*If on a Winter's Night a Traveller* - Italo Calvino 1982

(Book Jacket Status: Jacketed) Introduction by Peter Washington; Translation by William Weaver Italo Calvino's masterpiece combines a love story and a detective story into an exhilarating allegory of reading, in which the reader of the book becomes the book's central character. Based on a witty analogy between the reader's desire to finish the story and the lover's desire to consummate his or her passion, IF ON A WINTER'S NIGHT A TRAVELER is the tale of two bemused readers whose attempts to reach the end of the same book--IF ON A WINTER'S NIGHT A TRAVELER, by Italo Calvino, of course--are constantly and comically frustrated. In between chasing missing chapters of the book,

the hapless readers tangle with an international conspiracy, a rogue translator, an elusive novelist, a disintegrating publishing house, and several oppressive governments. The result is a literary labyrinth of storylines that interrupt one another--an Arabian Nights of the postmodern age.

The Written World and the Unwritten World - Italo Calvino 2020-05

"Reading Calvino, you're constantly assailed by the notion that he is writing down what you have always known, except that you've never thought of it before. This is highly unnerving; fortunately, you're usually too busy laughing to go mad." — Salman Rushdie, *London Review of*

Books Reading, writing, translating; the avant-garde and tradition; the fate of the novel: these are some of the themes of *The Written World* and *the Unwritten World*. A collection of essays, forewords, articles, interviews, notes, and other occasional pieces, this work displays Calvino's remarkable intelligence and razor-sharp wit as he explores the meaning of literature in a rapidly changing world. **Into the War** - Italo Calvino 2014

"These three stories, set during the summer of 1940, draw on Italo Calvino's memories of his own adolescence during the Second World

War, too young to be forced to fight in Mussolini's army but old enough to be conscripted into the Italian youth brigades. The callow narrator of these tales observes the mounting unease of a city girding itself for war, the looting of an occupied French town, and nighttime revels during a blackout. Appearing here in its first English translation, *Into the War* is one of Calvino's only works of autobiographical fiction. It offers both a glimpse of this writer's extraordinary life and a distilled dram of his wry, ingenious literary voice."--from cover, page [4].

**Fantastic Tales** - Italo Calvino 2001

Compiled by Italo Calvino, this a historical overview of great fantastic literature of the 19th century. Many of the stores are from well-known authors (Sir Walter Scott, Honore de Balzac, Nathaniel Hawthorne, Edgar Allan Poe, Charles Dickens, Ivan Turgenev, Guy de Maupassant, Robert Louis Stevenson, Henry James, Rudyard Kipling, and H.G. Wells), but Calvino largely avoided their best-known stories. The contributors range from moderately well-known to obscure. This is an intelligently annotated anthology of superb fiction, but, in one pleasant sense, a collection of mostly new stories.

**Last Comes the Raven** - Italo Calvino 2021

"Calvino . . . managed effortlessly what no author in English could quite claim: his novels and stories and fables were both classically modernist and giddily postmodern, embracing both experiment and tradition, at once conceptual and humane, intimate and mythic." — Jonathan Lethem, New York Times Book Review Blending reality and illusion with elegance and precision, the stories in this collection take place in a World War II-era and postwar Italy tinged with the visionary and fablelike qualities. A trio of gluttonous burglars invades a pastry shop; two children trespass upon a forbidden garden; a wealthy family invites a rustic goatherd to lunch, only to mock him. In the title story, a compact masterpiece of

shifting perspectives, a panicked soldier tries to keep his wits—and his life—when he faces off against a young partisan with a loaded rifle and miraculous aim. Select stories from *Last Comes the Raven* have been published in translation, but the collection as a whole has never appeared in English. This volume, including several stories newly translated by Ann Goldstein, is an important addition to Calvino's legacy. *Il visconte dimezzato. Ediz. speciale* - Italo Calvino 2013

Hermit in Paris - Italo Calvino 2011

With a Preface by Esther Calvino 'These pages are distinguished by a sly philosophic humour . . . a sensuous immediacy of detail and a droll wit' Guardian In this elegant collection of essays, one of modern literature's most enchanting masters reminisces about Italy's antifascist resistance and the whirl of ideas that blossomed in the post-war era. In America, Calvino follows Nixon's election hopes while marvelling at colour television and American cars, but describes with loathing his first experience of mass racism, when he is lucky enough to meet Martin Luther King in Alabama. He also writes brilliant short pieces on his Italian dialect, the final day of the Second World War, and the rich joys of living in Paris. A stylish assortment of memoir and wit, *Hermit in Paris* includes the very finest of Calvino's superb work. 'Beautifully written . . . the work of an extraordinary mind, one that is worth exploring from every angle' Independent on Sunday

The Castle of Crossed Destinies - Italo Calvino 1979

*Italo Calvino* - Italo Calvino 2014-05-04

This is the first collection in English of the extraordinary letters of one of the great writers of the twentieth century. Italy's most important postwar novelist, Italo Calvino (1923-1985) achieved worldwide fame with such books as *Cosmicomics*, *Invisible Cities*, and *If on a Winter's Night a Traveler*. But he was also an influential literary critic, an important literary editor, and a masterful letter writer whose correspondents included Umberto Eco, Primo Levi, Gore Vidal, Leonardo Sciascia, Natalia Ginzburg, Michelangelo Antonioni, Pier Paolo Pasolini, and

Luciano Berio. This book includes a generous selection of about 650 letters, written between World War II and the end of Calvino's life. Selected and introduced by Michael Wood, the letters are expertly rendered into English and annotated by well-known Calvino translator Martin McLaughlin. The letters are filled with insights about Calvino's writing and that of others; about Italian, American, English, and French literature; about literary criticism and literature in general; and about culture and politics. The book also provides a kind of autobiography, documenting Calvino's Communism and his resignation from the party in 1957, his eye-opening trip to the United States in 1959-60, his move to Paris (where he lived from 1967 to 1980), and his trip to his birthplace in Cuba (where he met Che Guevara). Some lengthy letters amount almost to critical essays, while one is an appropriately brief defense of brevity, and there is an even shorter, reassuring note to his parents written on a scrap of paper while he and his brother were in hiding during the antifascist Resistance. This is a book that will fascinate and delight Calvino fans and anyone else interested in a remarkable portrait of a great writer at work.

**Hermit in Paris** - Italo Calvino 2014

"The posthumously published collection *Hermit in Paris* draws together an array of Italo Calvino's autobiographical writings that provide an illuminating and unexpectedly intimate portrait of one of the postwar era's most inventive and fascinating writers. In these pages, Calvino recounts his experiences in Italy's antifascist resistance, pays homage to his influences, traces the evolution of his literary style, and, in one of the book's most humorous and entertaining sections, provides a wry commentary on his travels in the United States in 1959 and 1960"--
