**So Long a Letter** - Mariama Bâ 2012-05-06

Written by award-winning African novelist Mariama Bâ and translated from the original French, *So Long a Letter* has been recognized as one of Africa's 100 Best Books of the 20th Century. The brief narrative, written as an extended letter, is a sequence of reminiscences—some wistful, some bitter—recounted by recently widowed Senegalese schoolteacher Ramatoulaye Fall. Addressed to a lifelong friend, Aissatou, it is a record of Ramatoulaye's emotional struggle for survival after her husband betrayed their marriage by taking a second wife. This semi-autobiographical account

is a perceptive testimony to the plight of educated and articulate Muslim women. Angered by the traditions that allow polygyny, they inhabit a social milieu dominated by attitudes and values that deny them status equal to men. Ramatoulaye hopes for a world where the best of old customs and new freedom can be combined. Considered a classic of contemporary African women's literature, *So Long a Letter* is a must-read for anyone interested in African literature and the passage from colonialism to modernism in a Muslim country. Winner of the prestigious Noma Award for Publishing in Africa.

The hardscrabble folks of Troublesome Creek have to scarp for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. But here in the New World, amid this community of saints, Mary is the second wife of Thomas Deerfield, a man as cruel as he is powerful. When Thomas, prone to drunken rage, drives a three-tined fork into the back of Mary's hand, she resolves that she must divorce him to save her life. But in a world where every neighbor is watching for signs of the devil, a woman like Mary—a woman who harbors secret desires and finds it difficult to tolerate the brazen hypocrisy of so many men in the colony—soon becomes herself the object of suspicion and rumor. When tainted objects are discovered buried in Mary's garden, when a boy she has treated with herbs and simples dies, and when their servant girl runs screaming in fright from her home, Mary must fight to not only escape her marriage, but also the gallows. In Cold Blood - Truman Capote 2013-02-19  
Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who

brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’ flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

*King Lear* - William Shakespeare

2020-11-09T21:49:01Z

King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story

is outlined in Geoffrey of Monmouth’s pseudohistorical History of the Kings of Britain (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of

Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare's best plays. Long-listed for the Andrew Carnegie Medal for Excellence. Named a Best Book of 2018 by Esquire and Foreign Policy. When Marie Colvin was killed in an artillery attack in Homs, Syria, in 2012, at age fifty-six, the world lost a fearless and iconoclastic war correspondent who covered the most significant global calamities of her lifetime. and tragic death based on exclusive access to her intimate diaries from age thirteen to her death, interviews with people from every corner of her life, and impeccable research. After growing up in a middle-class Catholic family on Long Island, Colvin studied with the legendary journalist John Hersey at Yale, and eventually started working for The Sunday Times of London, where she gained a reputation for bravery and compassion as she told the stories of victims of the major conflicts of our time. She lost sight in one eye while in Sri Lanka covering the civil war, interviewed Gaddafi and Arafat many times, and repeatedly risked her life covering conflicts in Chechnya, East Timor, Kosovo, and the Middle East. Colvin lived her personal life in extremis, too: bold, driven, and complex, she was married twice, took many lovers, drank and smoked, and rejected society's expectations for women. Despite PTSD, she refused to give up reporting. Like her hero Martha Gellhorn, Colvin was committed to

bearing witness to the horrifying truths of war, and to shining a light on the profound suffering of ordinary people caught in the midst of conflict. Lindsey Hilsum's *In Extremis* is a devastating and revelatory biography of one of the greatest war correspondents of her generation.

Like the rest of America, Bea indulges in her weekly obsession: the hit reality show *Main Squeeze*. The fantasy dates! The kiss-off rejections! The surprising amount of guys named Chad! But Bea is sick and tired of the lack of body diversity on the show. Since when is being a size zero a prerequisite for getting engaged on television? **The Suitors** - Cécile David-Weill 2013-02-26

A comedy of manners that serves as an insightful look at the lives of those in the upper classes. After two sisters, Laure and Marie, learn of their parents' plan to sell the family's summer retreat, L'Agapanthe, they devise a scheme for attracting a wealthy suitor who can afford to purchase the

estate. Selling it would mean more than just losing a place to go during the summer—for the sisters, it's become a necessary part of their character, their lifestyle, and their past.

L'Agapanthe, a place of charm and nostalgia, is the perfect venue to exercise proper etiquette and intellect, though not all its visitors are socially savvy, especially when it's a matter of understanding the relationships between old money and the nouveau riche. The comedy of manners begins: with stock traders, yogis, fashion designers, models, swindlers, the Mafia, and a number of celebrity guests. Laure—the witty, disarming, and poignant narrator—guides the reader through elegant dinners, midnight swims in the bay, and conversations about current events, literature, art, and cinema. The Suitors is an amusing insider's look at the codes, manners, and morals of French high society.

2009-01-22

A radical, "crystalline" (Elle) approach to integrating our work, relationships, and inner selves from the bestselling author, poet, and speaker. The author of *Crossing the Unknown Sea* and *The Heart Aroused* encourages readers to reimagine how they inhabit the worlds of love, work, and self-understanding. Whyte suggests that separating these "marriages" in order to balance them is to destroy the fabric of happiness itself. Drawing from his own struggles and the lives of some of the world's great writers and artists—from Dante to Jane Austen to Robert Louis Stevenson—Whyte explores the ways these core commitments are connected. Only by understanding the journey involved in each of the three marriages and the stages of their maturation, he says, can we understand how to bring them together in one fulfilled life.

Yellow Woman - Leslie Marmon Silko 1993

In the past twenty-five years many Native American writers have retold the traditional stories of powerful mythological women: Corn Woman, Changing Woman, Serpent Woman, and Thought Woman, who with her sisters created all life by thinking it into being. Within and in response to these evolving traditions, Leslie Marmon Silko takes from her own tradition, the Keres of Laguna, the Yellow Woman. Yellow Woman stories, always female-centered and always from the Yellow Woman's point of view, portray a figure who is adventurous, strong, and often alienated from her own people. She is the spirit of woman. Ambiguous and unsettling, Silko's "Yellow Woman" explores one woman's desires and changes—her need to open herself to a richer sensuality. Walking away from her everyday identity as daughter, wife and mother, she takes possession of transgressive feelings and desires by recognizing them in the stories she has heard, by blurring the boundaries between herself and the Yellow Woman of myth.

Silko's decision to tell the story from the narrator's point of view is traditional, but her use of first person narration and the story's much raised ambiguity brilliantly reinforce her themes. Like traditional yellow women, the narrator is unnamed. By choosing not to reveal her name, she claims the role of Yellow Woman, and Yellow Woman's story is the one Silko clearly claims as her own. The essays in this collection compare Silko's many retellings of Yellow Woman stories from a variety of angles, looking at crucial themes like storytelling, cultural inheritances, memory, continuity, identity, interconnectedness, ritual, and tradition. This casebook includes an introduction by the editor, a chronology, an authoritative text of the story itself, critical essays, and a bibliography for further reading in both primary and secondary sources. It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north

coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.
