La biblioteca ritrovata - Francesco Gnerre

2020-03-31

Con modalità diverse una cultura gay è sempre più diffusa, anche nei paesi dove sono ancora in vigore leggi esplicitamente omofobe e dove ancora i diritti non sono uguali per tutti. Grazie anche a Internet, ai social network, alla ridefinizione del matrimonio, alla diffusione di storie gay nella letteratura, nel cinema e nelle serie televisive, pregiudizi atavici sono in crisi ovunque e la questione gay è diventata ormai un importante parametro per valutare lo stato della democrazia e della modernità di un Paese. In Italia il tema è ancora problematico. Una ricca tradizione culturale gay esiste da sempre, ma non è riconosciuta come tale e non ha ancora un'adeguata legittimazione né nei libri di storia, né nella critica letteraria né nelle storie della

letteratura. Questo libro prova a farne una prima sistemazione presentando una guida ragionata alle opere e agli autori non solo italiani, europei e angloamericani, da quelli universalmente noti ad alcuni esordienti di talento, ma prendendo in considerazione anche voci che arrivano da paesi emergenti.

Argentina - 2012

The Clue of the New Pin - Edgar Wallace

2022-04-04

Jesse Trasmere is a penny-pinching miser with no faith in banks, instead he keeps his vast fortune in a locked vault at his fortress mansion. Rex Lander his dependant nephew is unhappy with his allowance but before he can talk to his uncle, Jesse rushes out of town on business. The story takes a dramatic turn when Jesse's body is uncovered inside the locked vault and all eyes fall on Rex. Typical of Wallace's work there is a splendid cast of brilliant supporting characters in this beautifully designed 'whodunnit'. With plenty of mystery, intrigue and subversion this book is perfect for anyone with a passion for mysteries or those of you who loved 'Knives Out'. Edgar Wallace (1875-1932) was an English writer, poet and journalist. He was such a prolific writer that his publisher claimed his work could account for a quarter of all books sold in England. He wrote countless books, screenplays, poems and historical non-fiction, spawning over one hundred and sixty films based on his work. He unfortunately passed

away suddenly before he could see his most famous creation 'King Kong' come to life. It has been adapted several times over the years, notably by Peter Jackson of Lord of the Rings fame, and more recently in 'Godzilla vs Kong' starring Millie Bobby Brown.

The Mixellany Guide to Vermouth & Other Aperitifs -

Emozioni in valigia - Annalisa Baldinelli
2020-05-11

Una valigia, un biglietto aereo, di una nave o di un treno, un po' di soldi e si parte! Si decide di impiegare il proprio tempo libero alla scoperta di qualcosa, di qualcuno, di qualche luogo, sempre comunque di sé stessi. Si parte da soli, in compagnia di amici, con il proprio partner, con la propria famiglia portando con sé un misto di adrenalina per la nuova avventura che si sta per vivere, di curiosità dell'ignoto e di incertezza su cosa ci aspetta. Si viaggia per mille motivi: per incontrarsi, per ricucire un rapporto, per dire "io c'ero", per fuggire dalla quotidianità, per il gusto della scoperta, per spirito di avventura, per lenire un dolore, per curiosità, per trovare qualcosa in cui credere, per avere conferme di ciò in cui si crede e per molto altro ancora. Si incontrano luoghi diversi da quelli a cui siamo abituati, si incontrano persone, si conoscono storie, culture, modi di vita, abitudini, suoni, odori, sapori. Si parte portando e lasciando un pezzetto di sé, per acquisire altro, partire per poi tornare diversi. Partire per poi tornare con qualche consapevolezza in più, con il gusto di essere riusciti a vincere qualche sfida personale, di aver incontrato persone che con le loro parole ed i loro sguardi hanno lasciato in noi una parte di loro e noi altrettanto, di essere riusciti a risolvere con le proprie forze qualche imprevisto, di essersi adattati a qualche piccolo grande disagio di fronte alle diversità, allenandoci così ad affrontare la vita. Mondi differenti che si incontrano e che si scambiano emozioni, sensazioni, informazioni, sguardi, sorrisi, paure, incertezze. Viaggiare non è solo scappare, fuggire dalla solita routine a volte soffocante, viaggiare è vivere, è attivare tutti e cinque i sensi, è mettere in primo piano tutte le emozioni che si vivono, sia positive, che negative. Aiuta a comprendere la vita, gli altri e più che mai te stesso. Per questo auguro a tutti i

bambini di oggi, agli adolescenti, ai ragazzi, alle donne e agli uomini di viaggiare, per poter crescere e scoprire sé stessi a qualsiasi età. Non ho la pretesa di redigere alcuna guida turistica, le librerie ne sono piene! Nessuna sponsorizzazione di un luogo, di un museo, di un ristorante, piuttosto che di un albergo, un'attività commerciale, semplicemente il desiderio di trasmettere emozioni, affinché quanti più possibili, rivolgano l'attenzione al viaggio che apre la mente, che permette il confronto, la riflessione, la conoscenza più profonda degli altri e di sé, che fa tornare "nuovi".

Gin - Davide Terziotti 2017-07-06

With everything from the top brands to the best recipes, this is the gin lover's perfect guide! Gin is the main ingredient in some of today's trendiest cocktails. This volume is entirely dedicated to the popular liquor—its history, its production, its various flavorings. Davide Terziotti, an expert in the field, provides profiles of 30 main brands, outlining their characteristics, aromas, and main botanicals. For each, he provides an ideal recipe, and the final section offers a selection of classic and innovative cocktails, with instructions on their preparation. Throughout, Fabio Petroni's splendid still lifes illustrate the masterly text.

Cocktail. Classici & esotici - 2007

Spritz - Talia Baiocchi 2016-03-15

A narrative-driven book on the surprising history and current revival of spritz cocktails (a wine-based drink served as an aperitif), with 50 recipes, including both historical classics and modern updates. From Milan to Los Angeles, Venice to New York, the spritz—Italy's bitter and bubbly aperitivo cocktail—has become synonymous with a leisurely, convivial golden hour. But the spritz is more than just an early evening cocktail—it's a style of drinking. In *Spritz*, Talia Baiocchi and Leslie Pariseau trace the drink's origins to ancient Rome, uncover its unlikely history and culture, explore the evolution of aperitivo throughout Northern Italy, and document the spritz's revival around the world. From regional classics to modern variations, *Spritz* includes dozens of recipes from some of America's most lauded bartenders, a guide to building a spritz bar, and a collection

of food recipes for classic Italian snacks to pair alongside.

Ferret Medicine and Surgery - Cathy Johnson-Delaney 2016-10-14

The text is currently the most up-to-date book on ferret medicine and as such, would be an important addition to the library of veterinary practices seeing these lively, curious and fun-loving pets. Aidan Raftery, *Veterinary Record* 17 March 2018 Ferrets are becoming increasingly popular as pets, rivalling rabbits as the third most favoured domestic pet after dogs and cats. *Ferret Medicine and Surgery* discusses the veterinary aspects of this incredible little creature. The book covers ferret medicine and common surgeries, providing a comprehensive reference for the veterinary practitioner. Each chapter of disorders is designed to be inclusive and includes cross references to other chapters throughout as well as some highlights of anatomy and physiology as a review. The format allows easy access to information providing answers to problems that arise in practice. Thoroughly illustrated with high-quality photographs and line drawings, the book is designed to provide quick, concise information of immediate use to the practitioner.

The Curious Barista's Guide to Coffee -

Tristan Stephenson 2015-03-12

The definitive guide to the extraordinary world of coffee from growing and roasting to brewing and serving the perfect cup. This is the ultimate guide to the history, science and cultural influence of coffee according to coffee aficionado and master storyteller Tristan Stephenson. You'll explore the origins of coffee, the rise of the coffee house and the evolution of the café before discovering the varieties of coffee, and the alchemy responsible for transforming a humble bean into the world's most popular drink. You'll learn how to roast coffee at home in the fascinating Roasting section before delving into the Science and Flavour of Coffee and finding out how sweetness, bitterness, acidity and aroma all come together. You'll then get to grips with grinding before learning about the history of the espresso machine and how to make the perfect espresso in the Espresso chapter. Discover how espresso and milk are a match made in heaven, yielding such treasures as the Latte, Cappuccino, Flat white and Macchiato;

you'll also find out how to pour your own Latte art. Other Brewing Methods features step-by-step guides to classic brewing techniques to bring the coffee to your table, from a Moka pot and a French press to Aeropress and Siphon brewing. Finally, why not treat yourself to one of Tristan's expertly concocted recipes. From an Espresso Martini to a Pumpkin Spice Latte and Coffee Liqueur to Butter Coffee, this really is the essential anthology for the coffee enthusiast.

Eating the Other - Simona Stano 2015-09-04

Food represents an unalienable component of everyday life, encompassing different spheres and moments. What is more, in contemporary societies, migration, travel, and communication incessantly expose local food identities to global food alterities, activating interesting processes of transformation that continuously reshape and redefine such identities and alterities. Ethnic restaurants fill up the streets we walk, while in many city markets and supermarkets local products are increasingly complemented with spices, vegetables, and other foods required for the preparation of exotic dishes. Mass and new media constantly provide exposure to previously unknown foods, while "fusion cuisines" have become increasingly popular all over the world. But what happens to food and food-related habits, practices, and meanings when they are carried from one foodsphere to another? What are the main elements involved in such dynamics? And which theoretical and methodological approaches can help in understanding such processes? These are the main issues addressed by this book, which explores both the functioning logics and the tangible effects of one of the most important characteristics of present-day societies: eating the Other.

The Collector - Sergio Toppi 2014-10-14

Far from the auction halls of the elite, *The Collector* seeks out rare and mysterious artifacts across the world. At home in the salons of Paris as he is in the jungles of Borneo, *The Collector* is a man who has dedicated his life to finding objects very special and almost unknown, which tracks through his research in a variety of locations. But beware, a man who comes into possession of such items does not hesitate to use any means without scruple. Set against the backdrop of late 19th-century colonialism, *The*

Collector is a delightful, swashbuckling adventure by a master of European comic books - Sergio Toppi!

Peaky Blinders Cocktail Book - Sandrine Houdre-Gregoire 2020-09

Peaky Blinders Cocktail Book serves up 40 step-by-step cocktail recipes inspired by the critically acclaimed BBC period crime drama.

The Songlines - Bruce Chatwin 2016-10-18

International Bestseller: The famed travel writer and author of *In Patagonia* traverses Australia, exploring Aboriginal culture and song—and humanity's origins. Long ago, the creators wandered Australia and sang the landscape into being, naming every rock, tree, and watering hole in the great desert. Those songs were passed down to the Aboriginals, and for centuries they have served not only as a shared heritage but as a living map. Sing the right song, and it can guide you across the desert. Lose the words, and you will die. Into this landscape steps Bruce Chatwin, the greatest travel writer of his generation, who comes to Australia to learn these songs. A born wanderer, whose lust for adventure has carried him to the farthest reaches of the globe, Chatwin is entranced by the cultural heritage of the Aboriginals. As he struggles to find the deepest meaning of these ancient, living songs, he is forced to embark on a much more difficult journey—through his own history—to reckon with the nature of language itself. Part travelogue, part memoir, part novel, *The Songlines* is one of Bruce Chatwin's final—and most ambitious—works. From the author of the bestselling *In Patagonia* and *On the Black Hill*, a sweeping exploration of a landscape, a people, and one man's history, it is the sort of book that changes the reader forever. This ebook features an illustrated biography of Bruce Chatwin including rare images and never-before-seen documents from the author's estate.

I cocktail mondiali - Federico Mastellari
2021-04-08T02:00:00+02:00

La selezione dei migliori cocktail di sempre. Storia, ricette, segreti: i 130 classici e contemporanei più apprezzati e richiesti, raccontati da Federico Mastellari. Il volume è diviso in due parti. La prima contiene una breve panoramica storica sull'evoluzione del cocktail, dove sono toccati i principali periodi, i bartender e i fattori che ne hanno decretato la sua

diffusione, seguita dalle descrizioni chiare e schematiche che trattano i prodotti alcolici e gli altri ingredienti, le attrezzature, i bicchieri, le tecniche di costruzione dei cocktail e le preparazioni "home made" dalle materie prime. La seconda parte è il cuore del libro: per ogni cocktail è presente una scheda descrittiva, corredata di foto del drink, con nozioni storiche, la ricetta ufficiale IBA, la ricetta con i prodotti e i bilanciamenti suggeriti dall'autore, la descrizione della preparazione e i consigli da non perdere, il tenore alcolico e il sapore. Un libro per amatori e professionisti in linea con gli standard del bartending attuale e arricchito dal servizio fotografico curato da Felix Reed, nell'elenco dei 200 migliori fotografi pubblicitari al mondo.

[IBA 2020. The New Cocktails. The Official List](#) - Luigi Manzo 2020

Canada occidentale - Karla Zimmerman 2008

[Straub's Manual of Mixed Drinks](#) - Jacques Straub 1913

[The Neotropical Polymorphic Earless Praying Mantis](#) - Julio Rivera 2020-05-18

Recent phylogenetic studies on evolutionary relationships within the Acanthoidea, known as "polymorphic earless praying mantises," revealed numerous issues with the taxonomic status and morphological boundaries of many genera and species within this superfamily. The authors of this monograph present a thorough morphological assessment based on museum specimens and reexamination of type material, aimed toward redefining the morphological delineation of all Acanthoidea genera, verifying the generic identity of all nominal species within the superfamily, and establishing taxonomic and nomenclatural foundations for future revisionary studies of acanthopoid genera. Their work resulted in numerous modifications in the taxonomy of this lineage, including the description of a new genus.

Libro/ricettario contenente molte ricette, con le dosi i procedimenti e storia di molti cocktail famosi e non solo. Potrà essere utile per implementare le vostre drink list oppure come supporto per le vostre serate tra amici, dove potrete servire ottimi cocktail.

The Journeyer - Gary Jennings 2010-03-02
Marco Polo was nicknamed "Marco of the millions" because his Venetian countrymen took the grandiose stories of his travels to be exaggerated, if not outright lies. As he lay dying,

his priest, family, and friends offered him a last chance to confess his mendacity, and Marco, it is said, replied "I have not told the half of what I saw and did." Now, in his new novel *The Journeyer*, Gary Jennings has imagined the half that Marco left unsaid as even more elaborate and adventurous than the tall tales thought to be lies. From the palazzi and back streets of medieval Venice to the sumptuous court of Kublai Khan, from the perfumed sexuality of the Levant to the dangers and rigors of travel along the Silk Road, Marco meets all manner of people, survives all manner of danger, and, insatiably curious, becomes an almost compulsive collector of customs, languages and women. In more than two decades of travel, Marco was variously a merchant, a warrior, a lover, a spy, even a tax collector - but always a journeyer, unflagging in his appetite for new experiences, regretting only what he missed. Here - recreated and reimagined with all the splendor, the love of adventure, the zest for the rare and curious that are Jennings's hallmarks - is the epic account, at once magnificent and delightful, of the greatest real-life adventurer in human history. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Loss and the Other in the Visionary Work of Anna Maria Ortese - Vilma De Gasperin 2014-03

Combines theme and genre analysis in a study of the Italian author, from her first literary writings in the 1930s to her novels in the 1990s.

The Importance of Biological Interactions in the Study of Biodiversity - Jordi López-Pujol 2011-09-22

The term biodiversity defines not only all the variety of life in the Earth but also their complex interactions. Under the current scenario of biodiversity loss, and in order to preserve it, it is essential to achieve a deep understanding on all the aspects related to the biological interactions, including their functioning and significance. This volume contains several contributions (nineteen in total) that illustrate the state of the art of the academic research in the field of biological interactions in its widest sense; that is, not only the interactions between living organisms are considered, but also those between living organisms and abiotic elements of the

Downloaded from

environment as well as those between living organisms and the humans.

Venice and the Slavs - Larry Wolff 2001

This book studies the nature of Venetian rule over the Slavs of Dalmatia during the eighteenth century, focusing on the cultural elaboration of an ideology of empire that was based on a civilizing mission toward the Slavs. The book argues that the Enlightenment within the [Adriatic Empire] of Venice was deeply concerned with exploring the economic and social dimensions of backwardness in Dalmatia, in accordance with the evolving distinction between [Western Europe] and [Eastern Europe] across the continent. It further argues that the primitivism attributed to Dalmatians by the Venetian Enlightenment was fundamental to the European intellectual discovery of the Slavs. The book begins by discussing Venetian literary perspectives on Dalmatia, notably the drama of Carlo Goldoni and the memoirs of Carlo Gozzi. It then studies the work that brought the subject of Dalmatia to the attention of the European Enlightenment: the travel account of the Paduan philosopher Alberto Fortis, which was translated from Italian into English, French, and German. The next two chapters focus on the Dalmatian inland mountain people called the Morlacchi, famous as [savages] throughout Europe in the eighteenth century. The Morlacchi are considered first as a concern of Venetian administration and then in relation to the problem of the [noble savage], anthropologically studied and poetically celebrated. The book then describes the meeting of these administrative and philosophical discourses concerning Dalmatia during the final decades of the Venetian Republic. It concludes by assessing the legacy of the Venetian Enlightenment for later perspectives on Dalmatia and the South Slavs from Napoleonic Illyria to twentieth-century Yugoslavia.

Dublino - Fionn Davenport

2022-03-31T00:00:00+02:00

"Capitale piccola ma di grande fama, Dublino non vi deluderà grazie al mix di storia e divertimento. Tutto ciò che dovete fare è andarci." In questa guida: i luoghi da non perdere, gite di un giorno ai siti storici, viaggiare con i bambini, storia e architettura.

[The Oxford Companion to American Food and](#)

Drink - Andrew F. Smith 2007-05

A panoramic history of the culinary traditions, culture, and evolution of American food and drink features nearly one thousand entries, essays, and articles on such topics as fast food, celebrity chefs, regional and ethnic cuisine, social and cultural food history, food science, and more, along with hundreds of photographs and lists of food museums, Web sites, festivals, and organizations.

Linda Goodman's Sun Signs - Linda Goodman 2014-01-09

The New York Times–bestselling author’s classic guide to astrology: “What makes Sun Signs different is that much of the writing is done with humor” (The Boston Globe). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman’s Sun Signs changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman’s Sun Signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book’s simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign. This updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today.

Animal Kingdom of Heaven - Ingo Schaaf 2019-09-23

Millennium transcends boundaries - between epochs and regions, and between disciplines. Like the Millennium-Jahrbuch, the journal Millennium-Studien pursues an international, interdisciplinary approach that cuts across historical eras. Composed of scholars from various disciplines, the editorial and advisory boards welcome submissions from a range of fields, including history, literary studies, art history, theology, and philosophy. Millennium-Studien also accepts manuscripts on Latin, Greek, and Oriental cultures. In addition to offering a forum for monographs and edited collections on diverse topics, Millennium-Studien publishes commentaries and editions. The journal primarily accepts publications in German and English, but also considers submissions in

French, Italian, and Spanish. If you want to submit a manuscript please send it to the editor from the most relevant discipline: Wolfram Brandes, Frankfurt (Byzantine Studies and Early Middle Ages): brandes@rg.mpg.de Peter von Möllendorff, Gießen (Greek language and literature): peter.v.moellendorff@klassphil.uni-giessen.de Dennis Pausch, Dresden (Latin language and literature): dennis.pausch@tu-dresden.de Rene Pfeilschifter, Würzburg (Ancient History): Rene.Pfeilschifter@uni-wuerzburg.de Karla Pollmann, Bristol (Early Christianity and Patristics): K.F.L.Pollmann@bristol.ac.uk All manuscript submissions will be reviewed by the editor and one outside specialist (single-blind peer review).

Gin & Tonic - Frédéric Du Bois 2015-08-20

Gin & tonic, the long drink of the 80's, is hipper than ever. Cocktail bars and restaurants are creating astonishingly varied gin menus, and the present trend in the flourishing market is a mark of this true revival. Gin is in.

1001 quiz sulla filosofia - Francesco Pastorelli
2022-11-11

Centinaia di domande e risposte per gli amanti del sapere Filosofia è una parola di origine greca che vuol dire "amore per il sapere". Per sua natura indaga, domanda, chiarisce e riflette in un'infaticabile ricerca della verità: un percorso unico a più voci che si snoda attraverso i millenni. Conoscere quello che hanno detto e pensato i filosofi prima di noi sulle grandi questioni (dalla vita alla morte, da Dio all'arte) è

possibile attraverso centinaia di domande, che stimolano la curiosità e il ragionamento. Risposta dopo risposta, ci si accorge di avere intrapreso un viaggio affascinante nell'evoluzione del pensiero, che offre prospettive sempre nuove per guardare la realtà da diverse angolazioni. Il capitolo finale, inoltre, è un invito a ragionare in prima persona, mettendosi nei panni dei grandi filosofi per interpretare il cosmo e rispondere agli interrogativi che hanno affascinato generazioni di pensatori. Sarà sorprendente scoprire come, a prescindere dal numero di risposte corrette, si può imparare a ragionare con metodo, seguendo l'esempio dei grandi pensatori. La filosofia è viva e gode di ottima salute Perché Socrate scelse volontariamente di non scrivere niente? Quale particolare metodo pedagogico utilizzava Seneca con il giovane imperatore Nerone? A cosa era riferito il soprannome "Platone" dato al filosofo Aristocle dal suo maestro di ginnastica? Chi tra Sartre, Spinoza, Rousseau e Wittgenstein al momento della pubblicazione del suo capolavoro viveva dello stipendio da maestro? Mettiti alla prova insieme ai grandi maestri del pensiero Francesco Pastorelli Nato a Taranto nel 1977, ha studiato Filosofia alla Scuola Normale Superiore di Pisa, dove ha conseguito anche il dottorato in Discipline filosofiche. A Torino ha insegnato per un anno in un liceo e attualmente lavora nell'editoria scolastica. Ha pubblicato, nel corso degli anni, alcuni articoli scientifici e vari racconti.
