Ghostology - Lucinda Curtle 2020-09

Just in time for Halloween! Find sundry novelties, flaps, facsimiles, and more in a haunting--or is it haunted?--volume that gives new meaning to the term ghost writer. Have you been hearing strange footsteps and knocks, whispers and rattling chains? Perhaps the early-twentieth-century author of this newly discovered tome has some secrets to share.

Within the book's weathered pages you'll hear of a headless French pirate in search of his missing noggin, a vanishing pair of young trickster twins, a ghostly woman who screams for attention, and other communications from the "fun side."

Readers who wish to plumb the mysteries of the paranormal will find some hands-on challenges to lift their spirits, along with tips on a range of spectral subjects, such as what to pack in a ghostologist's field kit, how to distinguish the types of ghosts, the best ways to hunt them, and spotting the unfortunate fakes and frauds. Too bad the late author never got to see her guide find its way into the world! But wait--what are those strange and scratchy asides that appear in odd places throughout the book?

Heroes of the Valley - Jonathan Stroud 2010
YA. Adventure fiction. Fantasy fiction. Listen then, and I'll tell you again of the Battle of the Rock. But none of your usual wriggling, or I'll stop before I've begun . . . Halli loves the old stories from when the valley was a wild and dangerous place - when the twelve legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Halli longs for adventure but these days the most dangerous thing in the valley is boredom. He tries to liven things up by playing practical jokes. But when one of his jokes goes too far, he reawakens an old blood feud and finds himself on a hero's quest after all. Along the way he meets a ruthless thief, a murderous rival, and a girl who may just be as fearless as he is . Jonathan Stroud

has created an epic saga with a funny, unique spin, and an unforgettable anti-hero.

The Dinosauria - David B. Weishampel 2004-12-06

When the *The Dinosauria* was first published more than a decade ago, it was hailed as "the best scholarly reference work available on dinosaurs" and "an historically unparalleled compendium of information." This second, fully revised edition continues in the same vein as the first but encompasses the recent spectacular

discoveries that have continued to revolutionize the field. A state-of-the-science view of current world research, the volume includes comprehensive coverage of dinosaur systematics, reproduction, and life history strategies, biogeography, taphonomy, paleoecology, thermoregulation, and extinction. Its internationally renowned authors—forty-four specialists on the various members of the Dinosauria—contribute definitive descriptions and illustrations of these magnificent Mesozoic beasts. The first section of *The Dinosauria* begins with the origin of the great clade of these fascinating reptiles, followed by separate coverage of each major dinosaur taxon, including the Mesozoic radiation of birds. The second part of the volume navigates through broad areas of interest. Here we find comprehensive documentation of dinosaur distribution through time and space, discussion of the interface between geology and biology, and the paleoecological inferences that can be

made through this link. This new edition will be the benchmark reference for everyone who needs authoritative information on dinosaurs. *The Dragon Dance* - Dugald Steer 2005

Age-old rivalries are laid bare in this thrilling climax to the Dragonology Chronicles.

Dinosaur Tracks from Brazil - Giuseppe Leonardi
2021-08-24

Dinosaur Tracks from Brazil is the first full-length study of dinosaurs in Brazil. Some 500 dinosaur trackways from the Cretaceous period still remain in the Rio do Peixe basins of Brazil, making it one of the largest trackways in the world. Veteran paleontologists Giuseppe Leonardi and Ismar de Souza Carvalho

painstakingly document and analyze each track found at 37 individual sites and at approximately 96 stratigraphic levels. Richly illustrated and containing a wealth of data, Leonardi and de Souza Carvalho brilliantly reconstruct the taxonomic groups of the dinosaurs from the area and show how they moved across the alluvial fans, meandering rivers, and shallow lakes of ancient Gondwana. *Dinosaur Tracks from Brazil* is essential reading for paleontologists.

Memorial - Gary Crew 2015-05-13

A moving and inspiring story about how we remember the past from two of Australia's most acclaimed picture book creators, Gary Crew and Shaun Tan. When the soldiers return in 1918, a memorial tree is planted ... 'Lest We Forget'. But

generations later, what do those who pause in the shadows of the tree's immense branches remember? Gary Crew is well known for his rich, multi-layered and intensely suspenseful bestselling novels for young adults. Four times the winner of the CBC Book of the Year Award, as well as other numerous awards, Gary was a high school English teacher for eighteen years, before turning to university lecturing and full-time writing. He lives in Queensland. Shaun Tan grew up in Perth and graduated from the University of Western Australia with joint honours in Fine Arts and English Literature. He began drawing and painting images for science fiction and horror stories in small-press magazines as a teenager, and has since become best known for illustrated books that deal with social, political and historical subjects through surreal, dream-like imagery. His works include THE RED TREE, THE LOST THING, RULES OF SUMMER and the acclaimed wordless novel THE ARRIVAL. All have been widely translated

throughout Europe, Asia and South America, and are enjoyed by readers of all ages.
