## **Sion's Army** - Jeff Wilkerson 2016-01-04

The historical scope of Sion's Army is quite extraordinary. It starts with the early history of Judaism and ends with the defeat of Napoleon. This book tracks the exploits of the followers of the shadowy Priory of Sion as they scheme to spin a web of intrigue in their pursuit of world domination. In the late sixteenth century, they invent their own form of Freemasonry to be used as their private army. As this book attests, in the eighteenth century the rapidly expanding Freemasonry movement played crucial roles in the conflagrations known as the American and French revolutions. If you really want to discover the mysteries of Freemasonry, you should read this book!

## **Phantom Self** - David Icke 2016-02-01

The vast majority of us unknowingly suffer from a slave mentality. We constantly experience the psychological phenomena of cognitive dissonance, where our beliefs and behaviour are in conflict, and Stockholm syndrome - the traumatic bonding with a captor. Our ability to decode reality is linked to what we are able to perceive. Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons. He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control. Our health is being

systematically weakened: if you are sick, you are easier to control. Icke's dystopian view of the future assumes that the masses will stay glued to their TVs, locked forever into the hive mind of the Matrix, which says "I have no power". Can humanity break free? Through truth and love we can become who and what we really are.

## Contemporary Conspiracy Culture - Jaron Harambam 2020-05-26

In this ethnographic study, the author takes an agnostic stance towards the truth value of conspiracy theories and delves into the everyday lives of people active in the conspiracy milieu to understand better what the contemporary appeal of conspiracy theories is. Conspiracy theories have become popular cultural products, endorsed and shared by significant segments of Western societies. Yet our understanding of who these people are and why they are attracted by these alternative explanations of reality is hampered by their implicit and explicit pathologization. Drawing on a wide variety of empirical sources, this book shows in rich detail what conspiracy theories are about, which people are involved, how they see themselves, and what they practically do with these ideas in their everyday lives. The author inductively develops from these concrete descriptions more general theorizations of how to understand this burgeoning subculture. He concludes by situating conspiracy culture in an age of epistemic instability where societal conflicts over knowledge

abound, and the Truth is no longer assured, but "out there" for us to grapple with. This book will be an important source for students and scholars from a range of disciplines interested in the depth and complexity of conspiracy culture, including Anthropology, Cultural Studies, Communication Studies, Ethnology, Folklore Studies, History, Media Studies, Political Science, Psychology and Sociology. More broadly, this study speaks to contemporary (public) debates about truth and knowledge in a supposedly post-truth era, including widespread popular distrusts towards elites, mainstream institutions and their knowledge.

*In the Light of Experience* - David Icke 1993

**Perceptions of a Renegade Mind** - David Icke 2021-06

David Icke has been writing books for decades warning that current events were coming. He has faced ridicule and abuse for saying that the end of human freedom was being planned, how, and by whom. His latest highly topical book, *Perceptions of a Renegade Mind*, is published in very different circumstances with vast numbers of people acknowledging that he has been vindicated by the happenings of the 'Covid' era. His predictions over more than 30 years have been proved stunningly accurate since the turn of 2020 often down to the fine detail. Icke set out only in January 2021, to write a book to quickly bring enormous numbers of people worldwide up to speed and who can now see that something very strange is happening. But they ask, what exactly? What is going on? He answers those questions in his usual dot-connected detail and lays out the background to what he calls the 'Global Cult' which operates across borders to advance a long-planned agenda for total human control. Those who read his section on 'Covid' will view events of 2020 and 2021 in a totally new light as he produces the evidence that humanity has been misled on a scale that defies belief. David Icke's time

has come, and *Perceptions of a Renegade Mind* is destined to be an international best seller that could not have been published at a more important and relevant time or with such a now receptive audience to what he has to say.

**Human Race Get Off Your Knees** - David Icke 2010

In a book that marks the author's 20th year of uncovering suppressed information, he takes the manipulation of the human race and the nature of reality to new levels of understanding and calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. *The Secret History of Freemasonry* - Paul Naudon 2005-03-28

Explores the hidden history of Freemasonry from ancient Rome, through the Middle Ages, to the present • Shows the close connection between medieval masons and the Knights Templar • Illustrates the sacred nature of Roman and medieval trade associations • Reveals the missing link that connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times, emphasizing that there is no direct bridge connecting the two. Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple. Using medieval archives housed throughout Europe, historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar. Church records of medieval Paris show that most, if not all, the Masons of that time were residents of the Templar censive, which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order. Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome. He traces the evolution of organizations such as the Comacine

Masters, the Arab turuqs, and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar, all of which provide the vehicle for the transmission of a sacred tradition from pre-Christian times to the modern era. This tradition is the source of Masonic ritual and symbolism, and it provides the missing link in the transformation of the operative Masonry of the medieval cathedral builders to the spiritual principles of modern speculative Masonry.

**Heal the World** - David Icke 1999-05-24

The Earth is in crisis. Clearly, humanity has lost touch with Nature. We are, every second, committing appalling damage to the environment, to ourselves, to other species and to the home we share. The answers to environmental decline will not come by trying to persuade politicians and industrialists that urgent and fundamental changes are required. They are motivated by the need to get elected and by self-interest. Neither scientists nor the church seem to know what needs to be done either. What can WE do to heal the world? Former television personality turned world visionary, David Icke gives positive suggestions about how to discover our path and recognise that we are part of a larger consciousness, connecting with others and learning how to heal the Earth. He says we have to begin at home. Healing others and healing the world has to start with self-healing, rediscovering self-respect and love in one's own life. Freedom starts with learning and overcoming fear and guilt and releasing our social conditioning. Judging others can become listening and understanding. We need to rediscover Earth's energies and the special places where we can best connect with these energies, and balance the negative and positive. Formerly best-known as a TV sports commentator and leading spokesman for the British Green party, David Icke has gained increasing authority as a tireless campaigner for truth. His widely publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. David's engaging, readable style allows complex ideas to be easily understood. He travels extensively, offering public talks and discussions around the UK and USA about the world transformation.

**The Seven Sisters of the Pleiades** - Munya Andrews 2004

The legends of the Seven Sisters of the Pleiades that poets, priests, prophets, shamans, storytellers, artists, singers, and historians have told throughout time are retold in this compilation of the stories that have found their inspiration in nine beautiful stars clustered together in the night sky. While particular attention in this cross-cultural study is paid to the influence of the Pleiades cluster on the living traditions of indigenous people in North America, Australia, Japan, and the Pacific, much ancient mythology passed down through written and visual sources from ancient Egypt, India, Greece, and South America is also explored. Appearances of the myths in the modern world are also mentioned, including American presidential elections, Halloween, Atlantis, the Titanic, and Subaru automobiles. Serious astronomical research complements the variety of mythological explanations for the stars' existence by providing the modern world's scientific understanding of them.

*The Shining Ones: The World's Most Powerful Secret Society Revealed* - Philip Gardiner Co-Author 2011-12-21

The Shining Ones were members of an advanced culture that was almost lost; but their wisdom and their power survived. They preserved the secrets of their advanced knowledge in mythology and legend; they embedded their secret codes in symbolism in art, architecture, the mystery traditions and literary works - including the Bible. The authors have found traces of the influence of The Shining Ones in all the major religions with roots in the ancient world. Gardiner and Osborn have discovered that their secrets and rituals have been hidden and preserved through the centuries, by the Knights Templar, the Rosicrucians and the Freemasons to the present day. Furthermore, they believe that the evolution of civilization has been manipulated by a secret and powerful group of initiates descended from The Shining Ones. They can identify their influence behind science, religion, mysticism and philosophy - and, of course, in the arena of powerful politics. This is an extraordinary story of intrigue and power play at a very human and political level. But it is also the revelation that the Shining Ones had knowledge of the deep spiritual truth that lies at the heart of mankind's yearning for an understanding of the meaning of life and to achieve salvation.

*Dispelling Wetiko* - Paul Levy 2013-01-15

There is a contagious psychospiritual disease of the soul, a parasite of the mind, that is currently being acted out en masse on the world stage via a collective psychosis of titanic proportions. This mind-virus—which Native Americans have called "wetiko"—covertly operates through the

unconscious blind spots in the human psyche, rendering people oblivious to their own madness and compelling them to act against their own best interests. Drawing on insights from Jungian psychology, shamanism, alchemy, spiritual wisdom traditions, and personal experience, author Paul Levy shows us that hidden within the venom of wetiko is its own antidote, which once recognized can help us wake up and bring sanity back to our society.

**Everything You Need to Know But Have Never Been Told** - David Icke 2017-11-18

"I want to make it clear before we start what the title represents.

Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]] "

*UFOs, Conspiracy Theories and the New Age* - David G. Robertson 2016-02-25

How-and why- were UFOs so prevalent in both conspiracy theories and the New Age milieu in the post-Cold War period? In this ground-breaking book, David G. Robertson argues that UFOs symbolized an uncertainty about the boundaries between scientific knowledge and other ways of validating knowledge, and thus became part of a shared vocabulary. Through historical and ethnographic case studies of three prominent figures-novelist and abductee Whitley Strieber; environmentalist and reptilian proponent David Icke; and David Wilcock, alleged reincarnation of Edgar Cayce-the investigation reveals that millennial conspiracism offers an explanation as to why the prophesied New Age failed to arrive-it was prevented from arriving by malevolent, hidden others. Yet millennial conspiracism constructs a counter-elite, a gnostic third party defined by their special knowledge. An overview of the development of

UFO subcultures from the perspective of religious studies, UFOs, Conspiracy Theories and the New Age is an innovative application of discourse analysis to the study of present day alternative religion.

**Remember who You are** - David Icke 2012

"David Icke...has exposed the global network of families behind Big Banking, Big Biotech, Big Food, Big Government, Big Media and Big Pharma in book after book as his awareness has expanded -- and he takes this on to still new levels of exposure in Remember Who You are...the key is in the title. We are enslaved because we identify with our body and our name, when these are only vehicles and symbols for what we really are -- Infinite Awareness, Infinite Consciousness. We are imprisoned in the realms of the five senses and 'little me' when we are All That Is, All That Has Been and all That Can Ever Be. To breach the perceptual walls of the Saturn-Moon Matrix and bring and end to mass human enslavement, we need to awaken to our true identity." -- Publisher's description.

**Family of Light** - Barbara Marciniak 1998-10-01

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and

those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."

**The Robots' Rebellion - The Story of Spiritual Renaissance** - David Icke 1999-08-26

David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. *The Robots' Rebellion*: Table of Contents Introduction Remember Who You Are PART ONE: The Darkness The Takeover Bid

**Truth Vibrations - David Icke's Journey from TV Celebrity to World Visionary** - David Icke 1999-08-26

*Truth Vibrations* is the first book in New Age visionary and conspiracy theorist David Icke's series of groundbreaking exposés of the mysteries of life, the possibilities for the future of humanity, and the history of the global conspiracy known as the New World Order. On 29 March 1990, David Icke visited a healer. What happened that day and in the months that followed changed his life forever. The former professional footballer, TV presenter and Green politician found himself on a wondrous, transformative journey of discovery. Guided by master souls from other dimensions, he went to Canada, the United States and all over Britain, meeting sensitives and helping to balance the disturbed earth's energy systems. This journey led David Icke to write the explosive *Truth Vibrations*, a revelatory book which looks at the great mysteries which for centuries have baffled scientists, doctors and historians were unravelled for David Icke: why are we here? What is the truth about God and Jesus? What happens to us when we die? What are crop circles and who makes them? Did Atlantis exist? Most importantly, David Icke

reveals who the Illuminati and the Babylonian Brotherhood are, exposing a global conspiracy that has been controlling the fate of the world's people for century by keeping it in a state of mass hypnosis. But David Icke's Truth Vibrations also offers hope, through his new vision of the world and his prediction for an Age of Aquarius. Through his visions, David Icke has learned what is to befall humanity and what steps we can take to reduce the physical and emotional impact of the enormous changes that are about to confront our planet and all life upon it. During his spiritual journey, he discovered the truth vibration, an energy frequency which can break us out of our hypnotised state and allow us to face the challenges of the twenty-first century. Many of the events he predicted in the eye-opening Truth Vibrations over 20 years ago have

since come to pass, making David Icke's extraordinary story and the message that Truth Vibrations brings to every man, woman and child of supreme importance to the future of planet Earth. It is a must-read and will change your view of the New World Order forever.
