Yes, Ma'am! - Susan Bickett 2018-11-06

Officer Susan L. Bickett invites readers into her squad for a ride-along in the city of Green Bay, Wisconsin. Not unlike the good, the bad and the ugly; readers will experience The Routine, The Tones and The Unbelievable. In this candid, day-in-the-life memoir, readers will experience the humanness of police officers as they serve and protect their communities. In an occupation where no two days are the same, being prepared is a unique challenge, especially as a female officer. Officer Bickett shares her journey from under the headset, to beat cop and even a brief detective stint. Buckle up! This is a ride full of stories with a glimpse behind the badge while riding the thin blue line. - **UNIQUE PERSPECTIVE** - You will definitely be impressed by the unique perspective presented by this memoir. Officer Susan Bickett is a woman thriving in a profession that is dominated by men. This memoir narrates experiences from the point of view of a tough female cop. - **RELATABLE** - Just like any other person, cops are people too. You will realize that cops are humans who feel emotions like anger, sadness, joy, and compassion. - **EXCITING** - With 22 years of experience, Officer Susan Bickett is guaranteed to surprise you with every page. You will be taken into an exciting ride of action and emotions with this fantastic memoir! Sit back, relax, and let this book take you to exciting places! - **INSPIRING** - This memoir, aside from narrating the daily life of a cop, is also filled with life lessons that will inspire you to do good and to be a better person. You will come to know that cops appreciate the little gestures like smiles and nods of thanks that acknowledge their hard work. - **BEHIND THE SCENES** - Officer Bickett's memoir will take you behind the scenes of a cop's daily life. It's not always full of action like what you see on television. Each day is different and unique in their own way and most of the time cops help people without need for force or violence.

Wisteria Woven - Angela Pepper 2020-03-05

Book 11 in the sensational Wisteria Witches Mysteries series by USA Today Bestselling author Angela Pepper! Zara Riddle was looking forward to her first Halloween as a witch. Then the little girl ghost showed up. Zara puts costume shopping on hold, rolls up her sleeves, and does her usual witcher-i-doo. But nothing works as planned. Mistakes are made. Dinner parties are ruined. (More than usual.) Could this stubborn spirit be connected to a family member's past? Perhaps the Big Tragic Secret nobody talks about? Zara won't rest until she gets to the truth, even if means pushing the whole coven to the breaking point. And break they do. In Wisteria, when things start falling apart, there's no telling what powerful forces will be unleashed. Especially on All Hallow's Eve.

Microgreens - William Urban Green 2020-07-09

Do you want to learn how to grow nutrient-packed greens for your health? If yes, then keep reading. Nowadays, many people still have not heard about microgreens. This is because, for a very long time, Microgreens haven't been around. When Microgreens were first published on chefs' menus in the 1980s, they originated from San François. It did not, however, become popular until the 1990s. Their influence then began to spread east, and now microgreens are grown in many other countries in the United States and even elsewhere. Beets, arugula, basil, kale, and cilantro were among the first varieties to be grown. Today's development continues to increase the number of varieties. In 2010, micro-greens became increasingly popular in the food industry. In most grocery stores worldwide, microgreens started appearing around that time. Finally, in 2012, the micro-greens got the boost they wanted in the food industry. Researchers in the U.S. eventually became interested in microgreens and studied their nutritional composition and shelf life of microgreens. More than 25

microgreen varieties have been studied. Microgreen media outlets such as The Huffington Post and the National Public Radio gained coverage in this study. Everyone was soon interested in the high nutritional values of microgreens, recently discovered. Microgreen's only short shelf lives are defects. Researchers are also finding ways of extending their shelf lives, however. One way of doing this is to maximize and increase the visibility of microgreen packaging. This book covers: Microgreens and Health Benefits Detailed Varieties List of Microgreens Step by step Methods of Growing Tools Getting Their Nutrients Combating Fungus and Pests How to Harvest Ways to Use Microgreens Some Delicious Recipes ...And much more Click to buy now!

A Ruler's Consort in Early Modern Germany - Judith P. Aikin 2016-12-05

The wives of rulers in early modern Europe did far more than provide heirs for their principalities and adornment for their courts. In this study, Judith Aikin examines the exceptionally well-documented actions of one such woman, Aemilia Juliana of Schwarzburg-Rudolstadt (1637-1706), in order to expand our understanding of the role of ruler's consort in the small principalities characteristic of Germany during this period. Aikin explores a wide range of writings by her subject, including informal letters to another woman, hundreds of devotional song texts, manuscript books both devotional and practical, and published pamphlets and books. Also important for this study are the plays, paintings, and musical works that adorned the court under Aemilia Juliana's patronage; the books, poems, and sermons published in her honor; and the massive memorial volume printed and distributed soon after her death. This material, when coupled with the more scanty record in official documents, reveals the nature and scope of Aemilia Juliana's role as full partner in the ruling couple. Among the most important findings based on this evidence are those related to Aemilia Juliana's advocacy for women of all social classes through her authorship and publications, her support for the education of girls, her efforts to ameliorate the fear and suffering of pregnant and birthing women, and her contributions to female support networks. In examining the career of a consort whose various activities are so well documented, this study helps to fill in the blanks in the documentary record of numerous consorts across early modern Europe, and serves as a model for future research on other consorts at other courts.

The Old Witcheroo - Dakota Cassidy 2020

Just when you think you know your one-time International Man of
Mystery turned ghostly confidant...When last we met, dear friends, a
man had come calling, claiming to be Crispin Alistair Winterbottom, my
dead British ex-spy. A notion I'd find ludicrous, if the handsome imposter
didn't, in fact, look exactly like my dead British ex-spy. But there's no
time for that mystery when a quiet walk on our private stretch of beach
turns up something far more pressing--another tragedy in my beloved
small Washington town.That's right. I, Stevie Cartwright, ex-witch turned
amateur sleuth, have stumbled upon another murder. But this time it's
closer to home, more personal, a victim who'd touched the hearts of so
many in Ebenezer Falls, young and old. In fact, there's only thing more
surprising than the victim...The good man who's become the number one
suspect.Along with my Spy Guy Win, my bat familiar Belfry, our rescue
dog Whiskey, and even an unexpected new friend or two, I'm jumping
back into my Sherlock shoes to catch the cleverest killer yet!
