New HSK 9! Is there any HSK 9? Yes, the initial Classification from 1992 to 2009. There are total 8000 vocabularies. New HSK (after 2009) which cut the vocabulary to 5000, just want to set a lower passing bar for students who take Chinese as second language or foreign language. There are around 100,000 vocabularies in comprehensive Chinese dictionary. The new HSK 5000 vocabularies only account for 5%, which is far from enough for students to continue their college in China taught in Chinese. For advance level oversea Chinese examinations like IB

[Edexcel IGCSE in English as a Second Language \(ESL\) Vocabulary](#) - David Yao 2021-07-07 The Edexcel International GCSE in English as a Second Language (ESL) is designed as a qualification for either students obtaining their secondary education through English as a medium of instruction, or studying English

in order to enhance their future educational or employment prospects. Achievement in this qualification is benchmarked against the Council of Europe's Common European Framework of Reference for Languages (CEFR). The framework has been developed as a design tool. Please refer to the Council of Europe website for more information. This examination series targets a range of abilities; from level B1 (intermediate) to C1 (advanced) of the CEFR. Based on our many years' experience in HSK and IGCSE Chinese teaching and course contents preparation, we find vocabulary level classification is so important. Students can use CEFR levels for self-assessment so that they can more clearly define what they need to work on, and work out what they would like to achieve in their target language. Our Classified Chinese vocabulary list HSK and IGCSE has total 5000 vocabularies with the Best English Translation for better understanding. Many

students call it "LIFE SAVING STRAW" for their exam. This book is a great success and encourages us to work beyond it. Based on our pass experience and data collection, by referring the authoritative resources like Cambridge and Oxford dictionary, here is our painstaking effort!
