[From the Trench to the Bench: Navigating the Legal System & Finding Your Spiritual Path Along the Way](#) - Herbert L. Dodell 2019-02-26

What do you do if you want to sue someone in Small Claims Court, or you've been served with an eviction notice, or someone is harassing you, or barraging you with texts and emails, or you're the victim in an automobile accident, or you've been arrested? When do you need a lawyer, how do you find the right one, what questions should you ask, and what can you expect from your lawyer? This book will answer all these questions and more. It will provide you with essential guidelines and practical tools you will need to navigate through the legal system, thus saving you both time and money. Real stories and cases are used to illustrate the concepts in this book. Using the principles of Universal Law, this book will also help you learn to turn an unfortunate situation into an opportunity for personal growth. For more than half a century, Judge Herb Dodell, has served as both a successful attorney in the "trench," and as a Superior Court Judge Pro Tem on the "bench," having presided over more than 10,000 cases. As a lawyer, he has tried more than one hundred jury trials, civil and criminal, in both state and federal courts, and has successfully argued before the California Supreme Court. *Speech of the Right Honourable Lord Brougham, Lord High Chancellor of England* - Henry Brougham Baron Brougham and Vaux 1831

There's a New Dog in Town - Loukia Verhage 2017-02-13

Welcome to the first book in the Love Puppy Chronicles. Elvis is the top dog in the Love Family but all that is about to change. Open the book and enjoy a heartwarming story as change comes to the Love household. Beautifully illustrated in mixed media that will keep children of all ages and dog lovers entertained for hours.

Irreparable Harm - Melissa F. Miller 2011-04-18

Skillful plotting, surprising twists, and a brisk pace keep readers turning the pages in this gripping debut from a USA Today bestselling author, the first entry in a long-running series. Downloaded by more than two million readers! Attorney Sasha McCandless has one ambition: Make partner at the best firm in town. Then a plum assignment plunges her into a world of deceit and danger. When a commercial flight crashes, killing everyone on board, she's tapped to defend the airline. It's her big chance—high-stakes litigation for an important client. But, as she digs into the evidence, people close to the case start to die. She discovers the crash was intentional, part of a breathtakingly evil plan. Unsure if she can trust her colleagues with the horrifying truth, she teams up with a federal air marshal, and they race to prevent another airline disaster. Soon, Sasha finds herself with a brand-new life goal: Stop a madman before he kills her. Keywords: free legal thriller, strong female protagonist, fast-paced thriller, legal drama, thriller series

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In

these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Exiled - M. R. Merrick 2012-04-01

Chase Williams is a demon hunter in the Circle, or at least he was supposed to be. On his fifteenth birthday, Chase stepped up to the altar to claim his elemental power, but it never came. Elemental magic is passed down to a hunter through the bloodline, but on Chase's birthday, the bloodline stopped. Exiled without the Circle's protection, Chase has spent two years trying to survive a world riddled with half-demons and magic. When he has a run in with a frightened and seemingly innocent demon, he learns the Circle's agenda has changed: the Circle plans to unlock a portal and unleash pure-blood demons into the world. Vowing to stop them, and knowing he can't do it alone, Chase forms a reluctant alliance with Rayna - a sexy witch with an attitude and a secret. In their attempt to stop them, Chase and Rayna find themselves in the middle of the Circle's plan, leaving one of them to decide what their friendship is worth, and the other's life depending on it.

Fracture - C. J. Daugherty 2013

Cimmeria has been more than a school for Allie, it's been a safe haven. But no longer. A nefarious group - one that is tied up with Allie's family in ways she could barely imagine - is trying to destroy everything Cimmeria stands for. Even worse, it's clear that somebody they eat with, sleep with, train with is betraying them. There's a spy in Night School. As the paranoia grows and the fights begin, it's not an attack from outside they need to worry about . . .

I Have the Right To - Chessy Prout 2018-03-06

"A bold, new voice." —People "A nuanced addition to the #MeToo conversation." —Vice A young survivor tells her searing, visceral story of sexual assault, justice, and healing in this gutwrenching memoir. The numbers are staggering: nearly one in five girls ages fourteen to seventeen have been the victim of a sexual assault or attempted sexual assault. This is the true story of one of those girls. In 2014, Chessy Prout was a freshman at St. Paul's School, a prestigious boarding school in New Hampshire, when a senior boy sexually assaulted her as part of a ritualized game of conquest. Chessy bravely reported her assault to the police and testified against her attacker in court. Then, in the face of unexpected backlash from her once-trusted school community, she shed her anonymity to help other survivors find their voice. This memoir is more than an account of a horrific event. It takes a magnifying glass to the institutions that turn a blind eye to such behavior and a society that blames victims rather than perpetrators. Chessy's story offers real, powerful solutions to upend rape culture as we know it today. Prepare to be inspired by this remarkable young woman and her story of survival, advocacy, and hope in the face of unspeakable trauma.

Son of Sedonia - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community:

smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

Change the Workgame - Serilda Summers-McGee 2016-08-27

Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. Change the WorkGame has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in Change the WorkGame, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.

Living the Law of One 101 - Carla L Rueckert 2014-06-03

Written with the intent of creating an entry-level, simple to read report concerning the core principles of the Law of One and Confederation philosophy in general, this book takes the reader through a discussion of Law of One principles such as unity, free will, love, light and polarity. It then works with the Confederation version of the concept that each person has an energy body with seven chakras. It discusses this concept and its implications for the seeker, chakra by chakra. It turns the player into a Player! This is a light-hearted book about the Game of Life. It is an easy read, and yet the principles of the Law of One are not simplified. Rather, they are offered in an order which makes coherent sense. Principle builds upon principle to offer an overall view of Confederation philosophy which is a bit easier to grasp as a whole than the original Law of One books, where the question-and-answer format offers the same information in a somewhat fragmented form, although with endless interest. If you would like to play the Game of Life with Carla, please give this book a try!

Time Management Handbook for Lawyers - Gary Richards 2013-06-19

"Time Management Handbook for Lawyers" puts time-saving tips in a lawyer's hands for just about every aspect of a lawyer's work life. Topics include Personal Organization, Managing Interruptions, Delegating, Client Communications and Billing, Matter Management, Producing Documents, and Meetings with clients and matter teams. Practical steps a lawyer can put to immediate use make up the 74 time-saving ideas in

14 chapters. Each time-saving idea is explained clearly including why it works and how to implement it. You will learn when and how to professionally exercise your right to be unavailable, and how to professionally decline when you must without offending. The book's 194 pages are chock-full of clear descriptions and examples to make it an easy reference, sprinkled with 17 supporting figures. There are 47 pages of check lists, sample documents, and practical scripts for immediate use. Each tactic description explains clearly how it saves time, reduces stress, improves client relations, or helps you find time to repurpose to whatever you like. Most readers will be able to find ways to reduce the number of work hours required to meet income goals. In short, this book can help you regain that feeling of being "on top of things!"

Principle Or Profit - Ryheim Scott 2016-01-06

Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

Mary Jane's Coloring Book - Cheri Shull 2016-03-06

Relax and color with Mary Jane, warning she's a little high maintenance. 20 pin up pages plus 10 bonus pages. This book is recommended for ages 18 and up only. Cheri Lyn Shull aka "Queen Sexy" is a self taught American artist. You will never find her without her precious art supplies or at the very least a pen to scribble on a napkin with. She's a dreamer, a mother/domestic goddess/workaholic, a left-handed tattoo collector, a lover of all things handmade and vintage. As survivor and advocate for domestic violence awareness, she wants her art to encourage women to empower themselves and push beyond their own limits. All of her work is hand drawn and then digitized for you to colorize. She specializes in risque cartoon pin up characters known as "Karleigh Sue" and "Mary Jane" which you can purchase by the book full (Amazon) or individually for crafting. Visit her site cherishull.com

Good to Great - 2010

Salem VI - Jack Heath 2012-09

SALEM, MASS. - Newspaper editor John Andrews thought he'd lost everything when his wife was killed, but when timeless bloodlines reemerge Andrews realizes that a tragic accident may actually have been murder, and even worse, might be part of a battle between good and evil that has gone on hundreds of years.

Your New Story, Your New Life - Bo Sebastian 2016-09-06

Rewrite a new story for your life. Learn how to think in a new way. Bo Sebastian, a Consulting Hypnotist, helps you retrain the neural pathways of your brain. Turn your dreams into reality by shifting your thoughts. Learn to manifest what you have been hoping for your entire life! This book teaches you simple steps to create a more balanced you.

Turning This Thing Around - Keith Maginn 2012-12-22

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all

must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, *Turning This Thing Around* is a story of a normal young man's resiliency when battling extraordinary circumstances.

[The Pursuit of Passion](#) - George Kahn 2013-09-25

Has it• Been a rough day?• Been a rough year?• Been a rough career?Do you• Dream about that creative idea just beyond your grasp?• Feel trapped in a job that pays you just enough to survive?• Regret not finishing your music, photography or screenplay?• Wish you had more time, more money, more ability to get things done?If so, *The Pursuit Of Passion* is the book for you.A concise book of deep thought and meditation, *The Pursuit Of Passion* is one of those rare experiences that comes along only once in a great while.It is a treasury of thoughtful, insightful reminders that can be read in one sitting, or can be referred to daily, one page at a time.The book takes you on a journey from the darkest days of the 2009 Great Recession to a place of recovery, creativity, hope and passion."These writings came from a promise. Right before Memorial Day 2009, I met with my business coach Joe Stumpf. After 20 years as a commissioned loan officer, I had just lived through possibly the worst year ever in the business. My previous company had collapsed in the mortgage meltdown of 2008. During the previous 12 months my assistant had earned more money than I had. About 50% of the people in my industry were either out of work or actively looking for jobs in other areas of business. Things looked bleak, and there was no fun left. Work had become a painful grind with very little financial reward to show for all the time spent.I shared my total burn out in the business of 20 years with my coach. Frustrated by what my life had become, it became clear that something had to give. Either I had to change jobs, or change my attitude. Maybe both! I promised to get up at 5:00 AM every day, meditate and journal, and focus on bringing passion back into every aspect of my life, my work, my family and my personal growth. Instead of going to work every day and having a pity party, I have decided to have a passion party.These writings (a sample of the 475+ entries from the website <http://passionparty09.blogspot.com>) are the outgrowth of that commitment. I hope they inspire you to find your passion, and that you enjoy reading them as much as I did writing them."-George Kahn"When a person integrates the practical and the artistic, the material and the spiritual, I listen. The world has more than enough disconnection; I am inspired by people who put things together. Real passion flows from these poems, the product of a mind and heart in synch."-Shmuel Klatzkin, Rabbi

Sun Shine Down - Gillian Marchenko 2013-08

"Lifting my hand, I placed it on my breastbone and slid it towards my navel. My mid-section felt numb. Pushing down, it was as if I tapped another person's toneless stomach. White gauze held my empty abdomen tight. I had been eight months pregnant." *** What if? What if you dreamed of having a beautiful child and in your mind you saw the life you'd share with that child. First steps, little league (or ballet). Maybe the child would play piano or make you proud on the Honor Roll. There'd be eventual graduations, college, even marriage and grandchildren. You might dream it out that far. Or not. Every parent has hopes. No parents wish for pain-their own, or a child's. Then you had a premature delivery in a foreign country. And the words swirling around you said a different kind of "what if." What if something was wrong? The dream was at risk-or so it seemed. Would you be ready for that? Could you make peace? Or would it take you down? These are the questions author Gillian Marchenko faced as she woke up after an emergency C-section in Ukraine. Only her newborn child could answer them, in time. But first she had to find a way to hear more than the words "Down syndrome."

[The Tree That Ate Everything](#) - Robert Feiner 2017-09-19

Jake and Austin are twins. Jake has Down syndrome while Austin is typical. On their birthday, they play with their toys but a whimsical tree wants to play too. It also happens to be her birthday.

The Quit Alternative - Ben Fanning 2014-10-26

Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained

(and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

What's Wrong with Pauly? - B. J House 2013-08

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

[Seven Myths of Selling to Government](#) - Lorin Bristow 2010-12-30

Government is the new growth market. B-to-B sales techniques just don't work. Learn the new rules for selling to all levels of government. This year, local, state, and federal governments will spend trillions of dollars on all sorts of goods and services. Don't miss out on your share of the pie. This practical how-to book will reveal secrets of star sales performers, showing you what really drives success in selling to local, state, and federal governments. Not a traditional "heavy" book on how to write proposals or access contract vehicles, *Seven Myths* is a lively, engaging, and sometimes irreverent resource geared directly to salespeople. It is derived from the authors' many years of experience selling millions of dollars in products and services to government agencies. Whether you are new to government sales, or a seasoned pro, you'll benefit from applying the lessons learned from this one-of-a-kind book, *Seven Myths of Selling to Government*.

[Diary of the Lost Teenage](#) - Tony Gaines 2012-12

After surviving an attempted suicide, Tom Jones, a shy Christian adolescent, learns to use writing in his diary as a means of communicating with himself as his family settles in on a new life in West Texas. High school football in Texas seems to be the states' unofficial religion, yet it's the emerging of television, "the new God," that starts to have a stronghold in shaping Tom's newly found pop culture world of the 1970's. "The Game" begins when star quarterback Reggie Thomas moves in across the street and takes Tom under his wing, tutoring Tom on the road to the end of innocence. Will the duo score on a last ditch drive to escape with their souls intact, or will they find out how easy it is to get lost in the forbidding world of sex, drugs, and rock and roll? Just as the Stone Age and Ice Age were both lost to history, Tom's diary journals how the Teen Age somehow got lost in history as this page-turner continues to unfold masterfully, sure to leave readers laughing at the anecdotes on an unforgettable journey down memory lane.

How to Marry Right and Avoid Divorce - Susana K. O'Hara 2011-06

Do you see marriage in your future but worry about becoming another divorce statistic? If so, this book is a must-read. Whether you are marrying for the first time or have been divorced and want to get back in the dating game, Dr. Susana O'Hara offers simple advice about the steps you can take to marry right, stay married, and decrease your chances of divorce. *How to Marry Right and Avoid Divorce* includes real-life examples of how several of Dr. O'Hara's clients did just that. Dr. O'Hara also illustrates the poor choices many before you have made so you can learn from them. Dr. O'Hara's encouraging tips for finding the right person to marry have led countless people down the path to marital happiness. She offers suggestions for how to think realistically about marriage, how to best present yourself, and how to engage in meaningful conversation, among other useful topics. Now she can help you to learn *How to Marry Right and Avoid Divorce*.

[A Right Angle 3He Cryostat Incorporating a High Field Superconducting Solenoid](#) - H. Marshak 1970

[The Reality of Our Global Future](#) - Peter B. Scott-Morgan, Dr. 2012-03-01
Where are we heading?Stripped of all the hype and fantasy - where

really is the world economy set to take us by 2040? Those of us alive today are on an extraordinary course: For several decades our future has largely been determined by a handful of relatively-obscure trends that together generate the awesome propulsion of a High-Tech engine that is launching the international community on a voyage into completely unfamiliar territory. But where will we all end up? Based on unparalleled insights into what organizations across the globe are actually doing, for the first time the world's foremost expert on the hidden inner-workings of society explains in simple and accessible language exactly where the most deeply-established trends are taking us. How, despite claims that its accelerating progress is not sustainable for much longer, Digitization is on an inexorable course to a mind-blowing society of virtual-assistants, robot cars, cyborgs and everything on-the-record. And how Networking will combine with Digitization to lead by 2040 to computers capable of human-like interaction and an internet a billion times more powerful than today's. Dr. Scott-Morgan reveals how the Miniaturization trend offers nanotech breakthroughs ranging from cancer treatments to quantum computing - but not, as has often been claimed, Star-Trek Replicators or the threat of 'grey goo'. And he shows how exponential Simulation will support fundamental and sweeping advances that lead to almost limitless electricity and maybe almost limitless life-extension. Our world is set for a Global Renaissance. However, the backdraft of the High-Tech launch engine is also stirring up a turbulence of unintended consequences that threaten to disrupt our trajectory. Rather than Global Renaissance, we would then enter Global Chaos. Yet these are not ordinary times. In the startling conclusion to his book, Dr. Scott-Morgan reveals how in only the last couple of years a brand new exponential trend has begun to emerge out of the turbulence. In terms of influencing our destination - whether we end up in a Global Renaissance or in Global Chaos - it is that trend that will be the most important one of all. NOTE: This is the companion volume to 'The Reality of Global Crises' by the same author.

Lok Sabha Debates - India. Parliament. Lok Sabha 1988

Sea Glass Windows - Richard Morgan 2016-05-03

Sea Glass Windows, Richard Morgan's fifth book of poetry, is a collection of his words and his wife, Pat Morgan's watercolors. The poems are accessible, sometimes humorous and often give insight to the complexity of being human. Topics include love and conflict, Superman and Santa, youth and old age.

The Right Kind of Crazy - Adam Steltzner 2016

Adam Steltzner is no ordinary engineer. His path to leadership was about as unlikely as they come. A child of beatnik parents, he barely made it through school. He blew off college in favour of work at a health food store and playing bass in a band, but after discovering an astonishing gift for maths and physics, he ended up helping a group of scientists land the heaviest rover in the history of space exploration on Mars. This is the story of the teamwork, drama and extraordinary feats of innovation at the Jet Propulsion Lab that culminated in that landing in 2012.

Mr Lazarus - Patrice Chaplin 2016-08-03

'... a surging intensity that keeps the reader glued to the page.' - New York Times London. 1970. Vicky Graham, an unsuccessful film producer at the BBC, crosses the path of Luciano Raffi, a famous violinist, as he performs at the Proms. For Vicky he represented something she could not have, but something she longingly craved for. A chance to lift her out of the unloving greyness of everyday life. Through her job at the BBC, she is able to organise an interview with him, but their meeting triggers a renewed obsession with him. The reason? Luciano has something in common with Vicky - they both know about the portal. A secret history, nearly untraced, connects these distant souls. But will it last? Raffi is about to disappear from her life... To get him back, she must travel to where and when she had never expected. She must uncover the secret history of the portal... Mr Lazarus is the latest book in Patrice Chaplin's series following *The City of God* and *The Portal*. Chaplin is a renown international bestselling author. Praise for Patrice Chaplin 'Powerful romantic fiction in the tradition of Emily Bronte.' - Guardian '... a surging intensity that keeps the reader glued to the page.' - New York Times 'Genuinely witty horrors' - The Observer Patrice Chaplin is an author, journalist and playwright. She first visited the city of Gerona, in Spain, when she was 15 and it was then that she learnt about the Grail mystery. Throughout her life she has maintained an active interest in the history of the Grail and has lived in Spain and France. She has published more than 36 books, plays and short stories.

Pirate Journey - Philip Anderson 2013-01-25

Dave Adams is a teenager standing at a crossroads in his life. He's

lonely, a bully in need of direction. Through the pages of an ancient, leather-bound journal, Dave makes contact with an ancestor, James Adams, captain of a seventeenth century sailing-ship. Captain Adams is also straddling a fence, and the life of an honest sea-going merchant pales in comparison to the excitement and opportunities available for a captain willing to do what it takes to get ahead. Will the captain's decisions take him and his crew where they want to go? And how will those decisions affect Dave as he makes his way through high school and finds his first summer job? *Pirate Journey* explores the parallel lives of a scurvy sea captain and a high school bully as they make decisions and face the consequences of their choices, both good and bad.

Memoirs of a Security Contractor - Paul Yurkin 2015-09-09

Paul "Chuck Norris" Yurkin has never been one to give up. A product of the inner city projects, he pulled himself up by the bootstraps and enlisted in the Marine Corps-serving proudly in Desert Storm before beginning a fifteen-year career with the Myrtle Beach police force. But when he saw the efforts of his policing failing to create any positive change, it wasn't long before Yurkin became jaded by the system as a whole. Seeking a new life for himself and his daughters, he met up with a private contracting firm and began training for a trip to sunny Afghanistan, where he would work on training the fledgling Afghan National Police. In the midst of two weeks of training in Virginia, he earned the nickname that would stick with him for years to come-and met three best friends that remained by his side through dangerous missions, misadventures, and the frustrations of being stationed abroad. In *Memoirs of a Security Contractor*, Yurkin tells the true story of his time as a security contractor in Afghanistan in candid detail-in an eye-opening tale of determination, friendship, and never giving up.

Your House, Your Choice - Re Peters 2016-08-23

Important information about the sale of this book: 100% of the net proceeds from the sale of the first half a million copies sold will be donated to The Salvation Army to help Canadians in need. Is Your House Older? Do you keep having the feeling hanging over your head about whether your house is solid or it could actually cave in on you any day? What would it be like to have the total confidence that whatever is going on with your house, you are fully prepared to sleep like a baby at night? Re' Peters takes you through the different processes in your older house that take place right under your nose and how to be in the driver's seat to take full control. An expert Real Estate entrepreneur with direct experience buying and selling millions of dollars' worth of houses since 2008, he sees time and again how house owners are being talked into something that may not apply to their situation but yet have a very drastic effect on their biggest financial investment. Through stories and real practical tips, he walks you through and through on just about everything pertaining to your older house. In these pages you'll discover: - How to Identify and slow down the aging process of your house - Ways to protect your house with some simple maintenance - How to successfully deal with contractors (including a way to save some money on renovation costs) - Things to know about choosing a good Real Estate Agent (things that you've probably never heard about) - How to deal with Potential buyers like you've done it a thousand times before. - much more... This is your house and it is your choice but not all choices will take you where you want to end up. If you want to take full control over your older house and not the other way around, this is the book for you. I Have the Right To - Chessy Prout 2019-03-05

"A bold, new voice." —People "A nuanced addition to the #MeToo conversation." —Vice A young survivor tells her searing, visceral story of sexual assault, justice, and healing in this gutwrenching memoir. The numbers are staggering: nearly one in five girls ages fourteen to seventeen have been the victim of a sexual assault or attempted sexual assault. This is the true story of one of those girls. In 2014, Chessy Prout was a freshman at St. Paul's School, a prestigious boarding school in New Hampshire, when a senior boy sexually assaulted her as part of a ritualized game of conquest. Chessy bravely reported her assault to the police and testified against her attacker in court. Then, in the face of unexpected backlash from her once-trusted school community, she shed her anonymity to help other survivors find their voice. This memoir is more than an account of a horrific event. It takes a magnifying glass to the institutions that turn a blind eye to such behavior and a society that blames victims rather than perpetrators. Chessy's story offers real, powerful solutions to upend rape culture as we know it today. Prepare to be inspired by this remarkable young woman and her story of survival, advocacy, and hope in the face of unspeakable trauma.

The Right to Privacy - Samuel Warren 2019-04-02

Military Recruiting in the United States - Pat Elder 2016-12-08

Military Recruiting in the United States provides a fearless and penetrating description of the deceptive practices of the U.S. military as it recruits American youth into the armed forces. Long-time antiwar activist Pat Elder exposes the underworld of American military recruiting in this explosive and consequential book. The book describes how recruiters manage to convince youth to enlist. It details a sophisticated psy-ops campaign directed at children. Elder describes how the military encourages first-person shooter games and places firearms into the hands of thousands using the schools, its JROTC programs, and the Civilian Marksmanship Program to inculcate youth with a reverence for guns. Previously unpublished investigative work reveals how indoor shooting ranges in schools are threatening the health of children and

school staff through exposure to lead particulate matter. The book provides a kind of "what's coming next manual" for European peacemakers as they also confront a rising tide of militarism. The book examines the disturbing, nurturing role of the Catholic Church in recruiting youth. It surveys the wholesale military censorship of Hollywood films, pervasive military testing in the high schools, and an explosion of military programs directed toward youth.
