study of Latina/x/o Christian histories, sociologies, and anthropologies. These essays, taken individually and collectively, pay attention to both the diachronic (over time, historical) as well as the synchronic (contemporary). Moreover, the essays cover the major U.S. Latina/x/o ethnic groups as well as major Christian denominations and movements. Finally, essays in the handbook attend to important intersectional realities that include empire, migration, diaspora, hybridities, borderlands, and gender"--

Religions of the World: A Comprehensive Encyclopedia of Beliefs and Practices, 2nd Edition [6 volumes] - J. Gordon Melton 2010-09-21

This masterful six-volume encyclopedia provides comprehensive, global coverage of religion, emphasizing larger religious communities without neglecting the world's smaller religious outposts. • Coverage of the religions of more than 240 countries, including all of the larger religious communities, denominations, and sects • Detailed statistical information on the major religious communities in each country • 100+ entries on famous and important religious sites and places of pilgrimage • Biographies of the 100 most influential religious leaders in history • More than 150 photographs, plus maps and illustrations for each nation • A bibliography for each entry

El Movimiento Pentecostal en México - Deyssy Jael de la Luz García 2010

Directory of Churches and Religious Organizations in New Mexico, 1940 - New Mexico Historical Records Survey 1940

The Azusa Street Mission and Revival - Cecil M. Robeck 2017-07-25

In *The Azusa Street Mission and Revival*, Cecil M. Robeck, Jr. brings to bear expertise from decades of focused study in church history to reveal the captivating story of the Apostolic Faith Mission in Los Angeles, which became known as the Azusa Street Mission. Sometimes the largest blaze begins with the tiniest spark. At the dawn of the twentieth century, William J. Seymour, the son of Louisiana slaves, began meeting with a tiny congregation in a two-story wooden building in downtown Los Angeles. What began as a spontaneous gathering of believers quickly grew into a passionate revival and renewal of the work of the Holy Spirit. The movement spread at breathtaking speed. With little more than a printing press, a trolley stop, and a powerful message, the spiritual fire emanating from the Apostolic Faith Mission on Azusa Street rapidly crossed strict cultural and national borders—into Mexico, Canada, Britain, Scandinavia, Africa, India, and China. Led by William J. Seymour, the revival became the catalyst for the modern Pentecostal movement. Today, the more than 500 million Christians who identify as Pentecostal or Charismatic can trace the roots of their faith to this humble beginning at Azusa Street. *The Azusa Street Mission and Revival* tells the full story of how this uniquely diverse and inclusive group grew into a powerful movement that forever changed the landscape of Christianity.

South St. Paul: A Brief History - Lois A. Glewwe 2015

Incorporated in 1887, South St. Paul grew rapidly as the blue-collar counterpart to the bright lights and sophistication of its cosmopolitan neighbors Minneapolis and St. Paul. Its prosperous stockyards and slaughterhouses ranked the city among America's largest meatpacking centers. The proud city fell on hard economic times in the second half of the twentieth century. Broad swaths of empty buildings were razed as an enticement to promised redevelopment programs that never happened. In 1990, South St. Paul began to chart out its own successful path to renewal with a pristine riverfront park, a trail system and a business park where the stockyards once stood. Author and historian Lois A. Glewwe brings the story of the city's revival to life in this history of a remarkable community. Book jacket.

Depredadores sagrados - Bernardo Barranco 2021-08-20

«En todas las culturas existen bestiaros en sus mitologías. En la cultura contemporánea el depredador sagrado es la bestia con sotana. Es el maligno que se arropa y disfraza con los símbolos de santidad. Un ser infausto que seduce y violenta sexualmente a sus víctimas con el rostro y ropaje de un ángel. La psiquiatría moderna y las ciencias de la conducta definen el abuso sexual de un menor como un 'asesinato psíquico'.» —De la introducción México ocupa el primer lugar mundial en abuso sexual infantil. Y cuando éste es perpetrado por quienes deberían dar guía y consuelo, la infamia adquiere proporciones de estruendo. Con testimonios de víctimas, filósofos, teólogos y otros expertos, *Depredadores sagrados* ofrece el mejor análisis que se haya hecho de la pederastia clerical en nuestro país. Esta obra, es un viaje a través del dolor, la iniquidad y las repercusiones personales y sociales. Pero también de la resistencia, la solidaridad y la denuncia. Este libro es una puerta para entender y, tal vez, para empezar a sanar en lo personal y en lo colectivo. José Barba | Erika Barrón | Ruth Casas | Leopoldo Cervantes | Daniel Portillo | Cristina Sada | Analu Salazar | Mónica Uribe

The Cambridge Companion to Pentecostalism - Cecil M. Robeck, Jr 2014-08-11

Pentecostalism is one of the fastest-growing religious movements in the world. Groups in the United States dominated early Pentecostal histories, but recent global manifestations have expanded and complicated the definition of Pentecostalism. This volume provides a nuanced overview of Pentecostalism's various manifestations and explores what it means to be Pentecostal from the perspectives of both insiders and outsiders. Leading scholars in the field use a multidisciplinary approach to analyze the historical, economic, political, anthropological, sociological and theological aspects of the movement. They address controversies, such as the Oneness-Trinity controversy; introduce new theories; and chart trajectories for future research. *The Cambridge Companion to Pentecostalism* will enable beginners to familiarize themselves with the important issues and debates surrounding the global movement, while also offering experienced scholars a valuable handbook for reference.

El pentecostalismo - Allan Anderson 2007-11-01

El pentecostalismo y el cristianismo carismático mundial, con toda su diversidad, es hoy día el movimiento religioso de más rápida expansión en el mundo. En esta monografía, Allan Anderson, antiguo ministro pentecostal y reconocido especialista, pretende hacer más visible la naturaleza «no occidental» del mismo, sin olvidar la importancia del movimiento que emana de Norteamérica. Ofreciendo una interpretación

innovadora, toma en consideración las contribuciones mundiales a su desarrollo y -centrándose en su historia y su teología- reflexiona en torno a la expansión del movimiento y de su implantación global. El autor también analiza aquellas cuestiones teológicas que favorecieron la formación de una espiritualidad muy característica y la manera en que esto se relaciona con los diferentes pueblos y sus culturas. Finalmente, Anderson profundiza en el desarrollo del cristianismo pentecostal y carismático en los diferentes países, desde sus orígenes a principios del siglo XX hasta su acento teológico en nuestros días, junto con el impacto de la globalización.

Latino Pentecostals in America - Gastón Espinosa 2014-08-25

Today 12.5 million U.S. Latinos self-identify as Protestant, and Assemblies of God is the destination for one out of four converts. Gastón Espinosa reveals the church's struggle for indigenous leadership, racial equality, women in the ministry, and immigration reform and shows why "Silent Pentecostals" are an activist voice in Evangelical politics.

Early Interracial Oneness Pentecostalism - Talmadge L. French 2014-07-02

Early Interracial Oneness Pentecostalism is a look at what is perhaps the least-known chapter in the history of American Pentecostalism. The study of the first thirty years of Oneness Pentecostalism (1901-31) is especially relevant due to its unparalleled interracial commitment to an all-flesh, all-people, counter-cultural Pentecost. This in-depth study details the lives of its earliest primary architects, including G. T. Haywood, R. C. Lawson, J. J. Frazee, and E. W. Doak, and the emergence of Oneness Pentecostalism and its flagship organization, Pentecostal Assemblies of the World. This is a one-of-a-kind history of Pentecostalism, through the lens of the Jesus' Name movement and the interracial struggles of the period, interlinking the significance of Charles Parham, William Seymour and the Azusa Street revival, COGIC, the newly formed Assemblies of God, and dozens of the earliest Oneness organizational bodies.

Exploration of the significance of the role of African American Indianapolis leader G. T. Haywood is central, as are the development of the movement's key centers in the United States and the ultimate loss of interracial unity after more than thirty years. These crucial events marked, indelibly, the U.S., the global missionary, and the autochthonous expansion of Oneness Pentecostalism worldwide.

Guía de entidades religiosas de España - 1998-01-01

Women and Twentieth-century Protestantism - Margaret Lamberts Bendroth 2002

Contributors consider the emergence of Latina Pentecostal clergy in the United States and the success of the Women's Missionary Union of the Southern Baptist Convention in remaining independent of male-dominated denominational structures. Among other topics, the authors discuss Chinese immigrant women who embraced the relative freedom offered by Protestant religion, African American women who assumed religious authority through their historical writing, and the struggles of women faith healers in defining their role amid medical and evangelical professionalism.

The Story of Latino Protestants in the United States - Juan Francisco Martínez 2018-01-30

The first major historical overview of one of America's most vibrant Christian movements This groundbreaking book by Juan Francisco Martínez provides a broad historical overview of Latino Protestantism in the United States from the early nineteenth century to the present. Beginning with a description of the diverse Latino Protestant community and a summary of his own historiographical approach, Martínez then examines six major periods in the history of American Latino Protestantism, paying special attention to key social, political, and religious issues—including immigration policies, migration patterns, enculturation and assimilation, and others—that framed its development and diversification during each period. He concludes by outlining the challenges currently facing Latino Protestants in the United States and considering what Latino Protestantism might look like in the future. Offering vital insights into key leaders, eras, and trends in Latino Protestantism, Martínez's work will prove an invaluable resource for all who are seeking to understand this rapidly growing US demographic.

Los Evangelicos - Juan Francisco Martínez 2009-02-04

Los Evangelicos: Portraits of Latino Protestantism in the United States is a small contribution to a much larger project. It is part of CEHILA's (the Commission for the Study of the History of the Church in Latin America and the Caribbean) effort to write church history from the perspective of those who have had no voice, those who have not been allowed to reflect on their own history. It serves as a call to gather more "snapshots" of

Latino Protestantism, to organize these portraits according to different interpretive schemes, to analyze the photos with their historical contexts in mind, and to utilize these results to challenge the traditional ways in which the history of Christianity in the United States is generally told. This book is proof that there are women and men in the Protestant Latino church in the United States with the ability to carry out these tasks. Yet an exhaustive history of Latino Protestantism in the United States is still missing. The Latino Protestant community needs people to rise up and interpret within wider contexts the stories told in this volume and elsewhere. Telling our stories is both a testimony that God has been present in our pilgrimage and a confession regarding the future. The same God who accompanied us this far will remain among us. Thus, we will keep collecting portraits and preparing to take new snapshots of whatever God may do in the future. Our "photo album" closes at a dynamic moment for Latino Protestant churches in the United States. From many different perspectives, the authors of this book present a growing, enthusiastic church ready to serve the Lord. The portraits show how much has been done and yet how much remains to do. There are many more stories to tell.

The New International Dictionary of Pentecostal and Charismatic Movements - Stanley M. Burgess 2010-08-03

The Definitive History of the Spirit-Filled Church Encyclopedic coverage of: Activities of the Spirit over 2,000 years of church history in 60 countries and regions Outpourings at Topeka, Mukti Mission (India), Azusa Street, Duquesne University, and many other 20th-century locations Current movements among today's 500 million-plus Pentecostal and charismatic Christians worldwide The New International Dictionary of Pentecostal and Charismatic Movements sets modern, Spirit-filled Christianity in a context that spans two millennia and the entire Christian world. Like no other resource, this volume reveals in detail the full, sweeping legacy of Spirit-empowered movements that have touched hearts and lives both in modern America and across the centuries and continents: in medieval Europe, Finland in the 1700s, South India in the 1800s, Azusa Street at the turn of the 20th century--and much more, including ongoing moves of the Holy Spirit throughout the world today. One thousand entries provide the most extensive information available on Pentecostal, charismatic, and neocharismatic movements. The diverse topics covered include, as a small sample, glossolalia, black and Hispanic Pentecostalism, prophecy, the role of women, faith healing, music, sociology, missions, church growth, and different historic and contemporary revivals. With its unique international and historical perspective, this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches. Its extraordinary scope and detailed, up-to-date coverage make this the definitive resource on Pentecostal and charismatic denominations and movements both in North America and worldwide. Includes: Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions-- individual histories, cultural and theological aspects, and key figures and institutions. Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neocharismatic movements. 1,000 articles. Over 500 photos and illustrations, maps, and timeline. Cross references, bibliographies, and indexes to people, places, and topics.

Faith and Power - Felipe Hinojosa 2022-02-22

"Faith and Power is framed within the larger processes of immigration, refugee policies, deindustrialization, the rise of the religious left and right, the human rights revolution, and the Chicana/o, Puerto Rican, and Immigrant freedom movements. The book explores religion and religious politics as part of the larger ecosystem that has shaped Latina/o communities specifically and American politics in general"--

Mexican American Religions - Gastón Espinosa 2008-07-08

A multidisciplinary collection of essays examining the influence of Mexican American religion on Mexican American literature, art, politics, and popular culture.

Pentecostalism in America - R. G. Robins 2010

This book offers a chronological and historical overview the many forms of Pentecostalism within the United States.

William J. Seymour - Vinson Synan 2012-04-17

He is the meekest man I ever met. He walks and talks with God. His power is in his weakness. He seems to maintain a helpless dependence on God and is simple-hearted as a little child, and at the same time is so filled with God that you feel the love and power every time you get near him. Here are just some of the descriptions from Azusa Street Revival participant William Durham of William J. Seymour who proved to be an

effective leader, writer, teacher, and revivalist. His impact continues to be felt around the world today.

Protestant Hispanic Churches of Oregon - Deborah L. Berho 2012-03-02
The number of Hispanics living in Oregon has burgeoned over the past several decades. The number of Spanish-speaking churches in the state has also grown exponentially. However, most non-Hispanic Oregonians know very little about the Hispanic population. This lack of knowledge about Latinos, and about Hispanic ministries specifically, is found among academics and Anglo Protestants alike. This book is the result of my desire to provide information that will serve as a bridge between Spanish-speaking and English-speaking churches and facilitate understanding between groups in the broader population, and provide a well-documented study for the academy.

The Century of the Holy Spirit - Thomas Nelson 2012-01-30

A definitive history of the Pentecostal and Charismatic movement and an intriguing reference for persons outside the movement, *The Century of the Holy Spirit* details the miraculous story of Pentecostal/Charismatic growth--in the U.S. and around the world. This book features five chapters by the premier Pentecostal historian, Vinson Synan, with additional contributions by leading Pentecostal/Charismatic authorities--David Barrett, David Daniels, David Edwin Harrell Jr., Peter Hocken, Sue Hyatt, Gary McGee, and Ted Olsen. Features include: Explains and analyzes the role of all major streams, including women, African-Americans, and Hispanics Thoroughly illustrated with photographs, charts, figures, maps, and vignettes 4-color fold-out timeline/genealogy tree 16 full-color pages, plus black-and-white photos throughout Includes bibliographies and indexes

Toward a Contextualized Theology for the Third World - Kenneth D. Gill 1994

This study traces the origin of Jesus' Name Pentecostalism in Mexico to determine its distinctives as a Mexican movement. The movement has historically been called «Jesus Only» or «Oneness». While focusing on the Iglesia Apostólica de la Fe en Cristo Jesús, Iglesia Evangélica Cristiana Espiritual, La Luz del Mundo, and El Buen Pastor are briefly discussed. The Oneness doctrine of the Trinity is examined to determine its adequacy as a trinitarian theological model. The assertion is made that Western Christianity must accept and promote the use of alternative theological models in non-Western contexts in order to assist the Christians of the Third World to develop meaningful contextualized theology for their own cultures.

Sowing the Sacred - Lloyd Daniel Barba 2022

"Enter the religious landscape of California's industrial agriculture in the 1940s. Anthropologist Walter Goldschmidt's early 1940s reconnaissance tour of the social scene in the little town of Wasco offers us a composite picture of religious institutions in a typical industrial-ag town in the state. Anthropologists and sociologists of the time pointed to the proliferation of Pentecostal churches as evidence of industrial farming's undesirable social outcomes. In particular, they noted the enthusiastic and emotional expressions of Pentecostal services and how the recently dispossessed Dust Bowl or "Okie" migrants flocked into these churches. By the 1940s, Dorothea Lange's photograph of the Okie "Migrant Mother" capturing the pathos of white plight had surfaced and caught the national spotlight. California, many noted, had a migration problem, as many "undesirables" flooded into the state. Women such as the one captured in Lange's photograph "Revival Mother" standing and worshipping with eyes closed and raised hands in a makeshift garage church typified the poverty of Pentecostals described by the university researchers"--

Encyclopedia of Christianity in the United States - George Thomas Kurian 2016-11-10

From the Founding Fathers through the present, Christianity has exercised powerful influence in America—from its role in shaping politics and social institutions to its hand in art and culture. The *Encyclopedia of Christianity in the United States* outlines the myriad roles Christianity has played and continues to play. This masterful multi-volume reference includes biographies of major figures in the Christian church in the United States, documents and Supreme Court decisions, and information on theology and theologians, denominations, faith-based organizations, immigration, art—from decorative arts and film to music and literature—evangelism and crusades, women's issues, racial issues, civil religion, and more.

New Mexico's Moses - Ramón A. Gutiérrez 2022-06-01

In *New Mexico's Moses*, Ramón A. Gutiérrez dives deeply into Reies López Tijerina's religious formation during the 1940s and 1950s, illustrating how his Pentecostal foundation remained an integral part of his psyche even as he migrated toward social-movement politics. An Assemblies of God evangelist turned Pentecostal itinerant preacher, Tijerina used his secularized apocalyptic theology to inspire the dispossessed heirs of Spanish and Mexican land grants fighting to recuperate ancestral lands throughout northern New Mexico and the Southwest. Using Tijerina's collected sermons, Gutiérrez demonstrates the ways in which biblical prophecy influenced Tijerina throughout his life from his early days as a preacher to his leadership of the Alianza Federal de Mercedes. Tijerina sought justice for those who had lost their lands and was determined to eradicate the most egregious forms of racism and to valorize the language and culture of Mexicanos. Translated into English for the first time here, Tijerina's sermons serve as a blueprint for the religious origins of the Mexican American Civil Rights Movement.

An Introduction to Pentecostalism - Allan Anderson 2004-05-13

An outline of the history and theology of Pentecostalism.

Llamados a Servir - Roberto Tinoco 2020-10-13

Hemos sido llamados por Dios para la salvación de nuestras almas, a fin de vivir una vida rendida en adoración a Dios; pero también para tener una vida productiva en todos los aspectos. El hijo de Dios ha sido rescatado del mundo, transformado por Dios y capacitado para servir a Cristo, a su iglesia y a los demás. El cristiano debe dedicar su vida entera al servicio. Por lo tanto, servir debe ser una de las obligaciones más hermosas que el creyente puede desarrollar en este mundo. Cuando el hijo de Dios sirve al Señor y a otras personas, puede encontrar propósito en su vida y vivir con una satisfacción que dura para siempre. Muchos cristianos son consumidores y no reproductores, es decir, necesitan continuamente ser llevados y sostenidos en vista de que no han crecido lo suficiente como para mantenerse por sí mismos. Entonces, nos debemos preguntar, ¿Por qué pasa eso? ¿Por qué muchas personas en la iglesia local están inactivas? ¿Por qué muchos cristianos no saben qué hacer con su vida? Este libro se ha escrito con el propósito de ayudar al hijo de Dios a conocer por qué está aquí en la tierra, y cómo puede vivir una vida productiva en Cristo. El objetivo de este libro es preparar y capacitar a los creyentes y a los que se han bautizado recientemente y que quieren servir a Dios, pero no saben cómo, ni dónde hacerlo. Además, trata de llenar la necesidad de aquellos pastores que tienen personas nuevas que quieren servir a Dios. Por lo tanto, este libro puede servir como un material para la preparación de siervos y siervas para la obra de Dios. Finalmente, el hijo de Dios aprenderá que su llamado se materializará sirviendo en un ministerio de la Iglesia local.
