God's Very Good Idea - Trillia J Newbell 2017-09

Words That Hurt, Words That Heal - Carole Mayhall 2014-02-27

The Truth About Love - Conor Creighton 2022-06-02

We are trained from the youngest of ages to imagine that love is a force outside of ourselves; that if you keep swiping, one day your prince will come; that love is something you have to look for, work for, diet for. The truth is: we are creators of love, not discoverers of love, and until we realise that love comes out of us, rather than to us, we'll never really get it or feel it. Conor Creighton learned this the hard way with a string of tumultuous relationships in his past. That was until, through meditation, he woke up to the powerful force that is self-love and watched as his relationships and the whole world transformed around him. In a unique hybrid of memoir and self-help, here Conor uses his life lessons to help readers wake up to the truth about love. A modern manifesto and spiritual guide to relationships, The Truth About Love makes a daring call to action, showing how to change yourself and the world around you through the courageous act of opening your heart.

Truth Plus Love - Matt Brown 2019-04-23

Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before--for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world.

I Tell You the Truth - Larry Kennedy 2014-03-25

From the One who said multiple times, "I tell you the truth," flows forth "grace and truth." Even antagonistic listeners testified that, "This man speaks with authority." Soldiers sent to arrest him came back empty-handed saying, "No one ever spoke like this man." Something in His demeanor on the cross at Calvary caused the soldier to exclaim, "Surely this was the Son of God." When He spoke, the Word of God was flowing forth; resonating in people's hearts like a wooden instrument resonates at the plucking or striking of strings. Even now His words bear witness that this Person is the Voice of Truth from whom we were created. Truth seekers respond like a newborn child responds to their mother's voice which they have heard already in the womb. As we embrace the One who said, "I am the Truth," we also are sent to proclaim grace and truth with our lives.

[Tell the Truth & Shame the Devil](#) - Lezley McSpadden 2016-05-10

The revelatory memoir of Lezley McSpadden—the mother of Michael Brown, the African-American teenager killed by the police officer Darren Wilson in Ferguson, Missouri on August 9, 2014—sheds light on one of the landmark events in recent history. "I wasn't there when Mike Mike was shot. I didn't see him fall or take his last breath, but as his mother, I do know one thing better than anyone, and that's how to tell my son's story, and the journey we shared together as mother and son." —Lezley McSpadden When Michael Orlandus Darrion Brown was born, he was adored and doted on by his aunts, uncles, grandparents, his father, and most of all by his sixteen-year-old mother, who nicknamed him Mike Mike. McSpadden never imagined that her son's name would inspire the resounding chants of protesters in Ferguson, Missouri, and ignite the global conversation about the disparities in the American policing system. In *Tell the Truth & Shame the Devil*, McSpadden picks up the pieces of the tragedy that shook her life and the country to their core and reveals the unforgettable story of her life, her son, and their truth. *Tell the Truth & Shame the Devil* is a riveting family memoir about the journey of a young woman, triumphing over insurmountable obstacles, and learning to become a good mother. With brutal honesty, McSpadden brings us inside her experiences being raised by a hardworking, single mother; her pregnancy at age fifteen and the painful subsequent decision to drop out of school to support her son; how she survived domestic abuse; and her unwavering commitment to raising four strong and healthy children, even if it meant doing so on her own. McSpadden writes passionately about the hours, days, and months after her son was shot to death by Officer Darren Wilson, recounting her time on the ground with peaceful protestors, how she was treated by police and city officials, and how she felt in the gut-wrenching moment when the grand jury announced it would not indict the man who had killed her son. After the system failed to deliver justice to Michael Brown, McSpadden and thousands of others across America took it upon themselves to carry on his legacy in the fight against injustice and racism. *Tell the Truth & Shame the Devil* is a portrait of our time, an urgent call to action, and a moving testament to the undying bond between mothers and sons.

Speak the Truth - Carmen LaBerge 2017-09-25

Animosity, confrontation, confusion—from cable news right down to our kids' classrooms, Christians are waking up to a world very different from the one we once knew. We are quick to blame everyone else from Hollywood to Washington, but it is not the culture's fault God is sidelined. If God is missing from the conversation, then it is because His people have failed to represent Him there. Christians have been far too silent for far too long, retreating out of fear of offending someone or the unpleasantness of stepping outside

our comfort zone. When Christians have spoken up, too often it has not been in ways that honor Jesus. We have inserted our own opinion, obscuring the beauty and truth of the Gospel in favor of our political, ideological, or personal agenda. It's time for us to embrace our calling as Christ's ambassadors. To do that, we must be equipped to engage the world in ways that bring the mind of Christ to bear on the matters of the day. Carmen LaBerge's *Speak the Truth* seeks to give believers the confidence to speak the truth and the tools to re-engage in the culture and address the problems we are facing today by boldly—and lovingly—bringing God back into every conversation

In this contemporary retelling of *The Canterbury Tales*, a group of teens on a bus ride to Washington, DC, each tell a story—some fantastical, some realistic, some downright scandalous—in pursuit of the ultimate prize: a perfect score. Jeff boards the bus for the Civics class trip to Washington, DC, with a few things on his mind: -Six hours trapped with his classmates sounds like a disaster waiting to happen. -He somehow ended up sitting next to his ex-best friend, who he hasn't spoken to in years. -He still feels guilty for the major part he played in pranking his teacher, and the trip's chaperone, Mr. Bailey. -And his best friend Cannon, never one to be trusted and banned from the trip, has something "big" planned for DC. But Mr. Bailey has an idea to keep everyone in line: each person on the bus is going to have the chance to tell a story. It can be fact or fiction, realistic or fantastical, dark or funny or sad. It doesn't matter. Each person gets a story, and whoever tells the best one will get an automatic A in the class. But in the middle of all the storytelling, with secrets and confessions coming out, Jeff only has one thing on his mind—can he live up to the super successful story published in the school newspaper weeks ago that convinced everyone that he was someone smart, someone special, and someone with something to say. In her debut novel, Kim Zarins breathes new life into Chaucer's *The Canterbury Tales* in a fresh and contemporary retelling that explores the dark realities of high school, and the subtle moments that bring us all together.
