Sri Sri Chandi (Durga Saptasati) - Lahiri Mahasaya 2014-08-23

This is a scriptural commentary of Lahiri Mahasaya on Sri Sri Chandi, also known as Sri Durgasaptasati. In the dialogue, there is a point to answer. Where there are no words, there is no need to talk. The Lord who

stays within the heart causes a person to express the Message which reveals accordingly. There are many words of wisdom in this Scripture, but they have been condensed here to help the Kriyanwits increase their sincerity and devotion. The Rig Veda states: Whatever blissful feelings are generated by discussing and practicing Kriya are called Prema : Divine Love and Bhakti : Utmost sincerity and Devotion. The spontaneous Revelation of the glories of the Goddess Durga is reflected in Her image, and the Yogis who witness this between the eyebrows transcend dualism (Dwaita) and monism (Adwaita) to establish themselves in Oneness with the ultimate Self. When the Yogi holds onto the state of the After-effect-poise of Kriya, then there is nothing to say. Whatever is expressed in Speech which comes out from the Tranquil Breath is the form and energy of Durga Gayatri. Everything is present in Her. Nama : Name and Rupa : Form are the same, for everything is Her name and Her form. The cause of Liberation (Mukti) and cause of man is Divine Mother. In the Rig Veda, She is referred to in many ways such as Bhadrang, Bhagavating, Krisnang, Graha Nakshatra Malini, Sivang. Durgang, Twang, Samutpannang, Agnivarnang, Sutang, Soumyang, Idang, Sresthang and Jyotising Jyotiruttamang. Such is the form of the Goddess Durga, and it is everybody's duty to worship Her, that is, to practice Kriya sincerely.

The Alternate Nation of Abanindranath Tagore - Debashish Banerji 2010-01-20

The Alternate Nation of Abanindranath Tagore provides a revisionary critique of the art of Abanindranath Tagore, the founder of a 'national' school of Indian painting, popularly known as the Bengal School of Art. It categorically argues that the art of Abanindranath, which developed as part of what has been called the Bengal Renaissance in the 19th-20th centuries, was not merely a normalization of nationalist or orientalist principles, but was a hermeneutic negotiation between modernity and community, geared toward the fashioning of an alternate nation, resistant to the stereotyping identity formation of the nation-state. It also establishes that his art—embedded in communitarian practices like kirtan, alpona, pet-naming, syncretism and storytelling through oral allegories—sought a dialogic social identity within the inter-subjective contexts of locality, regionality, nationality and trans-nationality. This book is well-illustrated with many of Abanindranath's creations. It will be a rich reference work for students, researchers and academics from various subject areas such as arts and humanities, sociology and cultural studies, and would be precious for artists, art collectors, connoisseurs, museums and art galleries.

Cosmic Puja - Swami Satyananda Saraswati 2018-06-24

The Samashti Upasana or Cosmic Puja, is the meditation and worship of all the forms of divinity in existence; all the deities of the universe. Pu is punya, which means merit. Ja is jata, which means giving birth. Puja is activity that gives birth to merit. The action of the greatest merit is to guide one's awareness into the presence of God and to maintain that presence for as long as possible. Through puja we offer all that we possibly can to God and thereby experience peace. This worship is intended to lead us to that objective. Swami Satyananda Saraswati has translated the Cosmic Puja so that we may use it to instill within us that quality of true reverence for all of life in which we actually pay attention. By performing this worship we become so absorbed in the union between the perceiver and the object of perception that we go beyond all duality. Derived from the Chandi Path, the Cosmic Puja describes methods of worship the Divine Mother in her forms as Mahakali, Mahalakshmi, and Mahasarasvati. Included is the "Panch Devata Puja," the worship of the five divisions of the Hindu Dharma: Shiva, Shakti, Vishu, Ganesh, and the nine planets. Other pujas in this book include: bhuta shudhi (enlivening energy centers), the Yantra Puja, Agni Prajvalitam (enkindling of sacred fire), the establishment of the Sanskrit alphabet in the body, the establishment of life, worship of the Divine Mother's body, the worship of her divine weapons, and much more. This book is an anthology of practices which accompany and augment the Chandi Path.

Shakti - Vanamali 2008-07-21

Presents the mystery of the Divine Mother in all her manifold aspects • Explores more than 30 different goddess aspects of the Shakti force, both beneficial and malefic • Includes Sanskrit hymns and classic verses by Sri Auribindo for each of the goddesses Shakti is synonymous with the Devi, the Divine Mother or divine power that manifests, sustains, and transforms the universe. She is the womb of all creatures, and it

is through her that the One becomes the many. Our first and primary relationship to the world is through the mother, the source of love, security, and nourishment. Extending this relationship to worship of a cosmic being as mother was a natural step found not only in the Shakti cult of Hinduism but also in ancient Greek, Egyptian, and Babylonian cultures. Shakti presents more than 30 goddess incarnations of the Divine Mother that represent both the beneficial and malefic aspects of the Shakti force. From Lakshmi, Parvati, and Saraswati to Durga, Chandika, and Kali--each of the different functions of the female goddesses in the Hindu pantheon is revealed, accompanied by traditional Sanskrit hymns, classic verses by Sri Auribindo, and discussions of tantric philosophy. The author draws from the Devi Bhagavatham, which describes all the stories of Shakti, and the Devi Mahatmyam, the most powerful scriptural text that glorifies Shakti in her form as Durga. Using these texts she shows that through the power and grace of the Divine Mother we may be released from the darkness of ignorance and taken to the abode of knowledge, immortality, and bliss--the source from which we have come.

In the Name of the Goddess - Tapati Guha Thakurta 2015-10-10

Each year, Kolkata's Durga Puja scales new heights as the most spectacular and extravagant event in the city's calendar. From the turn of the twenty-first century, the festival has taken on a particular artistic dispensation that is unique to the contemporary city, demanding a new order of attention and analysis. Based on field-research conducted between 2002 and 2012, this book unravels the anatomy of this newly-conjured 'art' event, by tracking the new production processes, the mounting trends of publicity and sponsorship as well as the practices of mass spectatorship that make for the transformed visual culture of the festival. This new visual aesthetic, it is argued, has become the most important marker of the rapidly mutating identity of today's Durga Puja in Kolkata, bringing into the fray new categories of artists and designers, new genres of public art, and new spaces for art production and reception in the city. The book's central concern lies in conceptualizing a specically contemporary and artistic history of the urban festival. In keeping with its title, the book examines the diversity of images and practices - from the consumerist spectacle and the bonanza of awards to the efflorescence of public installations and art and craft productions - that unfurls in this season 'in the name of the goddess'. While proling the Durga Pujas as Kolkata's biggest public art event, the book also addresses the ambivalence of the designations of 'art' and 'artist' in this eld of production and viewership. One of the main aims of this study has been to lay open the claims of 'art' in this festival both as a set of insistent projections as well as a mesh of incomplete formations. The new artistic nomenclature of the festival, it is shown, is not easily secured and has to struggle to assert itself within the body of the religious event and the ephemeral mass spectacle.

Offering Flowers, Feeding Skulls - June McDaniel 2004-08-05

The Indian state of West Bengal is home to one of the world's most vibrant traditions of goddess worship. The year's biggest holidays are devoted to the goddesses Durga and Kali, with lavish rituals, decorated statues, fireworks, and parades. In *Offering Flowers, Feeding Skulls*, June McDaniel provides a broad, accessibly written overview of Bengali goddess worship. McDaniel identifies three major forms of goddess worship, and examines each through its myths, folklore, songs, rituals, sacred texts, and practitioners. In the folk/tribal strand, which is found in rural areas, local tribal goddesses are worshipped alongside Hindu goddesses, with an emphasis on possession, healing, and animism. The tantric/yogic strand focuses on ritual, meditation, and visualization as ways of experiencing the power of the goddess directly. The devotional or bhakti strand, which is the most popular form, involves the intense love and worship of a particular form of the goddess. McDaniel traces these strands through Bengali culture and explores how

they are interwoven with each other as well as with other forms of Hinduism. She also discusses how these practices have been reinterpreted in the West, where goddess worship has gained the values of sexual freedom and psychological healing, but lost its emphases on devotion and asceticism. Offering Flowers, Feeding Skulls takes the reader inside the lives of practicing Shaktas, including holy women, hymn singers, philosophers, visionaries, gurus, ascetics, healers, musicians, and businessmen, and offers vivid descriptions of their rituals, practices, and daily lives. Drawing on years of fieldwork and extensive research, McDaniel paints a rich, expansive portrait of this fascinating religious tradition.

The Tribes and Castes of Bengal - Sir Herbert Hope Risley 1891

In Praise of the Goddess - 2003-12-01

About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives' dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

Ganesha Sahasranama - Thousand Names of Ganesha - Koushik K 2019-10-10

The hymn Ganesha sahasranama is found in the Ganesha purāna. It is taught to lord Shiva by lord Ganesha himself. The story is given in detail in poorvapeethika that when lord Shiva wanted to destroy the tripurāsura - the demon king with three flying cities, but could not succeed even after enormous efforts, lord Shiva meditated on Ganesha. Then Ganesha appeared before Shiva in his five faced form (panchamukha Ganesha) and initiated lord Shiva with this hymn. This thousand name hymn of ganesha (ganesha sahasranama) is one among the powerful hymns on lord Ganesha and it has great importance in the Gānāpatya tradition. Bhāskara rāya mākḥin a great shākta scholar and devotee of the mother goddess, a scholar in Vedas, purānas and mantra shāstras had written a wonderful commentary on the hymn. The commentary is called khadyota (that which enlightens the sky) It is named so as it puts light on the deeper meanings of the names of this thousand names hymn (sahasranāma stotra) I have explained every name of this thousand names hymn based on the khadyota commentary and I have also quoted shlokas from the Vedas, purānas and tantras. Some names of the sahasranāma refer to various forms and incarnations of lord Ganesha. I have quoted the dhyāna shloka (verses describing forms of ganesha to be meditated on) of those forms from the tantra and āgama shāstras and also explained their meanings. The sahasranamavali (list of names from the sahasranama) starting with one and ending with namah (salutation) is also given for the purpose of chanting. the book has two indexes first index containing index of all names in the order in which it occurs in the hymn and the second index is alphabetical.

Land of Two Rivers - Nitish K. Sengupta 2011

Land of Two Rivers chronicles the story of one of the most fascinating and influential regions in the Indian subcontinent. The confluence of two major river systems, Ganga and Brahmaputra, created the delta of

Bengal--an ancient land known as a center of trade, learning and the arts from the days of the Mahabharata and through the ancient dynasties. During the medieval era, this eventful journey saw the rise of Muslim dynasties which brought into being a unique culture, quite distinct from that of northern India. The colonial conquest in the eighteenth century opened the modern chapter of Bengal's history and transformed the social and economic structure of the region. Nitish Sengupta traces the formation of Bengali identity through the Bengal Renaissance, the growth of nationalist politics and the complex web of events that eventually led to the partition of the region in 1947, analyzing why, despite centuries of shared history and culture, the Bengalis finally divided along communal lines. The struggle of East Pakistan to free itself from West Pakistan's dominance is vividly described, documenting the economic exploitation and cultural oppression of the Bengali people. Ultimately, under the leadership of Bangabandhu Mujibur Rahman, East Pakistan became the independent nation of Bangladesh in 1971. Land of Two Rivers is a scholarly yet extremely accessible account of the development of Bengal, sketching the eventful and turbulent history of this ancient civilization, rich in scope as well as in influence.
