*Critical Perspectives on Harry Potter* - Elizabeth E. Heilman 2008-09  
This thoroughly revised edition includes updated essays on cultural themes and literary analysis, and its new essays analyze the full scope of the seven-book series as both pop cultural phenomenon and as a set of literary texts. *Critical Perspectives on Harry Potter, Second Edition* draws on a wider range of intellectual traditions to explore the texts, including moral-theological analysis, psychoanalytic perspectives, and philosophy of technology. The Harry Potter novels engage the social, cultural, and psychological preoccupations of our times, and *Critical Perspectives on Harry Potter, Second Edition* examines these worlds of consciousness and culture, ultimately revealing how modern anxieties and fixations are reflected in these powerful texts. ("DISCLAIMER: This book is not authorized, approved, licensed, or endorsed by J.K. Rowling, Warner Bros. Entertainment Inc., or anyone associated with the Harry Potter books or movies.")

*Harry Potter* - Bob McCabe 2011

**Harry Potter and the Cursed Child** - J. K. Rowling 2017-07-25

The official playscript of the original West End production of Harry

Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

**Harry Potter Page to Screen: Updated Edition** - Bob McCabe  
2018-11-13

Harry Potter Page to Screen: Revised and Expanded now has more pages devoted to the legacy of the Harry Potter films. In addition to the complete history of all eight Harry Potter films, the book now explores the theme parks in Florida, California and Japan, the sets and props in Leavesden, England and the House of MinaLima, founded by the graphic designers on all of the films, and located in London. With 1200 photographs, sketches, and diagrams, the book provides unbridled access to every aspect of the film-making process. It tells the stories behind each individual film and covers the design and technology behind all the astounding effects. This book pays homage to how one film became eight, how a few months became a decade, and how one author's

fantasy became the project of many individuals' lifetimes-told by the people who were there, the people who made the magic real. Harry Potter Page to Screen: Revised and Expanded will start from the very beginning, describing how the book was optioned, the casting of Harry, Ron and Hermione, and the assembling of a creative team with the vision to tackle a world we had previously seen only in our imaginations. Interviews, quotes, and stories from the directors, producers, screenwriters, and actors discuss the making of all eight films at length, including the last film, film number 8, Harry Potter and the Deathly Hallows, Part 2. Daniel Radcliffe and his personal narrative from set to set is used as the life line that connects all aspects of this memoir, giving structure to the many voices of the Harry Potter family who orate this tale. All of the movies were filmed at the Leavesden Studio in Hertfordshire, England and these pages describe how the Leavesden family dealt with numerous cast, crew, and production dramas, replacements, technical difficulties and countless narrative and visual decisions. This book will touch on subjects such as J.K. Rowling's private comments to her young cast, the impact of Richard Harris' (the original Dumbledore) death on the cast and crew, the effects of 9/11 on the Leavesden family (during the filming of Harry Potter and the Chamber of Secrets), the reality of "growing up Potter" for the young starlets who experienced their adolescence on a hugely public stage, and reflections from the cast and crew on the end of the film series. In addition to stories on and off set, Harry Potter Page to Screen: Revised and Expanded pays tribute to the stunning physical, visual and technological genius that went into making an unbelievable story believable, showcasing more than a decade's worth of art and special effects, including never-before-seen photos of the costumes, sets, props, and creatures, as well as early concept art, drawings and designs. The book is fully supported by Warner Bros. and is being put together with the same group as Harry Potter Film Wizardry: The Updated Edition. While Film Wizardry provided a whimsical and informative scrapbook for Harry Potter fans and was published prior to the release of the last film, this mammoth book gives readers a more complete account of the entire film-making

process, designed in a more classical, sophisticated package. Harry Potter Page to Screen: Revised and Expanded is a publishing event. This book is the Bible for everything Potter and will stand as the most complete and final visual history of the Harry Potter movie story ever to be published.

**Harry Potter Film Wizardry: Updated Edition** - Brian Sibley 2018-11-13

New York Times bestselling Harry Potter Film Wizardry was the first book to delve into the fascinating and intriguing world of an enormously successful film franchise. The book features interviews with cast members, including: Daniel Radcliffe (Harry Potter), Emma Watson (Hermione Granger), Rupert Grint (Ron Weasley), and Alan Rickman (Severus Snape), as well as exclusive behind-the-scenes stories from the producer on all eight films, David Heyman, director David Yates, and production designer Stuart Craig. In this new, updated edition, readers will now be able to explore all eight of the films. This revised edition will include additional pages about the final two film installments and also feature a large blueprint of the layout of Hogwarts and a Ministry of Magic poster warning against Death Eaters. The interior features high-quality, close-up pictures of the props, sets, costumes, and special effects that bring depth to Harry's world. It is loaded with never-before-seen concept art and photos from Dumbledore's embroidered robes to the sets of Diagon Alley. The book will answer questions such as: How was Dobby created? How was Hedwig trained? How did the filmmakers bring the game of Quidditch to the big screen? In short: How does the movie magic happen? It will go beyond the usual moviemaking books by offering reproductions of production memos, notes from filmmakers, cast interviews, and fabulous bells and whistles, providing a truly interactive reading experience.
