

Christian Ethics And Contemporary Moral Problems

As recognized, adventure as well as experience virtually lesson, amusement, as skillfully as conformity can be gotten by just checking out a ebook **Christian Ethics And Contemporary Moral Problems** along with it is not directly done, you could say you will even more in this area this life, almost the world.

We have the funds for you this proper as competently as simple exaggeration to acquire those all. We present Christian Ethics And Contemporary Moral Problems and numerous ebook collections from fictions to scientific research in any way. in the midst of them is this Christian Ethics And Contemporary Moral Problems that can be your partner.

Evangelical Ethics - John Jefferson Davis 1993

Moral Apologetics for Contemporary Christians - Mark Coppenger 2011

Whether it's a best-selling author who claims "religion poisons everything" or an atheist comedian whose punch lines aren't necessarily hassled by the burden of proof, foes of the faith continue to declare Christianity morally deficient without much resistance. In *Moral Apologetics for Contemporary Christians*, Mark Coppenger mixes compelling references—from classic philosophers to modern entertainers—to reasonably push back against both harsh critics and less intense cultural relativists, arguing that Christianity is morally superior to its competitors as well as true. Coppenger doesn't avoid uncomfortable realities like the misbehavior of many Christians and false teachers, but he sets the book's course in defense of his faith with many thoughtful opening statements, including: "It is hard to open a newspaper, walk through a library, or turn on the television without seeing fresh evidence that a Christian approach to life makes people and societies flourish, and that those who turn their backs on genuine Christianity are liable to behave wickedly." The writing is also informed by the evidence that "believers have grown accustomed to... those who wish to defame the Church." Coppenger adds, "I hope to help replenish (our) cultural confidence. We have a great moral story to tell, and it surely points to the Author of Light and Life."

Responsibility and Christian Ethics - William Schweiker 1999-03-11
Schweiker develops a powerful new theory of responsibility articulated in terms of Christian faith.

Christian Ethics - Michael Banner 2009-04-20

This enlightening book steers readers through the challenges and moral issues, providing a clear and decisive history of the main figures and texts in Christian ethics. A short and lively history of Christian ethics, exploring how Christianity has always had to grapple with complex moral problems - from questions about the status of early Christians who renounced their religion under Roman torture, through to current debates about euthanasia Engages with the main texts and figures in Christian ethics, including Augustine, Benedict, Aquinas, Luther and Barth Considers questions such as human will, the proper form of Christian life, natural law, and whether human nature is at odds with Christian ethics Concludes with a thought-provoking chapter considering the role that Christian ethics can play in contemporary moral debates and ethical dilemmas

Christian Ethics - Wayne Grudem 2018-07-20

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

Theological Ethics - W. Ross Hastings 2021-02-02

Be Prepared to Think Theologically through Today's Most Pressing Ethical and Moral Issues In *Theological Ethics* theologian, pastor, and ethicist W. Ross Hastings gives pastors, ministry leaders, and students a guide designed to equip them to think deeply and theologically about the moral formation of persons in our communities, about ethical inquiry and action, and about the tone and content of our engagement in the public square. The book presents a biblical perspective and a gospel-centered framework for thinking about complex contemporary issues in ways are life-giving and that will lead readers into greater flourishing as human persons in community. This book is distinctive in presenting: A framework for theological ethics that is robustly theological and

Trinitarian. Ethics isolated from the gospel and theology becomes bad news, but when it is informed by and empowered by participation in the triune God of grace, it is part of the good news of the gospel. An approach to theology and theological ethics that makes the Word of God the ultimate authority and it is therefore grounded in the biblical narrative and texts. An understanding that theological ethics are inherently missional. The church as the image of the triune God makes it the home of ethics, but in light of its missional identity, it will reverberate outwards to engage the world in ways that are humble and not power-mongering, that are gospel-based and shalom-evoking. Theological Ethics is for those who lead churches or ministries (or someday will) and who urgently need deep theological grounding as they daily encounter ethical and moral issues where they need to provide a gracious, truthful, and gospel-directed response. X

Introducing Christian Ethics - Scott Rae 2016-08-16

Introducing Christian Ethics helps Christians form a sound basis for making ethical decisions in today's complex postmodern world. Raising 14 key ethical questions on today's most pressing issues including abortion, war, sexual ethics, capital punishment, and more, Scott Rae guides his readers in making moral choices wisely. Based on the best-selling college and seminary ethics textbook *Moral Choices*, this book distills nearly two decades of teaching and study into a succinct and user-friendly volume. It is an ideal primer for pastors, students, and everyday Christians who desire engagement with the world around them in an intelligent and informed manner. Teaching and study resources for the book, including additional video clips based on the questions corresponding to each chapter, make it ideal for use in the classroom as well as for pastors and for teaching settings within the church. Resources are available through ZondervanAcademic.com.

Christian Morality - Geoffrey W. Sutton 2016

Should society care about Christian morality? Are Christians out of touch with complex moral decision-making? *Christian Morality: An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues. First, readers learn of the theological and philosophical foundations of Christian ethics. Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality. Second, readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues: abortion, same-sex relationships, equal treatment of men and women in the workplace, sex education, and racial bias in incarceration polices. "As a rhetorician, I repeat often to students that 'how we talk about things matters.' What Sutton and Schmidly have provided in this text is an admonition to readers that how we think about things matters. Drawing from both the philosophical and psychological study of morality, the editors and contributors challenge the reader to consider how we think about morality, but also how to apply a moral framework to the issues and situations that we encounter in our homes, churches, and society. How we talk about these issues and moments matters, but if we are to speak in a way that allows us to demonstrate real influence we must first consider the thought with which we engage to formulate our response. This is a book that is both meaningful and accessible to the scholar, pastor, and lay person alike and a must-read for anyone who seeks to speak into the world as a voice of redemption." --Joy E. A. Qualls, Chair, Department of Communication Studies, Biola University "Books on moral theory and applied ethics abound. They are readily available in bookstores everywhere as well as online. What makes the present volume distinctive is its interdisciplinary approach to moral concerns. Here we have Christian scholars, representing a variety of academic disciplines and professional backgrounds, engaging foundational questions as well as contemporary moral issues. The Christian community is indebted to

Drs. Sutton and Schmidly for bringing this volume to us." --Michael D. Palmer, Professor of Philosophy, Regent University School of Divinity
"Christian Morality is a timely and accessible resource that provides the reader with the language, the categories, and the concepts that help us talk responsibly and respectfully to each other about the topics that matter most to us. The cultural and moral climate today begs for resources like this one." --Heather Kelly, Professor of Psychology, Evangel University, Springfield, MO
Geoffrey W. Sutton is a psychologist and Emeritus Professor of Psychology at Evangel University in Springfield, Missouri. He is the author, coauthor, editor, or coeditor of a hundred publications, including *Forgiveness, Reconciliation, and Restoration* (2010) and *A House Divided* (2016). Brandon Schmidly is Associate Professor of Philosophy at Evangel University in Springfield, Missouri. He teaches on a broad range of topics in philosophy. His interests and specializations are in ethics and political philosophy, specifically as they relate to family relationships.

Ethics for Christian Ministry - Joe E. Trull 2017-11-01

This one-of-a-kind resource in professional ethics helps today's Christian leaders maintain a high moral character and lifestyle and sharpen their personal and professional decision-making skills. Two experienced teachers and pastors address both current and perennial ethical issues and offer guidance for developing a personal code of ethics to maintain integrity in the work of ministry. The authors address the nature of ethical decision making as well as practical areas where integrity can be compromised, including issues raised by the use of smartphones and social media. Appendixes include codes of ethics from various denominations.

[From Christ to the World](#) - Wayne G. Boulton 1994

Here is a single volume that effectively introduces students to the full breadth of the discipline of Christian ethics. Essays deal with both concrete issues and theoretical foundations. Relevant biblical readings and a series of case studies accentuate the text.

[Christian Ethics and Moral Philosophy](#) - Craig A. Boyd 2018-11-06

This introductory textbook presents Christian philosophical and theological approaches to ethics. Combining their expertise in philosophy and theology, the authors explain the beliefs, values, and practices of various Christian ethical viewpoints, addressing biblical teachings as well as traditional ethical theories that contribute to informed moral decision-making. Each chapter begins with Words to Watch and includes a relevant case study on a vexing ethical issue, such as caring for the environment, human sexuality, abortion, capital punishment, war, and euthanasia. End-of-chapter reflection questions, illustrations, and additional information tables are also included.

Christian Ethics and Contemporary Moral Problems - Michael Banner 1999-09-28

Explores the significance of Christian belief for a range of contemporary and controversial ethical issues.

Contemporary Moral Problems - James White 2005-02-23

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Invitation to Christian Ethics - Ken Magnuson 2020-09-29

A comprehensive introduction to Christian ethics addressing today's most challenging moral issues *Invitation to Christian Ethics* is an indispensable guide for helping pastors, counselors, and everyday Christians navigate today's difficult moral questions. Readers will benefit from Ken Magnuson's survey of ethics from a biblical perspective as well as contemporary theories of moral reasoning. This survey is followed by twelve chapters devoted to some of the thorniest issues Christians encounter today, such as: Sexuality, including homosexuality, sexual identity, and gender Marriage and divorce Infertility and assisted reproductive technologies Abortion Physician-assisted suicide Race relations Creation care Capital punishment Just war, pacifism, and the use of lethal force Magnuson provides biblical insight into each topic and presents key moral considerations. He also answers specific, practical questions that arise and concludes with a summary of his recommended approach to each issue. Readers will learn how to grapple with difficult moral questions and will receive guidance for some of life's most challenging ethical conundrums. "Ethics will continue to be a line in the sand that separates Christians. In this volume, Magnuson gives us a biblically-based, logically-sound, historically-rooted, and future-aware guide that the church so desperately needs in the face of sexual revolution, moral relativism, and advancing technology." --Brian Arnold, President of Phoenix Seminary

[Moral Reasoning](#) - David R. Morrow 2017-06

Offering students an accessible, in-depth, and highly practical

introduction to ethics, this text covers argumentation and moral reasoning, various types of moral arguments, and theoretical issues that commonly arise in introductory ethics courses, including skepticism, subjectivism, relativism, religion, and normative theories. The book combines primary sources in moral theory and applied ethics with explanatory material, case studies, and pedagogical features to help students think critically about moral issues.

Christian Morality - Geoffrey W. Sutton 2016-08-08

Should society care about Christian morality? Are Christians out of touch with complex moral decision-making? *Christian Morality: An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues. First, readers learn of the theological and philosophical foundations of Christian ethics. Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality. Second, readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues: abortion, same-sex relationships, equal treatment of men and women in the workplace, sex education, and racial bias in incarceration policies.

The Hastening that Waits - Nigel Biggar 1993

This book offers a fresh and up-to-date account of the ethical thought of one of the twentieth century's greatest theologians: Karl Barth. The author seeks to recover Barth's ethics from some widespread misunderstandings, and also presents a picture of them as a whole. Drawing on recently published sources, Dr Biggar construes the ethics of the Church Dogmatics as it might have been had Barth lived to complete it - not only separately in each of its three constituent dimensions but also in its dynamic, coinherent integrity. However, *The Hastening that Waits* is more than apology and description. For it recommends to contemporary Christian ethics the theological rigour with which Barth expounds the good life in terms of the living presence of God-in-Christ to his creatures; his conception of right human action as that which is able to hasten in the service of humanity precisely by waiting prayerfully upon God; and his discriminate openness to moral wisdom outside of the Christian church. Among the particular topics treated are: the concepts of human freedom and of created moral order; moral norms and their relation to individual vocation; the relative ethical roles of the Bible, the Church, philosophy, and empirical science; moral character and its formation; and the problem of war.

[African Christian Ethics](#) - Samuel Waje Kunhiyop 2019-04-09

This is an introduction to African Christian ethics for Christian colleges and Bible schools. The book is divided into two parts. The first part deals with the theory of ethics, while the second discusses practical issues. The issues are grouped into the following six sections: Socio-Political Issues, Financial Issues, Marriage Issues, Sexual Issues, Medical Issues, and Religious Issues. Each section begins with a brief general introduction, followed by the chapters dealing with specific issues in that area. Each chapter begins with an introduction, discusses traditional African thinking on the issue, presents an analysis of relevant biblical material, and concludes with some recommendations. There are questions at the end of each chapter for discussion or personal reflection, often asking students to reflect on how the discussion in the chapter applies to their ministry situation.

Ethics beyond Rules - Keith D Stanglin 2021-08-17

An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time. How should Christians live? How should we interact with one another? Why do we think the way we do about right and wrong? How should we approach today's complex moral questions? Keith Stanglin realigns our ethical thinking around the central question: What does real love require? applying it to our ethical reasoning on many of the social issues present in today's culture: abortion sexual ethics consumerism technology race and politics Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community. But thinking objectively and reasonably about our ethical commitments is a process that's rarely taught in contemporary education or even in churches. *Ethics Beyond Rules* is a clear and accessible introduction for thoughtful Christians who want to lead moral lives—who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand. Stanglin's love-based framework for moral decision-making engages Scripture and the historic Christian faith, giving Christians the tools to clear-mindedly consider the ethical problems of today and the foundation to confront new issues in the years to come.

The Matrix of Christian Ethics - Patrick Nullens 2013-12-06
Patrick Nullens and Ronald T. Michener seek to revitalize Christian ethics through an integrative approach to classical ethics. Their matrix of consequential, principle, virtue and value ethics provides an alternative to postmodern situation ethics and brings the framework of biblical wisdom to bear on contemporary ethical questions.

Discerning Ethics - Hak Joon Lee 2020-02-25

The number of ethical issues that demand a response from Christians today is almost dizzying. How can Christians navigate such matters? With an unflinching yet irenic approach, this volume invites engagement with the biggest ethical issues by drawing on real-life experiences and offering a range of responses to some of the most challenging moral questions confronting the church today.

Happiness and the Christian Moral Life - Paul J. Wadell 2012

An introduction to Christian ethics explores ethics as a path to happiness as opposed to a set of strict rules, addressing the topics of friendship, community, conscience, prudence, virtue, and love.

Contemporary Moral Issues - Lawrence M. Hinman 2016-07-01

Contemporary Moral Issues is an anthology that provides a selection of readings on contemporary social issues revolving around three general themes: Matters of Life and Death, Matters of Equality and Diversity, and Expanding the Circle, which includes duties beyond borders, living together with animals, and environmental ethics. The text contains a number of distinctive, high-profile readings and powerful narratives, including Jonathan Foer's "Eating Animals," Eva Feder Kittay's "On the Ethics of Selective Abortion for Disability," and Susan M. Wolf's "Confronting Assisted Suicide and Euthanasia: My Father's Death." Each set of readings is accompanied by an extensive introduction, a bibliographical essay, pre-reading questions, and discussion questions.

The Meaning of Sex - Dennis P. Hollinger 2009-06-01

Our culture is not only sex-crazed but also deeply confused about sex and sexual ethics. Unfortunately, Christians seem equally confused, and the church has tended to respond with simplistic answers. The reason for this confusion is that the meaning of sex has been largely lost. Dennis Hollinger argues that there is indeed a God-given meaning to sex. This meaning, found in the Christian worldview, provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues. *The Meaning of Sex* provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing, including premarital sex, sex within marriage, homosexuality, reproductive technologies, and faithful living in a sex-obsessed world.

Wealth, Virtue, and Moral Luck - Kate Ward 2021-10-01

In *Wealth, Virtue, and Moral Luck*, Kate Ward addresses the issue of inequality from the perspective of Christian virtue ethics, arguing that our individual life circumstances affect our ability to pursue virtue and showing how Christians and Christian communities should respond to create a world where it is easier for people to be virtuous.

Christian Ethics - Norman L. Geisler 2010

This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective.

A Morally Complex World - James T. Bretzke 2004

How can people celebrate the gospel of life in their daily lives? What about cloning? Is euthanasia morally acceptable in certain cases, such as terminal illness? In case of health reasons, mental illness, pregnancy due to rape, etc., is abortion morally acceptable? Are you in favor of the use of contraceptives, both natural and artificial? *A Morally Complex World* will not answer such complex questions in detail, but it does provide a framework for trying to grapple better with the first question of how we should lead our moral lives in general, as well as some of the concrete ethical issues the other three questions raise. *A Morally Complex World* is an accessible introduction to moral theology covering the methodology of moral theology; basic concepts such as conscience and moral agency; natural law, moral norms; how the Bible can be used in Christian ethics; how to dialogue on contested ethical issues; how to consider sin and moral failure; and finally, how to mediate moral principles and moral teaching in a pastorally sensitive manner in concrete life situations. Chapters are Mapping a Moral Methodology, The Natural Law and Moral Norms: Moving Along the Rational Claim Axis, Scripture and Ethics: Moving Along the Sacred Claim Axis, The Sanctuary of Conscience: Where the Axes Intersect, Modes of Moral Discourse: Navigating Towards a Common Ground, Navigating in the Morally Complex World: Casuistry with a Human Face, and Sin and Failure in a Morally Complex World. James T. Bretzke, SJ, STD, is associate professor of theology and religious studies at the University of San Francisco, and an adjunct

professor of moral theology at the Jesuit School of Theology-at-Berkeley. He has written three books, including *Consecrated Phrases: A Latin Theological Dictionary*, published by Liturgical Press, which won an award from the Catholic Press Association. He has also authored over fifty articles and scholarly reviews in the areas of Roman Catholic moral theology and cross-cultural ethics. "

Moral Issues and Christian Responses - Patricia Beattie Jung 2012-09-01

"This popular anthology for the study of Christian ethics, now in its eighth edition, has been a mainstay of undergraduate courses for nearly thirty years. Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly, yet diverse, Christian moral perspectives. The anthology intentionally seeks a range of voices to produce a kind of 'point/counterpoint' discussion of an ethical issue. Issues include: the distinctiveness of Christian ethics, sexuality, reproductive rights, prejudice, immigration, the environment, economics, biomedical ethics, death and dying, terrorism, war, and globalization." -- Publisher description.

Hospitality as Holiness - Luke Bretherton 2017-03-02

We live amid increasing ethical plurality and fragmentation while at the same time more and more questions of moral gravity confront us. Some of these questions are new, such as those around human cloning and genetics. Other questions that were previously settled have re-emerged, such as those around the place of religion in politics. Responses to such questions are diverse, numerous and often vehemently contested. *Hospitality as Holiness* seeks to address the underlying question facing the church within contemporary moral debates: how should Christians relate to their neighbours when ethical disputes arise? The problems the book examines centre on what the nature and basis of Christian moral thought and action is, and in the contemporary context, whether moral disputes may be resolved with those who do not share the same framework as Christians. Bretherton establishes a model - that of hospitality - for how Christians and non-Christians can relate to each other amid moral diversity. This book will appeal to those interested in the broad question of the relationship between reason, tradition, natural law and revelation in theology, and more specifically to those engaged with questions about plurality, tolerance and ethical conflict in Christian ethics and medical ethics.

Kingdom Ethics, 2nd ed. - David P. Gushee 2016

Comprehensive update of the leading Christian ethics textbook of the 21st century Ever since its original publication in 2003, Glen Stassen and David Gushee's *Kingdom Ethics* has offered students, pastors, and other readers an outstanding framework for Christian ethical thought, one that is solidly rooted in Scripture, especially Jesus's teachings in the Sermon on the Mount. This substantially revised edition of *Kingdom Ethics* features enhanced and updated treatments of all major contemporary ethical issues. David Gushee's revisions include updated data and examples, a more global perspective, more gender-inclusive language, a clearer focus on methodology, discussion questions added

The Moral Quest - Stanley J. Grenz 2016-09-27

Stanley J. Grenz masterfully leads readers into a theological engagement with moral inquiry that is a first-rate introduction to Christian ethics.

Christian Ethics: A Very Short Introduction - D. Stephen Long 2010-07-29

This book provides both a short history of Christian ethics and looks at its basic sources as they arise from Judaism, Greco-Roman ethics, and Christianity

Captive to Christ, Open to the World - Brian Brock 2014-07-11

In this wide-ranging and engaging collection of interviews, Brian Brock discusses how Christian faith makes a difference for life in the modern world. Beginning with a discussion of teaching Christian ethics in the contemporary academy, Brock takes up environmental questions, political and medical ethics, the modern city and Christian responsibility to it, energy use, the information age, agriculture, political consensus and coercion, and many other issues. The reader is thus offered a broad and incisive discussion of many contemporary topics in a brief, illuminating, but never superficial manner. The book's unusual conversational style allows strikingly clear, creative, and concrete theological connections to emerge in the spaces between moral questions rarely thought of as linked. As the title suggests, the running theme of the interviews is being bound to Christ and placed into the contemporary world. Brock's theological readings of contemporary cultural trends are vigorous, unapologetic, and insightful, and they offer delightful surprises as well as fertile new ways through the sterile impasses of many issues currently being debated in the public square. This book provides an excellent starting point for those interested in

fresh theological insights into contemporary ethical questions and an accessible introduction to Brock's previous works.

Introducing Christian Ethics - Samuel Wells 2017-05-08

Introducing Christian Ethics 2e, now thoroughly revised and updated, offers an unparalleled introduction to the study of Christian Ethics, mapping and exploring all the major ethical approaches, and offering thoughtful insights into the complex moral challenges facing people today. This highly successful text has been thoughtfully updated, based on considerable feedback, to include increased material on Catholic perspectives, further case studies and the augmented use of introductions and summaries. Uniquely redefines the field of Christian ethics along three strands: universal (ethics for anyone), subversive (ethics for the excluded), and ecclesial (ethics for the church). Encompasses Christian ethics in its entirety, offering students a substantial overview by re-mapping the field and exploring the differences in various ethical approaches. Provides a successful balance between description, analysis, and critique. Structured so that it can be used alongside a companion volume, *Christian Ethics: An Introductory Reader*, which further illustrates and amplifies the diversity of material and arguments explored here.

Moral Action and Christian Ethics - Jean Porter 1999-03-11

How do we determine whether an action is right or wrong? Until recently, philosophers assumed that this question could be answered by means of a theory of morality, which set forth clearly established rules for moral behaviour. More recently, however, a number of philosophers have challenged a theory of morality in this sense. Porter is sympathetic to their criticisms but questions whether they go far enough in offering a positive alternative to a modern view of the moral act. She argues that the work of Aquinas offers an alternative account of moral rationality, in terms of which moral reasoning is understood as dialectical rather than deductive, and questions are resolved in a wider context of ethical thought. Aquinas's account of the moral virtues and prudence is seen to offer unexpected insights into the relationship between moral rules and the practice of the virtues, thus contributing to our own moral reflection.

Do Morals Matter? - Ian S. Markham 2018-12-17

The revised second edition of the accessible guide to contemporary ethical issues that are at the intersection of religion and morality. The updated second edition of *Do Morals Matter?* offers an authoritative yet approachable guide to the current ethical issues that bridge the gap between religion and morality. This informed text examines today's key ethical issues that range from making moral decisions in business and medicine, to the uncertainty of war and terrorism and the tenuous condition of our environment. This popular textbook embraces the dramatic changes that have occurred since the first edition was published such as changes in attitude towards the LGBT community as well as emerging ethical areas such as cyber ethics. In consultation with professors, the new edition includes sections at the beginning and end of each chapter that provide clear and succinct summaries of key issues, as well as reflective and discussion questions. This revised text: Sets out all the major ethical options in a balanced way inviting students to make their own mind up. Deals with both moral philosophy and applied ethics. Starts every chapter with a thought-exercise to provoke discussion. Places Brexit and President Trump in an appropriate ethical framework. Develops the concept of a Morally Serious Person. Written for students studying ethics in departments of theology and religion, *Do Morals Matter?* is the thoroughly revised and updated edition of the text that explores contemporary ethical issues.

Moral Choice - Dolores L. Christie 2013

"This survey text for Christian ethics through a Catholic lens traces the sources and traditions of contemporary ethical principles, rules, and norms. It uses narrative in reaching out to students who seek to understand themselves as they face ethical decisions. Stories are employed to reflect one's own life and its meaning, as well as to prompt moral decision-making. The book gives full treatment to criteria needed for ethical decision-making that students use in evaluating a series of contemporary issues, including abortion, end of life, torture, and others. The book includes numerous pedagogic features, including boxes, questions, key terms, suggested readings, and a glossary." -- Publisher description.

An Introduction to Christian Ethics - Roger H. Crook 2006

Helping readers look at moral issues seriously, intelligently, and from a Christian perspective, this comprehensive and thought-provoking introduction to the study of Christian ethics emphasizes the use of scripture, tradition, and the Christian community as resources to help formulate a personal approach in ethical living as it describes a variety of contemporary approaches to the consideration of ethical issues; discusses the author's own methods for making ethical decisions; and explores some of the critical issues of our day. Acquaints readers with both the field of ethics in general and varieties of Christian ethical systems in particular, and assists them in the formulation of an approach that they will find valid for themselves. Combines theological, philosophical, historical, and sociological perspectives in examining moral issues. Considers sources of guidance, biblical ethics, faith working through love, Christian ethics and such contemporary issues as human sexuality, marriage relationships, issues in biomedical ethics, and the status of women. Discusses citizenship in a democracy, punishment for crime, war and the quest for peace, ecology and our moral responsibility, and much more. Offers new discussions on the ethics of Islam, Hinduism, and Buddhism, and the moral implications of cloning. For readers interested in ethics, religion and/or philosophy.

Challenges to Moral and Religious Belief - Michael Bergmann 2014-05

Fourteen original essays by philosophers, theologians, and social scientists explore the challenges to moral and religious belief posed by disagreement and evolution. The collection represents both sceptical and non-sceptical positions about morality and religion, cultivates new insights, and moves the discussion forward in illuminating ways.

Moral Choices - Scott Rae 2009-12-15

With its unique union of theory and application and its well-organized, easy-to-use design, *Moral Choices* has earned its place as the standard text for college ethics courses. This third edition offers extensive updates, revisions, and brand new material, all designed to help students develop a sound and current basis for making ethical decisions in today's complex postmodern culture. *Moral Choices* outlines the distinctive elements of Christian ethics while avoiding undue dogmatism. The book also introduces other ethical systems and their key proponents, including Plato, Aristotle, Augustine, Aquinas, and Kant. After describing a seven-step procedure for tackling ethical dilemmas, author Scott Rae uses case studies to help students think critically and biblically about: Abortion? Reproductive Technologies? Euthanasia? Capital Punishment? Sexual Ethics? The Morality of War? Genetic Technologies and Human Cloning? NEW: Ethics and Economics. New features include online resources for instructors; a chapter covering global capitalism, environmental ethics, and business ethics; new material on bioethics and on stem cell and embryo research; discussion questions at the end of each chapter; and sidebars with case studies.
