Il Trionfo del Valore. Commedia per musica [in three acts and in verse] ... da rappresentarsi nel Teatro Nuovo sopra Toledo nell'inverno di quest'anno 1741, etc - Antonio Palomba 1741

Dimmi che ne vale la pena - Marilena Tealdi 2016-11-17

Madeleine - adolescente impeccabile, di buone maniere e studentessa modello - nonostante sia la primogenita di una famiglia molto ricca e autorevole, e sia cresciuta nel lusso e nelle comodità, è rimasta una ragazza semplice e timida. Ama la propria vita, la scuola e i due migliori amici Benedetta e Thomas, ma la cosa che ama di più in assoluto è proprio la famiglia: i nonni, la madre Emma, i tre fratelli e infine l'adorato daddy, Matthew, al quale è legatissima. A lui Madeleine racconta ogni cosa e fra loro non esistono segreti. Durante l'estate dell'esame di maturità, però, avviene qualcosa di molto importante, e tutte le certezze che Madeleine credeva d'avere fino a quel momento crollano all'improvviso. La ragazza è distrutta perché ha deluso l'amato padre, offeso i nonni e la madre e si è rovinata il futuro per colpa di un unico, stupido e scellerato gesto. Daniel è un ragazzo che dalla vita ha ricevuto solo calci. La persona che lo dovrebbe proteggere e difendere è in realtà il suo aguzzino e Daniel - che con i suoi tatuaggi a vista e i

piercing potrebbe passare per il classico cattivo ragazzo -, nonostante abbia solo diciassette anni deve già fare i conti con un passato doloroso e difficile da dimenticare. Daniel e Madeleine si incontrano in una fredda giornata di pioggia e da quel giorno, per entrambi, nulla sarà più lo stesso. Madeleine si renderà conto che innamorarsi è l'ultima cosa che vuole, perché quello che le è accaduto durante l'estate è un fantasma difficile da cacciare via e scoprirà, a proprie spese, che l'amato daddy potrebbe non essere più l'unico uomo veramente importante della propria vita. Daniel, invece, comprenderà cosa vuol dire sul serio essere apprezzati per quello che si è, e cosa significhi avere una famiglia che ti sorregge e ti ama. Potrebbe scoprire che a volte vale davvero la pena lottare per quello a cui si tiene. E quando per lui le cose si metteranno male, Madeleine sarà l'unica in grado di aiutarlo, anche se questo potrebbe essere il primo passo verso una inesorabile rottura. Sarà infine costretta a dover scegliere, e constatare sulla propria pelle quanto davvero Daniel possa essere vitale per lei; anche a rischio di rovinare l'intesa con l'amato padre. E Matthew come si comporterà di fronte al giovane amore spezzato della figlia?

As de cœur - Renee Rose 2021-05-07

« Je savoure les livres de Renee Rose comme le plus raffiné des champagnes. » Sierra Cartwright, auteure de best-sellers au classement du USA Today LE JOLI ROSSIGNOL EST DANS MA CAGE MAINTENANT. Elle détient l'argent de la Famille. Une vraie fortune. Et moi, je suis celui qu'on a envoyé pour faire pression sur elle. Alors, maintenant, elle joue dans mon casino. Elle se pavane sur ma scène dans son micro-short moulant. Cette fille me tue. Je lui ai promis qu'elle serait traitée avec respect, tant qu'elle fait ce qu'on lui demande. Mais je n'aurais jamais pensé qu'elle déboulerait dans mon bureau pour me tenter, pour réclamer un aperçu de mon autorité. Je n'aurais jamais pensé qu'elle s'infiltrerait dans ma peau. Et maintenant, la dernière chose que je souhaite, c'est la voir rembourser sa dette. Parce qu'alors, je devrais lui rendre sa liberté... As de cœur est une romance

indépendante dans le milieu de la mafia, dans l'univers Les Nuits de Vegas. Ce roman ne se termine pas sur un suspense et n'aborde pas le thème de l'infidélité.

L'histoire de Jojo le concombre qui se met sous les jupes des dames - Florence Braunstein 2021-08-26T00:00:00Z

Si je vous le dis, vous ne me croirez pas ! Je suis un concombre qui déguste et commente la vie quotidienne. Pas un animal alibi qui vous singe, mais bien un misérable légume qui se transporte en s'agrippant aux revers de vos jupes, robes, manteaux. La curiosité est dans ma nature, solidement ancrée qui me pousse à détailler tous les aspects de l'existence. J'aime savourer tous les petits plaisirs de la vie, depuis la visite chez le libraire le matin, la pause-café de midi, le restaurant, le taxi, le train, le musée, les grands magasins, l'immeuble avec son chassé-croisé de locataires, de livreurs, je guette tout, j'observe tout, je note tout. Tel Ulysse après son périple initiatique, je finis par découvrir le bonheur suprême de l'existence et trouver la quiétude avec un autre légume, Filip, avec lequel je joue à 50 nuances de navet rose farci.

Valet de pique - Renee Rose 2021-02-21

« Brut, addictif et parfaitement succulent. Renee Rose assure, une fois de plus ! » Jane Henry, auteure de best-sellers au classement du USA Today « Tu es à ma merci maintenant, amore. » Désolée, bella. Mauvaise pioche. Témoin d'un crime, tu es ma prisonnière désormais. Je ne voulais pas que ça se passe comme ça, mais t'attacher à mon lit et te faire crier me procure un plaisir inattendu. Presque un privilège, pourrait-on dire. Et même si je te faisais confiance, maintenant que j'ai eu un avant-goût, je ne suis pas sûr de pouvoir te laisser partir... Valet de pique est une romance indépendante dans le milieu de la mafia, dans l'univers Les Nuits de Vegas. Ce roman ne se termine pas sur un suspense et n'aborde pas le thème de l'infidélité.

Telesforo BINI 1856

Feminism and Art History Now - Victoria Horne 2017-06-30

To what extent have developments in global politics, artworld institutions, and local cultures reshaped the critical directions of feminist art historians? The significant new research gathered here engages with the rich inheritance of feminist historiography since around 1970, and considers how to maintain the forcefulness of its critique while addressing contemporary political struggles. Taking on subjects that reflect the museological, global and materialist trajectories of twenty-first-century art historical scholarship, the chapters address the themes of Invisibility, Temporality, Spatiality and Storytelling. They present new research on a diversity of topics that span political movements in Italy, urban gentrification in New York, community art projects in Scotland and Canada's contemporary indigenous culture. Individual chapter analyses focus on the art of Lee Krasner, The Emily Davison Lodge, Zoe Leonard, Martha Rosler, Carla Lonzi and Womanhouse. Together with a synthesising introductory essay, these studies provide readers with a view of feminist art histories of the past, present and future.

Il grande libro degli amori di carne - Roberto Spagnuolo

Language History and Linguistic Modelling - Raymond Hickey
2010-12-14

This work presents a collection of some 130 contributions covering a wide range of topics of interest to historical, theoretical and applied linguistics alike. A major theme is the development of English which is examined on several levels in the light of recent linguistic theory in various papers. The geographical dimension is also treated extensively with papers on controversial aspects of a variety of studies, as are topical linguistic matters from a more general perspective.

The Languages of Literature in Renaissance Italy - Peter Hainsworth
1988

In the course of the Renaissance Italian emerged as a national literary

language, which was able to compete with Latin and eventually to supplant it as the normal medium of expression in poetry, prose, and drama. Such a major cultural development was necessarily protracted and complex. In spite of the achievements of Dante, Petrarch, and Boccaccio, many issues remained unresolved which exercised Italian writers in the fifteenth and sixteenth centuries. How should classical models and ideals of language and style be assimilated into the vernacular? How far should the linguistic fragmentation of the country affect literature? How was the great literature of the Italian past to furnish models for the present? Italian treatment of such problems at a theoretical and practical level was to have a profound and lasting influence on writers in other European languages. This volume consists of sixteen essays by British and Italian scholars on a wide variety of linguistic and stylistic topics in Italian Renaissance writing. It includes studies of general trends, of aspects of major writers (Dante, Petrarch, Alberti, Ariosto, Machiavelli, Tasso), and also of lesser-known figures, some of whom illustrate the diverse possibilities open to writers of the time, whilst others concerned themselves with issues of literary history and evaluation. Working from a number of different angles, the essays cast light on a subject whose importance has been increasingly recognized over the last few decades, but which is still to be thoroughly explored.

Le Contemplazioni, i Soliloqui e'l Manuale attribuiti a Santo Agostino, volgarizzati nel buon secolo della lingua. Ridotti a giusta e purgata lezione per uno da Parma - Saint Augustine (of Hippo) 1871

Rivalités au Glover Hospital - Coup de foudre à Florence - Dianne Drake 2011-04-15

Rivalités au Glover Hospital, Dianne Drake Venue en Jamaïque pour acquérir une propriété qu'elle veut transformer en hôpital, Erin apprend avec stupeur qu'Adam Coulson, le maître des lieux, ne veut plus vendre. Pire encore : ce médecin aux allures de play-boy lui propose de s'associer avec lui ! Bien qu'elle pressente les dangers d'une telle alliance, Erin finit par accepter, reconnaissant un enthousiasme pareil au sien chez cet homme passionné par son métier. Elle ne tarde pas - hélas - à regretter son choix car Adam, sitôt leur marché conclu, lui fait une cour effrénée, mêlant sans vergogne affaires et sentiments... Coup de foudre à Florence, Anne Fraser Alors qu'elle s'est réfugiée en Italie pour échapper à ses parents qui veulent la marier de force à un homme qu'elle n'aime pas, lady Alice Granville est bouleversée par sa rencontre avec le Dr Dante Corsini. Dès le premier regard, elle devine, fascinée, que cet homme à la fois sexy et ténébreux a le pouvoir de changer son destin. Mais, déchirée entre le désir irrésistible qu'il suscite en elle et la certitude qu'elle risque de se brûler les ailes auprès de lui, elle finit par s'enfuir...

Reading as the Angels Read - Maria Luisa Ardizzone 2016-01-01

In Reading as the Angels Read, Ardizzone reconstructs the cultural and socio-political background that provided the motivation for the Banquet and offers a bold new reading of this ambitious work.

Specimens of the Types Commonly Used in Moyes's Printing Office, Castle Street, Leicester Square ... Also, Specimens of Wood Engravings - James MOYES (Printer.) 1831

Dante the Lyric and Ethical Poet - Zygmunt G. Bara'nski 2017-12-02

"This book presents the proceedings of the fifth meeting of the International Dante Seminar. As with previous volumes, the proceedings also include a carefully edited account of the extensive discussions which

followed the presentations. The papers, given by some of the leading international scholars of the poet - from Italy, the UK and the USA - address four major topics of particular concern to present-day Dante studies: Dante as a lyric poet; Dante as an ethical poet; Dante and the Eclogues; and Dante in nineteenth-century Britain. These topics reflect both areas which are currently the subject of heated critical debate (several editions of the lyric poems are in preparation, and the ethical dimension of Dantes works is very much under discussion) and areas which are long overdue a reassessment (Dantes remarkable revival of Latin pastoral poetry, and the extraordinary British contribution to Dante studies in the nineteenth century). As this set of conference proceedings makes clear, in Dante and in his legacy, ethics and poetry are inseparable. The contributors include Paola Allegretti, Michael Caesar, Paolo Falzone, Manuele Gagnolati, Claudio Giunta, Claire Honess, Robin Kirkpatrick, John Lindon, Lino Pertile, Justin Steinberg, Claudia Villa, and Diego Zancani."

Archivio per lo studio delle tradizioni popolari - Giuseppe Pitrè 1882
Includes sections "Rivista bibliografica" and "Buletino bibliografico."

Dei Capriccj Teatrali di G. G. ... tomo 1-3 - Giovanni GREPPI 1789

Religiosus Ludens - Jörg Sonntag 2013-03-27

Die Bedeutung des Spiels in der Lebenswelt der mittelalterlichen Klöster und Orden ist bislang nicht als Phänomen von kultureller Tragweite erörtert worden, denn der (scheinbare) Antagonismus aus kontemplativem Leben einerseits und heiterem Spiel andererseits verhinderte, dass der religiosus ludens wissenschaftlich Beachtung fand. Die im Band vereinigten, interdisziplinären Analysen der theologischen, liturgischen, kunstgeschichtlichen, rechtlichen und sozialen Dimensionen von Ball-, Würfel-, Brett-, Karten- und Wissensspielen verdeutlichen erstmals die gestalterische Kraft der Ordensleute zur Erfindung, Adaption und Vermittlung von Spielen wie deren Sinngehalten innerhalb der vormodernen Gesellschaft. Im Aufzeigen der innovativen und mannigfaltigen Wege der Legitimation und Delegitimation monastischen und außermonastischen Spiels, aus denen Ordensleute zudem

wegweisende und gesamtgesellschaftlich tragfähige Kategorisierungen des ludus entwickelten und nahezu sämtliche Lebensentwürfe der Vormoderne erklärten, stellt der Band nicht nur eine neuartige Perspektive auf das Spiel und die vita religiosa vor. Zugleich öffnet er ein noch unbekanntes Fenster zum Verständnis kultureller Mechanismen im Mittelalter.

Neoplatonism of the Italian Renaissance - Nesca A. Robb 2021-04-14
Originally published in 1935, the aim of this title is first to give a clear outline of Florentine Neoplatonism, and then to consider its influence on art and literature during a period that extends roughly from the age of Lorenzo de' Medici to the middle of the sixteenth century and the beginnings of the Counter-Reformation. No rigid divisions of time have been fixed, but with few exceptions the works discussed may be placed between these bounds. Even within these limits it would require a work of greater dimensions than the present to exhaust so large a subject in all its bearings. The leaven of Neoplatonism had penetrated the thought of the age in many directions; this study is confined to such of its manifestations as were, in a somewhat narrow sense, artistic and literary and to the use and abuse of philosophical ideas for aesthetic purposes.

Oggi In Italia, Enhanced - Franca Merloni 2015-01-01
OGGI IN ITALIA is an introductory Italian program featuring a balanced four-skills approach to language learning. OGGI includes various perspectives of Italian culture, ranging from its rich, historical legacy, to current changes affecting the country and culture. Reviewing Mario Pratesi - Anne Urbancic 2014-07-31

A prolific member of the Tuscan verismo school of literary realism, Mario Pratesi (1842-1921) was much respected during his career but sadly neglected after his death. Using Pratesi's personal archive, now preserved at Victoria College in the University of Toronto, *Reviewing Mario Pratesi* takes Pratesi's life and papers as the basis of a unique study of the literary culture of post-Unification Italy. Working with the original manuscripts, alongside previously unknown biographical materials and a vast collection of contemporary reviews, Anne Urbancic uses the methods of critique génétique not only to reconstruct the evolution of Pratesi's works through their successive drafts and published versions, but also to document the impact of book reviews and the press on the development of Pratesi's literary style. An insightful history of book reviewing as a genre and a detailed study of its role in Italian literary culture, *Reviewing Mario Pratesi* opens up a new area for investigation within Italian literary studies.

Comedias of Calderon - Pedro Calderón de la Barca 1973

Specimens of the types commonly used in Moyes and Barclay's printing office, Castle street, Leicester square - Moyes and Barclay 1839

Public Painting and Visual Culture in Early Republican Florence - George Bent 2017-01-16

Street corners, guild halls, government offices, and confraternity centers contained paintings that made the city of Florence a visual jewel at precisely the time of its emergence as an international cultural leader. This book considers the paintings that were made specifically for consideration by lay viewers, as well as the way they could have been

interpreted by audiences who approached them with specific perspectives. Their belief in the power of images, their understanding of the persuasiveness of pictures, and their acceptance of the utterly vital role that art could play as a propagator of civic, corporate, and individual

identity made lay viewers keenly aware of the paintings in their midst. Those pictures affirmed the piety of the people for whom they were made in an age of social and political upheaval, as the city experimented with an imperfect form of republicanism that often failed to adhere to its declared aspirations.
