Reborn Dolls and Reborning - Carmelo Calanni 2020-07-10

"That night I wanted to understand, I was curious, I looked at them and looked again and I couldn't take my eyes off the screen. I wondered: are they dolls or real children? There was no information in Italy, it wasn't easy, I searched and searched again, I scoured American forums, blogs, websites. That night, 10 years ago, I understood what I wanted to do: make one."The phenomenon of reborn dolls was born in the U.S. between the end of the 1980s and the beginning of the 1990s. The first reborn doll was sold on eBay in 2002. This phenomenon, disturbing to some, a true passion for others, has now effectively become a new art form. Nowadays the number of reborn dolls, the artists who create them (reborners or reborn artists), and collectors has increased considerably. There's people who love them, who cuddle them, who use them in the medical field and who create or want to start creating them. In "Reborn Dolls and Reborning", the first work of its kind, Laura Cosentino and Carmelo Calanni let us meet this new art form in all its aspects, from an artistic, historical and social point of view. The author herself, Laura, who over time has become one of the best reborn artists in Italy and in the world, allows us to witness her extraordinary passion for Reborning; a real "love story". But this is also the first book aimed at collectors who are always on the hunt for tips and useful advice, as well as a precious guide for neo-reborners who want to start creating their first doll.

Shakespeare's Restless World - Neil MacGregor 2013-10-01

The New York Times bestselling author of *A History of the World in 100 Objects* brings the world of Shakespeare and the Tudor era of Elizabeth I into focus We feel we know Shakespeare's characters. Think of Hamlet, trapped in indecision, or Macbeth's merciless and ultimately self-destructive ambition, or the Machiavellian rise and short reign of Richard III. They are so vital, so alive and real that we can see aspects of ourselves in them. But their world was at once familiar and nothing like our own. In this brilliant work of historical reconstruction Neil MacGregor and his team at the British Museum, working together in a landmark collaboration with the Royal Shakespeare Company and the BBC, bring us twenty objects that capture the essence of Shakespeare's universe. A perfect complement to *A History of the World in 100 Objects*, MacGregor's landmark New York Times bestseller, *Shakespeare's Restless World* highlights a turning point in human history. This magnificent book, illustrated throughout with more than one hundred vibrant color photographs, invites you to travel back in history and to touch, smell, and feel what life was like at that pivotal moment, when humankind leaped into the modern age. This was an exhilarating time when discoveries in science and technology altered the parameters of the known world. Sir Francis Drake's circumnavigation map allows us to imagine the age of exploration from the point of view of one of its most ambitious navigators. A bishop's cup captures the most sacred and divisive act in Christendom. With *A History of the World in 100 Objects*, MacGregor pioneered a new way of telling history through artifacts. Now he trains his eye closer to home, on a subject that has mesmerized him since childhood, and lets us see Shakespeare and his world in a whole new light.

In Cold Blood - Truman Capote 2013-02-19

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Habibi - Craig Thompson 2011-09-20

From the internationally acclaimed author of *Blankets* ("A triumph for the genre."—Library Journal), a highly anticipated new graphic novel. Sprawling across an epic landscape of deserts, harems, and modern industrial clutter, *Habibi* tells the tale of Dodola and Zam, refugee child slaves bound to each other by chance, by circumstance, and by the love that grows between them. We follow them as their lives unfold together and apart; as they struggle to make a place for themselves in a world (not unlike our own) fueled by fear, lust, and greed; and as they discover the extraordinary depth—and frailty—of their connection. At once contemporary and timeless, *Habibi* gives us a love story of astounding resonance: a parable about our relationship to the natural world, the cultural divide between the first and third worlds, the common heritage of Christianity and Islam, and, most potently, the magic of storytelling.

The Overcoat and the Nose - Nikolai Gogol 1995-09-01

It is not necessary to say much about this tailor; but, as it is the custom to have the character of each personage in a novel clearly defined, there is no help for it, so here is Petrovitch the tailor. At first he was called only Grigoriy, and was some gentleman's serf; he commenced calling himself Petrovitch from the time when he received his free papers, and further began to drink heavily on all holidays, at first on the great ones, and then on all church festivities without discrimination, wherever a cross stood in the calendar.
