Desdemona - Toni Morrison 2012-07-18

The story of Desdemona from Shakespeare's Othello is re-imagined by Nobel Prize laureate Toni Morrison, Malian singer and songwriter Rokia Traoré, and acclaimed stage director Peter Sellars. Morrison's response to Othello is an intimate dialogue of words and music between Desdemona and her African nurse Barbary. Morrison gives voice and depth to the female characters, letting them speak and sing in the fullness of their hearts. Desdemona is an extraordinary narrative of words, music and song about Shakespeares doomed heroine, who speaks from the grave about the traumas of race, class, gender, war and the transformative power of love. Toni Morrison transports one of the most iconic, central, and disturbing treatments of race in Western culture into the new realities and potential outcomes facing a rising generation of the 21st century.

Ghost of Tsushima LATEST GUIDE - Arturo Verduzco 2020-09-28

Ghost of Tsushima is an open-world action-adventure game set in the mid-13th century. In the center of the story is a samurai named Jin, who finds himself on the island of Tsushima in the midst of the first Mongol invasion of Japan. It is he who will have to stop the invasion of the Mongols into the territory of the Land of the Rising Sun. The game is based on real events, but the characters are created by the authors themselves. Tsushima Island in the game is an open world in which players can move freely in any direction, and in Ghost of Tsushima there are a minimum of different markers and pointers - you need to navigate the local world yourself. Players must not only explore the island, but also

fight the Mongols, liberate castles and destroy military camps, and help civilians in trouble. Read the information and advice in this guide to complete all major and side missions and explore the great world of Ghost of Tsushima 100%. Your efforts should be rewarded with finding 100% of the game's secrets and earning a platinum trophy.

The Art of Immortals: Fenyx Rising - Ubisoft
2021-02-23

A fanciful full-colored tome chronicling the development of the hotly anticipated video game Immortals Fenyx Rising(TM) from Ubisoft Entertainment The creative team of Ubisoft Quebec presents a fantastical world based on mythological tales, rife with creatures such as bestial minotaur, gigantic cyclops, evil chimera, ferocious harpies, and the terrifying Medusa. This volume offers an inside look at the craft behind that massive and magical land, wherein readers will find themselves taking part in a heroic journey that spans the lush paradisiacal lands of Aphrodite the goddess of love, through the scarred battlefield and fortress of Ares the god of war, up Mount Olympus--home of the mighty Zeus, down into the darkest corners of the underworld. and much more! Not only does this book lend insights into designs of Fenyx, a new winged Greek hero, with their legendary weapons and armor, but also the environments that players will explore, the creatures they will encounter and--most importantly--the gods themselves, who seek aid against the fearsome titan and father of all monsters, Typhon! The Art of Immortals Fenyx Rising gives readers unique insights into the masterful development of a memorable gaming experience. This collection of concept art and creator commentary is sure to engage any fan of games, art, or ancient myth!

Italian Gothic Horror Films, 1970-1979 - Roberto Curti 2017-09-01

Italian Gothic horror films of the 1970s were influenced by the violent giallo movies and adults-only comics of the era, resulting in a graphic approach to the genre. Stories often featured over-the-top violence and nudity and pushed the limits of what could be shown on the screen. The decade marked the return of specialist directors like Mario Bava, Riccardo Freda and Antonio Margheriti, and the emergence of new talents such as Pupi Avati (*The House with the Laughing Windows*) and Francesco Barilli (*The Perfume of the Lady in Black*). The author examines the Italian Gothic horror of the period, providing previously unpublished details and production data taken from official papers, original scripts and interviews with filmmakers, scriptwriters and actors. Entries include complete cast and crew lists, plot summaries, production history and analysis. An appendix covers Italian made-for-TV films and mini-series.

European Middle Ages, which, since the 13th century, results in a new and final interpretation, focused on pauperistic, evangelical and apostolic ideals, of the religious phenomenon. This symbolic revolution, which completely changed parameters and involved both men and women, entailed an intense urbanisation and feminisation of spirituality. Within that general framework, the pages of this book attempt at investigating the penetration, evolution and changes of the new forms of female monastic and religious life in a delimited space and time: the kingdoms of the Iberian Peninsula during the period from the 13th to the 16th century, trying to establish the connection between those new spaces of female spirituality and the strategies, wishes and potentialities of the women who promoted their creation, strengthening or reform.

The Psychology of Zelda - Anthony Bean
2019-02-19

It's dangerous to go alone! Take this (book). For more than 30 years, The Legend of Zelda—which immerses players in a courageous struggle against the shadowy forces of evil in a world of high fantasy—has spanned more than 30 different installments, selling over 75 million copies. Today, it is one of the most beloved video game franchises around the globe. Video game sales as a whole have continued to grow, now raking in twice as much money per year as the entire film industry, and countless psychologists have turned their attention to the effects gaming has on us: our confidence, our identity, and our personal growth. The Psychology of Zelda applies the latest psychological findings, plus insights from classic psychology theory, to Link, Zelda, Hyrule, and the players who choose to wield the Master Sword. In The Psychology of Zelda, psychologists who love the games ask:

- How do Link's battles in Ocarina of Time against Dark Link, his monstrous doppelganger, mirror the difficulty of confronting our personal demons and the tendency to be our own worst enemies?
- What lessons about pursuing life's greater meaning can we take away from Link's quests through Hyrule and beyond the stereotypical video game scenario of rescuing a Princess (Zelda)?
- What do we experience as players when we hear that familiar royal lullaby on the ocarina, Saria's spirited melody in the Lost

Woods, or the iconic main theme on the title screen?

- How do the obstacles throughout Majora's Mask represent the Five Stages of Grief?
- What can Link's journey to overcome the loss of the fairy Navi teach us about understanding our own grief and depression?
- Why are we psychologically drawn to the game each and every time a new version becomes available even when they all have a similar storyline? Think you've completed the quest? The Psychology of Zelda gives you new, thrilling dungeons to explore and even more puzzles to solve.
