Transforming Reading Skills in the Secondary School - Pat Guy 2015-05-14

Transforming Reading Skills in the Secondary School is a commonsense text designed to help practitioners working in a mainstream context. The book suggests ways to develop the underlying skills necessary for good reading through multiple pathways such as mainstream subject lessons, individual and small group support sessions, whole school initiatives, the use of reading mentors and home-school liaison opportunities. Brimming with ideas and activities, Pat Guy explores a variety of different aspects of reading, including: how reading is taught and why it is such an important skill for the individual how to motivate the reluctant reader the role played by the mainstream & specialist teacher underlying problems pupils may face how to increase parental involvement reasons why a pupil's comprehension might be limited the role of the School Librarian the relevance to reading of vocabulary and general knowledge. Anyone wanting to develop the reading skills of secondary pupils who struggle will find this a resource they return to time and time again.

English Language Learning Materials - Brian Tomlinson 2008-03-17

This research collection presents a critical review of the materials used for learning English around the world. The first section includes a discussion of materials for specific learners and purposes, such as young learners, self-study, academic writing and general proficiency. The second section presents a detailed study of the materials used in Europe, Asia, North America,

South America, Africa and Australia, and critically evaluates their effectiveness in the teaching of English to speakers of other languages. Taking both the teacher's and the learner's needs into consideration, the book makes a positive contribution to the future of research in materials development, and has practical applications. This comprehensive, critical analysis of materials in use around the world will be useful for academics researching materials development and applied linguistics and for students on post-graduate applied linguistics and ELT courses.

Stone Fox - John Reynolds Gardiner 2010-05-18
John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

Essential skills practice for better reading and writing

Dyslexia in Practice - Janet Townend 2012-12-06

Dyslexia is a specific learning difficulty that hinders the learning of literacy skills. This problem with managing verbal codes in memory is neurologically based and tends to run in families. Other symbolic systems, such as mathematics and musical notation, can also be affected. Dyslexia can occur at any level of intellectual ability. It can accompany, but is not a result of, lack of motivation, emotional disturbance, sensory impairment or meagre opportunities. The effects of dyslexia can be alleviated by skilled specialist teaching and committed learning. Moreover many dyslexic people have visual and spatial abilities which enable them to be successful in a wide range of careers. The appearance of this book .. is to be welcomed. It represents a full statement of the best practice to be found in the many kinds of intervention that are conducted with dyslexic students. It addresses some fundamental questions that are seldom asked and much of what the skilled teacher knows and does is set down here in print for the first time. From the Preface: `Collectively, the chapters provide a synthesis of current practice focusing on how to assess and treat the symptoms of dyslexia, guided by a proper understanding of the cognitive and linguistic weaknesses that underpin the condition. The book makes clear that the backbone of intervention for dyslexia is a highly structured multisensory approach that teaches reading and spelling skills at the appropriate rate. However, it is also explicit in pointing out that such a programme must be delivered with due attention to individual differences in the other cognitive skills that contribute to literacy development, and take account of the learner's style, interests and not least their confidence and self-esteem. This book provides an important resource for teachers who wish to become competent in the skills required for the assessment, teaching, supporting and counselling of dyslexic people in a variety of settings. It promises to reach many teachers and in turn, their students and families'. Margaret J. Snowling, University of York, UK

The Phantom Tollbooth - Norton Juster 1988-10-12

With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

Charlotte's Web - E. B. White 2015-03-17
Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in *Charlotte's Web*, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, *Charlotte's Web* is a proven favorite.

e-Conquer Creative Writing For Primary Levels 2 - Meena Newaskar 2013-01-04
CONQUER CREATIVE WRITING BOOK 2 aims to provide young children with a systematic and progressive approach to composition writing. There are various types of exercises in this book: Cloze passage, with pictures but without helping words The pictures serve as clues to the answers. The students fill in each blank with an appropriate word by looking at each picture. This will train them to extend their vocabulary, and at the same time, to be more aware of grammatical rules. Cloze passage, without pictures and helping words The students have to read through a passage once to get the general idea of the story. This will help them to think of the most appropriate word to fill in each blank to complete a story. Picture comprehension, guided

by questions The exercises aim to teach students to think about a topic, theme or subject before writing. Picture comprehension, without questions but with helping words The exercises encourage free response and writing. Given a theme, the students can write about their own experiences or make up an interesting story. Helping words are given to help them express themselves better. Composition writing, with pictures and helping words The students have to study the pictures carefully to get the general idea of the story. Helping words are given to guide them along in their writing. Composition writing, with a single picture and helping words The picture plays an important role here as it shows the main theme of the composition. Helping words are given to guide them along in their writing. The various themes used in these exercises present a list of vocabulary that students will find useful when writing compositions on similar themes in school. The reading required to do the exercises in this book will lead to better comprehension and writing skills.

General Ability Tests - Alan Horsfield 2004
Excel Test Skills - General Ability Tests Year 3 is the first in a four-book series for Years 3-6 which help students with the skills they need to excel in general ability tests. General ability testing covers areas such as logic, general knowledge and reasoning, and forms part of many primary school tests used throughout Australia. The book contains: sample questions covering all the main question types found in Year 3 general ability tests a section of practice questions with hints on how to answer each different type of question twelve practice tests to measure progress helpful advice for sitting general ability tests answers to all questions, plus explanations when required An amount of mystery surrounds general ability testing. This is probably because it is not an actual subject such as Science or Mathematics. General ability testing is based upon the student's ability to think and reason, but most of the questions are based on normal classroom subject matter. This practice book is intended to demystify GA tests, thereby giving the student the confidence to respond positively to the test and maximise his/her score.

e-Conquer Creative Writing For Primary Levels 1

- Meena Newaskar 2012-11-01

CONQUER CREATIVE WRITING BOOK 1 aims to provide young children with a systematic and progressive approach to composition writing.

There are various types of exercises in this book:

Rearrangement of words to form a sentence

These exercises will encourage the students to think of the structure of a sentence carefully.

Cloze passage, with pictures and helping words

The pictures are direct references to the answers. The students will learn to associate a picture with a word to complete a story. This

enables them to pick up new words and reinforce those that they have already learnt.

Cloze passage, with a single picture and helping words The picture plays an indirect role here as it shows only the general theme of the passage.

The students complete the story with the help of the words given. This encourages them to read carefully before choosing their answers. Cloze

passage, without pictures but with helping words The students have to read through a passage once to get the general idea of the story. This will help them to choose the most

appropriate word to fill in each blank to complete the story. Rearrangement of given sentences with pictures Reading and

understanding are the focus of such questions. The students learn to rearrange given sentences

to form a story based on the pictures given. Rearrangement of given sentences without

pictures The students learn to think about a story in a logical sequence of events. They learn to rearrange the given sentences according to

what they think is correct and logical. • Picture comprehension, guided by questions and helping words The exercises aim to teach students to

think about a topic, theme or subject before writing. Helping words are given to help them express themselves better. Picture

comprehension, without questions but with helping words The exercises encourage free response and writing. Given a theme, the

students can write about their own experiences or make up an interesting story. Helping words are given to help them express themselves

better. Imaginative writing Given a theme, the students will be asked several questions. They

can use their imagination to answer the questions. These exercises enable them to be creative and to express their ideas freely. The various themes used in these exercises present a list of vocabulary that students will find useful when writing compositions on similar themes in school. The reading required to do the exercises in this book will improve the students' comprehension and writing skills.

Comprehension and Written Expression

Year 4 - Alan Horsfield 2013

Excel Comprehension and Written Expression

Year 4 is essential for any student wishing to improve their comprehension skills. It allows students to practice skills such as finding facts, making references, isolating relevant

information, understanding questions and paragraphs, and using tables of contents, indexes, maps and graphs to find information.

The extracts are from a wide variety of genres to allow students to gain confidence in reading different materials. When the student completes

the exercises in this book, she/he will have worked through a number of question types from a variety of text types. Rather than give a range

of question types based on each passage, the focus in this book will be on developing the student's skill with a particular question type.

The book is structured so that if there is a weakness then the student can concentrate on that particular weakness and become competent

without working through passages that may not contribute to the student's progress. In this book your child will find: over 60 graded units of

stimulating exercises and extracts a wide variety of questions including true or false, multiple choice, short answer and sentence completion

extracts from many different literary and factual text types a lift-out answer section.

Holes - Louis Sachar 2011-06-01

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner—or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and

has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times *Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from the New York Times bestseller Fuzzy Mud. *Control Alt Achieve* - Eric Curts 2020-05-10 Transform Your Classroom with Tech Tools You Already Know With Control Alt Achieve, educational-technology wizard Eric Curts offers you the keys to revolutionizing classroom learning with the Google tools you already use.
