Effortless Change - Andrew Wommack
2011-02-01

The Word of God is like a seed and your heart is the soil. Most Christians want change in some area of their lives. They try and try to make

those changes but soon find themselves falling back into the same habits and behaviors. Self-discipline and self-control have once again failed them. So how does lasting change take place? A worm doesn't struggle to become a butterfly in the cocoon. A seed doesn't strive to become a tree and produce fruit. They simply do what they were designed to do by God and the change takes place, effortlessly. The Word of God is like a seed and your heart is the soil. When it's planted and nurtured in the soil of your heart, it begins to grow. The result is transformation; and the fruit becomes evident to all. If you want real change in your life, this book is for you.

headed and how we can live a life that is higher than what most are experiencing in the ordinary world around us. There is a way to live that is free, full, and meaningful. But while this way of life is available and free, it is not automatic. You and I must make a choice to live not just for God, but also in Him. In responding to His love and all He has done for us, you will experience what the Bible calls both abundant and eternal life. This is the transformative message of Good Fish Bad Fish.

Hardness of Heart - Andrew Wommack

2012-08-07

The Crisis: People who are in rebellion are not the only ones with hard hearts. The dictionary defines hard when it applies to matters of the heart as being "cold; insensitive; callous; unfeeling; unyielding." This malady has stricken every Christian in some area of their life. This is what keeps us from hearing the voice of the Lord and being led by Him in our everyday lives. The Cause: The condition of our heart is determined

by what we focus our attention on. It doesn't matter what we know, it's what we think on that controls whether our hearts is hard or soft (Proverbs 23:7). Once this is understood, this same law that will sensitize us towards God can be used to harden us towards the devil. The Cure: The Cure for a hardened heart is a total commitment to keep our minds stayed on the Lord. This teaching will give you one of the clearest understandings of the relationship between faith and unbelief that you have ever had.

He Healed Them All - Barry Bennett

2020-03-17

Healing is Gods Will! Theres no evidence in the Gospels of sickness having a divine origin or being a blessing in disguise. Jesus never withheld healing from someone who asked. He was always full of compassion to heal the sick. "...Great multitudes followed Him [Jesus], and He healed them all (Matt 12:15 NKJV). In He Healed Them All, author Barry Bennett shares

Don't Limit God - Andrew Wommack 2014-10-01

God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations are all ways that we limit God. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for us. To be able to see big things happen like healing, prosperity in finances and restoration of marriages, you have to let the Word of God paint a picture on the inside of you. Often, if you meditate on that and let the Word of God work, the limits are taken off

and what you are praying to happen, will come to pass. In this book, author Andrew Wommack helps you to recognize the areas that you are limiting God so that you can move forward and fulfill His will for your life. Once you take the limits off God, watch what He will do in you and through you!

Financial Stewardship - Andrew Wommack 2012-05-01

Best-selling author Andrew Wommack shares his personal story of when he was young and strapped financially. God taught him how to have abundance in the area of finances. Andrew discusses the influence of money in our lives and how it is very real. He teaches that Jesus taught more about managing resources than He did on prayer or even faith. He exposes the manipulation that sometimes goes on with Christian ministers and how you can be immune from it. Andrew Wommack's message is clear that even though there are abuses in the body of Christ regarding money, that you can still

Living in the Balance of Grace and Faith -

Andrew Wommack 2011-06-24

Popular Bible teacher and host of the Gospel Truth broadcast, Andrew Wommack takes on one of the biggest controversies of the church, the freedom of God's grace verses the faith of the believer. Wommack reveals that God's power is not released from only grace or only faith. God's blessings come through a balance of both grace and faith. Addressing many of the

misconceptions believers are taught in the Church today, this book opens up the Scriptures revealing the vital connection between grace and faith. Many believers think they walk in both grace and faith when actually they are misusing one or both of these principles. Wommack addresses: * Some believers willingly sin believing Gods grace will cover them, while the blessing of grace is not to sin, but to release guilt and condemnation when they make a mistake. * Other believers think they must "work" their faith by ritualistic prayer, confession, or Bible study. Although all these things are good, Jesus Christ set believers free from works of the law. God wants a relationship where He can communicate directly to each believer. * Grace and faith work together. When believers receive the unmerited favor or grace of God, they can release their faith without doubt or reservation and receive God's blessings. Andrew Wommack in his logical, practical style brings believers back on track in their Christian

walk through living in the balance of grace and faith.

God Wants You Well - Andrew Wommack
2010-07-02

Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed

that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws

which control the flow of God's power that keeps us from benefiting from it.

[How to Find, Follow, Fulfill God's Will](#) - Andrew Wommack 2013-04-09

Have you ever wondered what you were created

to do? You may think you have an idea, but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn to follow God's will is to simply put God first. When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than

starting, and it is only through faith and patience that you inherit God's promises.

Soul Keeping - John Ortberg 2014-04-22

The soul is NOT "a theological and abstract subject." The soul is the coolest, eeriest, most mysterious, evocative, crucial, sacred, eternal, life-directing, fragile, indestructible, controversial, expensive dimension of your existence. Jesus said it's worth more than the world. You'd be an idiot not to prize it above all else. Shouldn't you get pretty clear on exactly what it is? Shouldn't you know what it runs on? Wouldn't it be worth knowing how to care for it? Two things are for sure. One is: you have a soul. The other is: if you don't look after this one you won't be issued a replacement. Bestselling author John Ortberg writes another classic that will help readers discover their soul and take their relationship with God to the next level.
[The New You & the Holy Spirit](#) - Andrew Wommack 2012-09-04

The New You It's important to understand what happened when you received Jesus as your Savior. That knowledge and understanding will keep the Word that was sown in your heart from being stolen by Satan. There is more to salvation than you have ever imagined. The forgiveness of sin was not the only thing included in your salvation. From God's perspective, it is just the beginning, a means to an end. Fellowship is the real goal. Now, become a disciple (learner and follower) of Jesus. Learn what separates Christianity from every other religion; how God sees past, present, and future sins; and much more. The Holy Spirit Living the abundant life that Jesus provided is impossible without the Holy Spirit. Before Jesus disciples received Him, they were weak and fearful. After receiving, each one became a powerhouse of God's miraculous power, and that's available to you. If you believe the Bible is true, then you must also believe the baptism in the Holy Spirit is God's will for everyone. In this book, Andrew

Miracles - Eric Metaxas 2014-10-28

The #1 bestselling author of Bonhoeffer and Martin Luther explores miracles in an inspiring response to the “New Atheists” Not since C. S. Lewis in 1947 has an author of Eric Metaxas’s stature undertaken a major exploration of the phenomenon of miracles. In this groundbreaking work, Metaxas examines the compatibility between faith and science and provides well-documented anecdotal evidence of actual miracles. With compelling—sometimes electrifying—evidence that there is something real to be reckoned with, Metaxas offers a timely, civil, and thoughtful answer to recent books by Richard Dawkins, Christopher Hitchens, and Sam Harris. Already a New York Times bestseller, *Miracles* will be welcomed by both believers and skeptics—who will find their

minds opening to the possibilities.

The True Nature of God - Andrew Wommack
2012-08-07

I've tried to be the perfect person God expects me to be, but I just can't, I give up." "I know God loves me, but it seems like He never answers my prayers." "I do everything the Bible says I should, so why hasn't God blessed me like He promised?" "Is God schizophrenic? The Bible is full of nothing but contradictions." Questions and comments like these compelled Andrew Wommack to introduce the profoundly simple concepts found in this book. Often, human perspective and the mechanics of Christianity eclipse *The True Nature of God* - the God who wants nothing more than to share an intimate friendship with His children. If you're wondering who God is or if He cares, let Andrew show you *The True Nature of God*.

Self Centeredness - Andrew Wommack
2012-09-04

Difficult situations have a way of revealing the heart. Extreme financial pressure, a broken family relationship, or the death of a loved one may be a crisis to one person, while to another, an opportunity to prove the power of God's Word. What's the difference? That's the question Andrew will answer in this book. He speaks straight to the heart of the matter and clearly teaches how two people facing the same set of

pressing circumstances can respond very differently. You'll learn what the Bible means when it says, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me," and how that knowledge can change the way you respond in a crisis. Love, joy, and peace can be yours, even in the worst of situations.

Lessons from David - Andrew Wommack

2014-05-01

Probably one of the most well-known characters in the Bible is David. He grew up a shepherd boy and defeated a giant named Goliath and then went on to be King of Israel. While king, David made some serious mistakes. However, David didn't try to place the blame on other people. He took responsibility and shouldered the blame himself. By doing this, he was described by God as a "man after His own heart." In this book, you will learn that God has a good plan for every individual. But sometimes you can thwart that plan by your own desire to fulfill certain desires and dreams but God's grace can bring you back to the plan that God has for you. Even though

David made some mistakes and even cost people their lives, he repented and was able to turn the direction of those mistakes to want to serve the Lord. God's grace is evident through the entire life of David. Rather than having to go through your own hard knocks, the author encourages the reader to learn from these life lessons from David

The "Unhealed" Believer: What to Do When You've Done It All - Teresa Houghteling

God wants you to receive healing! Jesus died and took all your sin, disease, and sickness. Chronic pain and suffering are not His plan for you. So why does healing seem attainable to everyone except you? Teresa Houghteling, the "How-To" Teacher, has invested over a decade of her life learning the answer to that question as it related to her own healing. Although she believed and claimed those truths while suffering with multiple diagnosed diseases, her health continued to deteriorate. She found herself stuck in a spiral of futile, legalistic self-effort dead

ends, which included reading and confessing Scripture, praying, and seeking prayer from others. Discouraged and weary after thirteen years of believing and not receiving, Teresa stopped pursuing healing and instead focused on managing her pain, enjoying life, and knowing her Savior. The Lord then took her on a six-month journey of revelations that ultimately resulted in Jesus's Rhema word to her: You are healed from the top of your head to the tip of your toes, and you will walk in divine health. Teresa shares her story in *The "Unhealed" Believer*, which not only provides an intimate account of her pursuit for healing but also chronicles her step-by-step healing process, revealed through her personal relationship with Jesus. Confident that the Lord restored her health (not only for her own freedom but also to share with others), Teresa wrote *The "Unhealed" Believer* to give you practical takeaways essential to getting—and staying—healed, uncovering barriers to your healing and gaining

a fresh perspective on knowing and being fully persuaded about your Savior . . . Who also happens to be your Healer.

Scripture tells us that those who came before us are examples for us (1 Cor. 10:6 and 11), given that we could learn what to do-and what not to do. Few offer us the lessons that Elijah does. Looking for God's provision? Elijah dealt with that. Trying to believe God when everything in the natural is against you? Elijah dealt with that too. Battling with self-pity? Elijah faced that as well. Elijah's ministry wasn't very long, but it

was packed full of life lessons that we can use today. You may not think an Old Testament prophet has anything to teach you, but you'll want to think again-a man translated to heaven by a whirlwind must have something to share. Explore the right-and wrong-ways to serve God, and learn more about how God honors His servants. This book offers the life experience without the hard knocks!
