Rivista mensile del Club alpino italiano - 1946

Ensō - Valentina Meloni Nanita 2019-07-30
Ensō (□□) è una parola giapponese che significa cerchio ed è, forse, il soggetto più comune della calligrafia giapponese. L'ensō simboleggia l'illuminazione, la forza, l'universo. La collezione Ensō contiene trenta Haiku yoti in lingua inglese. Gli haiku yoti sono poesie brevi di tipo giapponese che occupano lo spazio fisico della pagina del libro in modi non convenzionali. In questa pubblicazione, unica nel suo genere, troviamo: haiku calligrafici, su una sola riga, disposti a semicerchio, sparsi, a forma di onda, a forma di gatto e, come suggerisce il titolo, haiku tondi a riprodurre la forma dell'ensō. Alla fine del libro troviamo una sequenza di Haiku zen, The Stone sequence, che sperimenta le fasi di una meditazione. L'autrice italiana, che ha

all'attivo diverse pubblicazioni internazionali di poesia breve giapponese e ha fondato e dirige la rivista di Haiku bilingue komorebi ni nuneru, si cimenta, con alcuni espedienti tipografici, nell'esplorare le possibilità estetiche del componimento rispetto allo spazio. Ensō (円) is a Japanese word meaning circle and it is, perhaps, the most common subject of Japanese calligraphy. The ensō symbolizes enlightenment, strength, the universe. The Ensō collection contains thirty Haiku Yoti in English. The Haiku Yoti are short Japanese-type poems that occupy the physical space of the book page in unconventional ways. In this publication, unique in its kind, we can find: calligraphic haiku, single line haiku, arranged in a semicircle, scattered-haiku, wave-haiku, in the shape of a cat and, as the title suggests, circle-haiku reproducing ensō. At the end of the book we can find a sequence of Haiku zen, The Stone sequence, which experiments the phases of a meditation. The Italian author Nanita, who has made several international short poetry publications and has founded and directed the bilingual Haiku magazine komorebi ni nuneru, tries, with some typographical expedients, to explore the aesthetic possibilities of the composition compared to space .

Italian grammar in practice - Susanna Nocchi 2002

"A book for English-speaking students who want to practice Italian grammar in a complete and successful way. All the main rules of Italian are clearly illustrated with essential grammar tables. The exercises, quizzes and games not only train the students to use language, but also provide them with interesting information about Italian life, society, culture and history ... Idioms, slang and typical expressions of spoken Italian are also presented and practiced ... The volume has answer keys."--Éditeur.

A True Novel - Minae Mizumura 2013-11-12

A remaking of Emily Brontë's *Wuthering Heights* set in postwar Japan *A True Novel* begins in New York in the 1960s, where we meet Taro, a relentlessly ambitious Japanese immigrant trying to make his fortune. Flashbacks and multilayered stories reveal his life: an impoverished upbringing as an orphan, his eventual rise to wealth and success—despite racial and class prejudice—and an obsession

with a girl from an affluent family that has haunted him all his life. *A True Novel* then widens into an examination of Japan's westernization and the emergence of a middle class. The winner of Japan's prestigious Yomiuri Literature Prize, Mizumura has written a beautiful novel, with love at its core, that reveals, above all, the power of storytelling.

Mr. Cat's Crazy Day - Michela Bozza 2021-09-04
 Impara le azioni della daily routine con questo simpatico e accattivante libro illustrato di Storytelling in inglese per bambini. Mr. Cat è un gatto irriverente e pasticciona che si caccia in mille guai. Si alza molto tardi la mattina, si fa la doccia di tutta fretta allagando il bagno, sparge latte e briciole ovunque a colazione e combina marachelle di ogni genere! Alla fine si addormenta subito: le sue giornate sono molto "busy"! Adatto ai bambini dai 3 agli 11 anni, "Mr Cat's Crazy Day" può essere utilizzato dagli insegnanti o dai genitori per insegnare il lessico e le strutture linguistiche relativi alle azioni della giornata. La componente divertente delle immagini e del testo lo renderanno molto apprezzato dai piccoli lettori! Le principali caratteristiche di questo libro sono: 33 pagine ricche di immagini allegre e tutte a colori; Scritto completamente in inglese di facile comprensione, anche per i più piccoli; Immagini grandi e correlate al testo, con parole chiave in GRASSETTO per fissare visivamente meglio i contenuti importanti; Un formato pratico e leggero, da portare sempre con te! E non solo...
 MATERIALE BONUS: acquistando questo libro e inquadrando il QR Code presente al suo interno, sarà possibile ottenere GRATUITAMENTE le FLASHCARDS di MR. CAT per coinvolgere ancora di più i bambini nel processo di apprendimento della lingua inglese. Non aspettare, torna su e acquistalo ORA! Have fun!

Zen and Japanese Culture - Daisetz Teitaro Suzuki 1970

One of this century's leading works on Zen, this book is a valuable source for those wishing to understand its concepts in the context of Japanese life and art. In simple, often poetic, language, Daisetz Suzuki describes what Zen is, how it evolved, and how its emphasis on primitive simplicity and self-effacement have helped to shape an aesthetics found throughout Japanese culture. He explores the surprising role of Zen in the philosophy of the samurai, and subtly portrays the relationship between Zen and swordsmanship, haiku, tea ceremonies, and the Japanese love of nature. Suzuki's contemplative discussion is enhanced by anecdotes, poetry, and illustrations showing silk screens, calligraphy, and examples of architecture.

The World Saved by Kids - Elsa Morante 2016

First published in 1968, *The World Saved By Kids* was written in the aftermath of deep personal change and in the context of what Elsa Morante called the great youth movement exploding against the funereal machinations of the organized contemporary world. Greeted by Pier Paolo Pasolini as a political manifesto written with the grace of a fairy tale and by Antonio Porta as one of the most important books of the decade, *The World Saved By Kids* has Morante display true mastery of tone, rhythm and imagery as she works elegy, parody, storytelling, song and several more forms into an act of language magic through which Gramsci and Rimbaud, Christ and Antigone, Mozart and Simone Weil and a host of other figures join the sassy, vulnerable neighbourhood kids in a renewal of the word's timeless, revolutionary power to explore and celebrate life's insoluble paradox. Morante gained international recognition and critical acclaim for her novels *Menzogna e sortilegio* (to date untranslated

except for a heavily abridged version), *History*, *Arturo s Island* and *Aracoeli* but always considered the unclassifiable *World Saved By Kids* her best book and the one that most closely spoke her spirit. "

Giornale della libreria - 2003

Japanese Fairy Tales - Yei Theodora Ozaki
2022-06-09

First published in 1908, 'Japanese Fairy Tales' is a book of beautiful legends and fairy tales of Japan that were collected, translated and retold by the author, Yei Theodora Ozaki, an early translator of Japanese short stories and fairy tales. Her translations have been very popular, and were reprinted hundreds of times after her death. It is a delightful introduction to the culture of Japan through its traditional children's stories. In part, the project was the result of a suggestion made by her friend Andrew Lang, another collector of fairy stories, who printed his stories in the many Colored Fairy Books. They feature animals and humans, creatures normal and fantastical, peasants and kings. They contain 22 tales that include ghouls, goblins and ogres, sea serpents and sea kings, kindly animals and magic birds; demons and dragons; princes and princesses. Some are 'Momotaro', 'The Son of a Peach', 'The Jellyfish and the Monkey', 'The Mirror of Matsuyama', 'The Bamboo Cutter and the Moon Child', 'The Stones of Five Colors and the Empress Jokwa'.

The Wonderful Wizard of Oz - L. Frank Baum
2013-01-25

Travel to the land of Oz with Dorothy and find out what inspired the forthcoming film blockbuster *Oz: The Great and Powerful*

Little Frog - Jakob Martin Strid 2009-09-01

Little Frog is trying to help his new family, but, like a human toddler, he keeps getting it wrong and causing chaos! He never hits his new siblings, but he does draw on their faces while they are asleep! This makes his parents very upset and Little Frog thinks this means they don't love him anymore. But of course they do - and they follow him to the ends of the earth to prove it.

The Black Book of Speaking Fluent English: The Quickest Way to Improve Your Spoken English - Christopher Hill 2020-01-13

In the world we are living in, English has

become the common language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as “the language of business”. If you have ambitions to become an international businessman or to work at some bigger companies, it’s almost essential that you’re able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren’t able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English In this book, Christopher Hill, “THE INTERNATIONAL ESL PROFESSOR ” (with 20+ years of experience) will show you powerful unique ways to rapidly improve your spoken English. With topics you already have interest in, you will find out how easy and effortless to learn and speak fluent English. This effective method is simple, yet powerful. You will able to learn and improve your spoken English 3 to 5 times faster compared to the traditional way of learning. Inside This Black Book, You will Discover: - The 3 Golden Rules of Speaking Fluent English - The Power of Immersion - The Process of Shadowing - How Intensive Listening works - The Best Accent Reduction Techniques - Bonus Guide: The Secret Method to Become Super Fluent in 21 Days How do you know this book is for me? This book is for busy Intermediate students who wish to get to the Advanced English Level. If you can understand 60-80% of an English speaking movie and understand what you are reading so

far, you have found the right book. Stop Using Ineffective Ways to Learn and Speak English. When you are using proper methods to learn, you’ll find that improving English is effortless. Learn and adopt these Proven techniques, tips, and many more secrets revealed in this black book. Don’t Learn Using The Old-fashioned Way. Get a Copy of “The Black Book of Speaking Fluent English” and Start Speaking Fluent English :)

Japanese Stories for Language Learners - Anne McNulty 2018-11-20

A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, *Japanese Stories for Language Learners* offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: *Urashima Taro* (Tale of a Fisherman) and *Yuki Onna* (The Snow Woman). These are followed by three short stories by notable 20th century authors: *Kumo no Ito* (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) *Oborekaketa Kyodai* (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) *Serohiki no Goshu* (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script—and hearing native-speakers read them aloud in the accompanying free audio recording—helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way—through the country's rich literary history.

HOW TO LEARN SPANISH IN 30 DAYS -

Giovanni Sordelli 2021-10-19

This book will allow you to learn Spanish in only

30 days, starting from scratch. And this is more than a simple promise. Let me explain... The method is very simple: this book is divided in 30 chapters, one for each day, to let you learn the basics of this language in just one month. To make the most of this course, you just need to follow one rule: reading one chapter every day, no more, no less. If you follow this rule and the guidelines included in this book, the result is guaranteed. Forget about the usual boring grammar courses, with their impersonal style. "How to learn Spanish in 30 days" has been created with all the trappings of self-help, as a practical manual, with a personal, fun and motivational touch. It is full of many curious anecdotes and useful pieces of advice not only to speak in Spanish, but also to help you while travelling. If you are still not convinced, keep reading... FROM THE PREFACE... (...) You are going to tell me: "so, in 30 days I will be able to learn an entire language?!". The answer is YES! First of all, as any valuable product, it has brilliantly passed the quality check: friends and relatives have tested this manual and the following month they did pretty well with grammar and vocabulary, trust me. Of course, in 30 days no one becomes a native speaker: but you can build a strong foundation on which to build a beautiful house. Do you get what I mean? Studying a little bit every day is a secret as simple as it is effective to make the learning easier and quicker. I will give you the opportunity to analyse in depth every little secret about grammar and vocabulary, and you must really promise me that you will do everything you can to complete this rich training: consult online newspapers, watch films or TV series with subtitles, read a good book with a dictionary next to you, in short take every little opportunity to be in contact with Spanish as much as possible. Then there will be space for real dialogues in Spanish, the testing ground for your theoretical skills. When you go on holiday to a Spanish-speaking country or you will have to use Spanish in any other situation, you will just want to do your best. Think about this: one month. 30 days of studying will help you learning a new language, improving your curriculum, immersing yourself in a new and different world. It will be a special month, and you will be satisfied.

Tokyo - G. Maselli 2006

Lost Japan - Alex Kerr 2015-09-03

An enchanting and fascinating insight into Japanese landscape, culture, history and future. Originally written in Japanese, this passionate, vividly personal book draws on the author's experiences in Japan over thirty years. Alex Kerr brings to life the ritualized world of Kabuki, retraces his initiation into Tokyo's boardrooms during the heady Bubble Years, and tells the story of the hidden valley that became his home. But the book is not just a love letter. Haunted throughout by nostalgia for the Japan of old, Kerr's book is part paean to that great country and culture, part epitaph in the face of contemporary Japan's environmental and cultural destruction. Winner of Japan's 1994 Shincho Gakugei Literature Prize. Alex Kerr is an American writer, antiques collector and Japanologist. Lost Japan is his most famous work. He was the first foreigner to be awarded the Shincho Gakugei Literature Prize for the best work of non-fiction published in Japan.

Kamishibai Man - Allen Say 2005-10-24

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces—the children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.

Horimiya - HERO, 2016-07-26
When Miyamura murmurs an "I like you" to Hori, who's laid up in bed with a fever, is he talking to himself? Or is he actually confessing to having feelings for her?! Hori is conflicted, but their secret-filled relationship is unmistakably changing little by little...

Japanese Cuisine - Laure Kie 2021-09-15
Recipes and stories to learn all about Japan's food culture. Recipes, anecdotes, histories and

stories, maps, techniques, stylings, utensils, native ingredients -- this is a colorful invitation to discover the look and aromas and flavors of Japan. How to make sushi? What is the traditional method of making miso soup? How do you make a full Japanese meal? What are the most frequently cooked dishes in the izakaya? How do you garnish and pack a bento box? Here are the answers in a charmingly, and beautifully, illustrated paperback book. From how to use Japanese knives, chopsticks and cooking vessels, to familiar and unusual seafood (and seaweed!), Japanese vegetables, fruits and soy, the illustrations are clear, atmospheric and empowering. The text runs from ingredients and places to buy them, to simple dishes and whole meals. The design is really fun, and this is a handbook every cook will want to own -- or give to friends and family.

Milet Publishing 2015-04
Vibrant illustrations and clear text help children discover two languages by learning words for different indoor locations, including a museum, an art gallery, a school, a library, and a mall.
