Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, *To Paradise*, coming in January 2022.

*The Bilingual Text* - Jan Walsh Hokenson

2014-06-03

Bilingual texts have been left outside the mainstream of both translation theory and literary history. Yet the tradition of the bilingual writer, moving between different sign systems and audiences to create a text in two languages,

is a rich and venerable one, going back at least to the Middle Ages. The self-translated, bilingual text was commonplace in the multilingual world of medieval and early modern Europe, frequently bridging Latin and the vernaculars. While self-translation persisted among cultured elites, it diminished during the consolidation of the nation-states, in the long era of nationalistic monolingualism, only to resurge in the postcolonial era. *The Bilingual Text* makes a first step toward providing the fields of translation studies and comparative literature with a comprehensive account of literary self-translation in the West. It tracks the shifting paradigms of bilinguality across the centuries and addresses the urgent questions that the bilingual text raises for translation theorists today: Is each part of the bilingual text a separate, original creation or is each incomplete without the other? Is self-translation a unique genre? Can either version be split off into a single language or literary tradition? How can

two linguistic versions of a text be fitted into standard models of foreign and domestic texts and cultures? Because such texts defeat standard categories of analysis, *The Bilingual Text* reverses the usual critical gaze, highlighting not dissimilarities but continuities across versions, allowing for dissimilarities within orders of correspondence, and englobing the literary as well as linguistic and cultural dimensions of the text. Emphasizing the arcs of historical change in concepts of language and translation that inform each case study, *The Bilingual Text* examines the perdurance of this phenomenon in Western societies and literatures.

**Bi- and multilingual universities: European perspectives and beyond** - Daniela Veronesi 2009

This collection of the proceedings of the 3rd conference on bi- and multilingual universities, held at the Free University of Bozen-Bolzano from 20 to 22 September 2007, tries to give a

state-of-the-art insight into theoretical and practical approaches towards implementing bi- and multilingual models and policies in higher education institutions in various parts of the world.

**Children's Literature in China: From Lu Xun to Mao Zedong** - Mary Ann Farquhar 2015-04-22

This book introduces the major works and debates in Chinese children's literature within the framework of China's revolution and modernization. It demonstrates that the guiding rationale in children's literature was the political importance of children as the nation's future.

**Tristano Dies** - Antonio Tabucchi 2015-11-10

It is a sultry August at the very end of the twentieth century, and Tristano is dying. A hero of the Italian Resistance, Tristano has called a writer to his bedside to listen to his life story, though, really, "you don't tell a life...you live a life, and while you're living it, it's already lost, has slipped away." Tristano Dies, one of Antonio

**Morgante** - Luigi Pulci 2000

A classic picaresque epic detailing the thrilling exploits of Orlando, Morgante is a tale of war and of the calamities that befall the romantic hero, his fellow knights, and their sovereign, Charlemagne. After encountering the fierce Morgante, Orlando converts the giant, who then becomes his squire and trusted companion. This annotated English translation will lead to a new appreciation of Luigi Pulci's singular epic masterpiece and contribute to a reassessment of the author's influence on modern English literature.

*Creative Eloquence* - Ingo Gildenhard 2011

This is a study of the orations of the Roman statesman Cicero. Ingo Gildenhard does not treat them simply as models of eloquence, as

previous critics have done, but as repositories for Cicero's most profound thinking on perennial questions as the ethics of happiness, the notion of conscience, and the problem of divine justice.

*The Edge of the Horizon* - Antonio Tabucchi

2015-08-27

New Directions is proud to be the publisher of the the distinguished Italian novelist Antonio Tabucchi, whose works include *The Edge of the Horizon*, a story of an "unimportant death," now available for the first time in a paperback edition. Late on night, the body of a young man is delivered to the morgue of an Italian town.

The next day's newspapers report that he was killed in a police raid, and that went by the obviously false name "Carlo Nobodi." Spino, the morgue attendant on duty at the time, becomes obsessed with tracing the identity of the corpse. "Why do you want to know about him?" asks a local priest. "Because he is dead and I'm alive," replies Spino. In this spare yet densely packed cautionary tale, Tabucchi reminds us that it is impossible to reach the edge of the horizon since it always recedes before us, but suggests that some people "carry the horizon with them in their eyes."

### **The Fox and the Stork** - 2012-12-01

This book is suitable for children age 4 and above. "The Fox and the Stork" is a story about a stork that goes to a fox's house for dinner. The fox decides to make fun of a stork by treating it to a plate of soup. The stork is unable to drink the soup and leaves the fox's house hungry. The stork decides to teach the fox a lesson. The next day when the fox goes to the stork's house for

dinner, the stork treats the fox to a tall jar of soup. The fox goes home hungry and realises its mistake.

The teenage fan who finds him keeps the rock star for himself for the night. Mishaps and adventures follow. This one could be a musical: Singin' in the Brain. Josh Levin is an aspiring screenwriter teaching ESL classes in Chicago. His laptop is full of ideas, but the only one to really take root is Zombie Wars. When Josh comes home to discover his landlord, an unhinged army vet, rifling through his dirty laundry, he decides to move in with his girlfriend, Kimmy. It's domestic bliss for a moment, but Josh becomes entangled with a student, a Bosnian woman named Ana, whose husband is jealous and violent. Disaster ensues, and as Josh's choices move from silly to profoundly absurd, The Making of Zombie Wars takes on real consequence.

Sun of Suns - Karl Schroeder 2007-07-31

In Karl Schroeder's sci-fi thriller, Hayden Griffin has come to the city of Rush with one thing in mind: to take murderous revenge for his parents' deaths. It is the distant future. The world known

as Virga is a fullerene balloon three thousand kilometers in diameter, filled with air, water, and aimlessly floating chunks of rock. The humans who live in this vast environment must build their own fusion suns and "towns" that are in the shape of enormous wood and rope wheels that are spun for gravity. Young, fit, bitter, and friendless, Hayden Griffin is a very dangerous man. He's come to the city of Rush in the nation of Slipstream with one thing in mind: to take murderous revenge for the deaths of his parents six years ago. His target is Admiral Chaison Fanning, head of the fleet of Slipstream, which conquered Hayden's nation of Aerie years ago. And the fact that Hayden's spent his adolescence living with pirates doesn't bode well for Fanning's chances . . . **Flying Creatures of Fra Angelico** - Antonio Tabucchi 2012-10-16

Hypochondria, insomnia, restlessness, and yearning are the lame muses of these brief pages. I would have liked to call them Extravaganzas . . . because many of them wander about in a strange outside that has no inside, like drifting splinters. . . . Alien to any orbit, I have the impression they navigate in familiar spaces whose geometry nevertheless remains a mystery; let's say domestic thickets: the interstitial zones of our daily having to be, or bumps on the surface of existence . . . In them, in the form of quasi-stories, are the murmurings and mutterings that have accompanied and still accompany me: outbursts, moods, little ecstasies, real or presumed emotions, grudges, and regrets. —Antonio Tabucchi on *The Flying Creatures of Fra Angelico* From the Trade Paperback edition.

*Message In A Bottle* - Nicholas Sparks  
2011-04-07

In a moment of desolation on a windswept beach, Garrett bottles his words of undying love for a lost woman, and throws them to the sea. My dearest Catherine, I miss you my darling, as I always do, but today is particularly hard because the ocean has been singing to me, and the song is that of our life together . . . But the bottle is picked up by Theresa, a mother with a shattered past, who feels unaccountably drawn to this lonely man. Who are this couple? What is their story? Beginning a search that will take her to a sunlit coastal town and an unexpected confrontation, it is a tale that resonates with everlasting love and the enduring promise of redemption.

immagini di un mondo apparentemente immobile e arcaico si alternano alle vicende di una realtà storica complessa e tormentata, nel cui magma vecchio e nuovo si scontrano e si fondono. This collection of poems and anonymous folktales in the Molisan dialect traces the unfolding of two stories which, although distinct, interweave and complete each other: the author's individual story and the story of a town in the South of Italy. The images of an apparently immobile and archaic world alternate with the events of a complex and tormented historical reality, in whose magma the new and the old clash and fuse."

**General Theory of the Precariat** - Alex Foti  
2017-10-12

From the fast-food industry to the sharing economy, precarious work has become the norm in contemporary capitalism, like the anti-globalization movement predicted it would. This book describes how the precariat came into being under neoliberalism and how it has

radicalized in response to crisis and austerity. It investigates the political economy of precarity and the historical sociology of the precariat, and discusses movements of precarious youth against oligopoly and oligarchy in Europe, America, and East Asia.

**Twilight** - Stephenie Meyer 2007-07-18

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, *Twilight* captures the struggle

between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times  
*Frequency, Forms and Functions of Cleft Constructions in Romance and Germanic* - Anna-Maria De Cesare 2014-11-10

Finding Metaphor in Grammar and Usage -

Gerard J. Steen 2007-11-14

Cognitive linguists have proposed that metaphor is not just a matter of language but of thought, and that metaphorical thought displays a high degree of conventionalization. In order to produce converging evidence for this theory of metaphor, a wide range of data is currently being studied with a large array of methods and techniques. *Finding Metaphor in Grammar and Usage* aims to map the field of this development in theory and research from a methodological perspective. It raises the question when exactly evidence for metaphor in language and thought can be said to count as converging. It also goes into the various stages of producing such evidence (conceptualization, operationalization, data collection and analysis, and interpretation).

The book offers systematic discussion of eight distinct areas of metaphor research that emerge as a result of approaching metaphor as part of grammar or usage, language or thought, and symbolic structure or cognitive process.

Those Who from Afar Look Like Flies - Luigi Ballerini 2017-08-28

Those Who from Afar Look Like Flies is an anthology of poems and essays that aims to provide an organic profile of the evolution of Italian poetry after World War II. Beginning with the birth of *Officina* and *Il Verri*, and culminating with the crisis of the mid-seventies, this tome features works by such poets as Pasolini, Pagliarani, Rosselli, Sanguineti and Zanzotto, as well as such forerunners as Villa and Cacciatore. Each section of this anthology, organized chronologically, is preceded by an introductory

note and documents every stylistic or substantial change in the poetics of a group or individual. For each poet, critic, and translator a short biography and bibliography is also provided.

**Breaking Dawn** - Stephenie Meyer 2008-08-02  
In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by

**The Italian Literature of the Axis War** - Guido Bartolini 2021-05-13

This book investigates the representation of the Axis War - the wars of aggression that Fascist Italy fought in North Africa, Greece, the Soviet Union, and the Balkans, from 1940 to 1943 - in three decades of Italian literature. Building on an innovative and interdisciplinary methodology, which combines memory studies, historiography, thematic criticism, and narratology, this book explores the main topoi, themes, and masterplots of an extensive corpus of novels and memoirs to assess the contribution of literature to the reshaping of Italian memory and identity after the end of Fascism. By exploring the influence that public memory exercises on literary depictions and, in return, the

contribution of literary texts to the formation and dissemination of a discourse about the past, the book examines to what extent Italian literature helped readers form an ethical awareness of the crimes committed by members of their national community during World War II.

**A Winter Walk** - Henry David Thoreau 2018-07  
A Winter Walk Henry David Thoreau New England transcendentalist Henry David Thoreau's 1843 essay "A Winter Walk" is a loving celebration of winter and walking. Thoreau vividly renders the winter season, writing of its sparkling beauty, its purity, and its stillness, and perfectly describing the warmth, coziness, and cheer to be found back at the home hearth. This short work is part of Applewood's "American Roots," series, tactile mementos of American passions by some of America's most famous writers. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore

have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

**Writing and Performing Female Identity in Italian Culture** - Virginia Picchiotti 2017-01-28  
This volume investigates the ways in which Italian women writers, filmmakers, and performers have represented female identity across genres from the immediate post-World

War II period to the turn of the twenty-first century. Considering genres such as prose, poetry, drama, and film, these essays examine the vision of female agency and self-actualization arising from women artists' critique of female identity. This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years, while also providing a deep investigation of the manipulation of canvases historically centered on the male subject. With its unique coupling of generic and thematic concerns, the volume contributes to the ever expanding female artistic legacy, and to our understanding of postwar Italian women's evolving relationship to the narration of history, gender roles, and these artists' use and revision of generic convention to communicate their vision.

*Sprezzatura* - Peter D'Epiro 2007-12-18
