*The Commissariat of*

*Enlightenment* - Ken Kalfus

2004-02-03

Russia, 1910. Leo Tolstoy lies

dying in Astapovo, a remote

railway station. Members of

the press from around the

world have descended upon

this sleepy hamlet to record his

passing for a public suddenly

ravenous for celebrity news.

They have been joined by a film

company whose

cinematographer, Nikolai

Gribshin, is capturing the

extraordinary scene and

learning how to wield his

camera as a political tool. At this historic moment he comes across two men -- the scientist, Professor Vorobev, and the revolutionist, Joseph Stalin -- who have radical, mysterious plans for the future. Soon they will accompany him on a long, cold march through an era of brutality and absurdity. The Commissariat of Enlightenment is a mesmerizing novel of ideas that brilliantly links the tragedy and comedy of the Russian Revolution with the global empire of images that occupies our imaginations today.

**Brando's Smile: His Life, Thought, and Work** - Susan L. Mizruchi 2014-06-23

A groundbreaking work that reveals how Marlon Brando shaped his legacy in art and life. When people think about Marlon Brando, they think of the movie star, the hunk, the scandals. In Brando's Smile, Susan L. Mizruchi reveals the Brando others have missed: the man who collected four thousand books; the man who rewrote scripts, trimming his lines to make them sharper; the man who consciously used his body and employed the objects around him to create believable characters; the man who loved Emily Dickinson's poetry. To write this biography, Mizruchi gained unprecedented access to a vast number of annotated books from Brando's library, hand-

edited copies of screenplays, private letters, and recorded interviews that have never before been quoted in a biography. Original interviews with some of the still-living players from Brando's life, including Ellen Adler, his one-time girlfriend and the daughter of his acting teacher Stella Adler, provide even deeper insight into the complex person whose intelligence belied the high-school dropout. Mizruchi shows how Brando's embrace of foreign cultures and social outsiders led to his brilliant performances in unusual roles—a gay man, an Asian, a German soldier—to test himself and to foster empathy on a global scale. We also meet the political Brando: the civil rights activist, the close friend of James Baldwin, the actor who declined his Oscar to support Indian rights. More than seventy stunning—and many rare—photographs of Marlon Brando illuminate this portrait of the man who has left an astounding cultural legacy.

**Today (edizione italiana)** - RJ Scott 2020-03-03

Quando il mondo ti etichetta e ti giudica senza conoscerti, sarà possibile trovare l'amore? Il vigile del fuoco Eric è in prima linea insieme alla sua squadra contro gli incendi che minacciano la California. Determinato e calmo persino nelle situazioni più difficili, Eric nutre una vera e propria adorazione per la sua camionetta, ama il suo lavoro e

può contare su due amici che gli guardano sempre le spalle. L'unica cosa che gli manca è l'amore, e giorno dopo giorno sembra sempre più difficile trovarlo. Al matrimonio del suo migliore amico, però, Eric si invaghisce a prima vista del timido Brady, anche se il bel ragazzo snello è molto diverso dal tipo di uomo che in genere attira la sua attenzione. Eric cerca un partner capace di contenerlo a letto, non qualcuno più piccolo di lui che magari vuole fargli interpretare la parte dell'eroe forte e indomito ogni volta che fanno sesso. Vuole un compagno con cui potersi mostrare vulnerabile, qualcuno che lo ami per il suo cuore e i suoi modi gentili. La vita di Brady subisce un ribaltamento totale nel momento in cui i nipoti perdono i genitori in un tragico incidente e lui si ritrova, di punto in bianco, papà di due ragazzini. Finora la sua esistenza è stata governata dalla DCD, ma nella sua nuova situazione Brady combatte sia il Disordine dello sviluppo della coordinazione sia le paure che

lo aggrediscono ogni giorno, pur di assicurare a Maddie e Lucas una casa. La decisione di partecipare al matrimonio di un amico non è scevra da rimpianti, ma Brady rifiuta di arrendersi alla paura, anche se teme di poter fare qualcosa che lo renderebbe lo zimbello della festa. Quando incontra Eric, grande e grosso ma con la voce gentile e una cortesia antica, non tarda a innamorarsene. Se solo riuscisse a convincersi che il bel pompiere possa davvero desiderare qualcuno come lui, allora il suo sogno d'amore potrebbe realizzarsi.

My Mother-in-Law Drinks -  
Diego De Silva 2014-12-04  
He makes you laugh, though  
you can never be quite sure  
why. He's affable enough, of  
course, but it's not so much  
that. He is both a kind of  
halfwit and a genius, flippant  
and profound, chaotic and yet  
possessed of a Zen-like calm.  
He's easily distracted but tends  
to hound-dog every thought  
until he has it by the throat.  
His conversation is labyrinthine  
but he is capable of moments  
of blinding lucidity. The thing  
is, you can't help but love him.  
He is Vincenzo Malinconico, an  
underemployed lawyer whose  
wife has sort of left him ("he's  
the kind of man you marry not  
once but twice, and leave both

times"), whose teenage  
children worry him to death,  
and whose profession mostly  
consists in appearing as if he  
has one. In this sequel to *I  
Hadn't Understood*, a  
Neapolitan mafia boss has been  
kidnapped by a mild-mannered  
computer engineer who holds  
the camorrista responsible for  
the accidental death of his son.  
The engineer plans to conduct  
an impromptu trial on live  
television during which he will  
list the various crimes of the  
accused, sentencing him before  
a captivated national audience  
and executing him accordingly.  
The standoff between law  
enforcement officers and the  
kidnapper becomes a tragi-  
comic reality show. The only  
hope of a happy ending rests  
with Vincenzo Malinconico,  
Neapolitan lawyer, poster-child  
for the proverbial mid-life  
crisis, and inveterate flâneur.  
He hardly has a reputation for  
decisiveness, but now is called  
upon to play a decisive role in  
resolving this drama in course  
with, hopefully, no loss of life,  
his own included.

Barking is more than just noise. Barking is natural and almost all dogs bark. It is one of the many ways dogs communicate with each other as well as with humans. In this

book, author Turid Rugaas, well known for her work on identifying and utilizing canine calming signals, turns her attention to understanding and managing barking behavior. Think of barking as your dogs language. By learning to identify what your dog is expressing when he barks, you can take steps to minimize their negative effects.

*Talking Back To Ritalin* - Peter Breggin 2007-10-10

Millions of children take Ritalin for Attention-Deficit

Hyperactivity Disorder. The drug's manufacturer, Novartis, claims that Ritalin is the "solution" to this widespread problem. But hidden behind the well-oiled public-relations machine is a potentially devastating reality: children are being given a drug that can cause the same bad effects as amphetamine and cocaine, including behavioral disorders, growth suppression, neurological tics, agitation, addiction, and psychosis.

*Talking Back to Ritalin* uncovers these and other startling facts and translates the research findings for parents and doctors alike. An

advocate for education not medication, Dr. Breggin empowers parents to channel distracted, disenchanted, and energetic children into powerful, confident, and brilliant members of the family and society.

*Sociocultural Anthropology* - Barbara Miller 2019-12-12

This is the first multi-volume collection of major writings on cultural anthropology, the sub-field of anthropology which is concerned with how people in different places live and understand the world around them. It covers key methodologies (participant observation, ethnography) and topics (kinship, ritual, values) and maps the development of the field from its beginnings in the mid-nineteenth century through to recent and current debates on the 'critique of anthropology' and the rise of new methodologies such as

multi-sited research. The four volumes are arranged thematically and each is separately introduced. Drawing upon essays from anthropology and related disciplines, the volumes together chart the origins of the field, explore its core theories and methods, and trace the proliferation of sub-fields that it has generated, including anthropology of art, urban anthropology, medical anthropology and the anthropology of gender and sexuality. With key texts from James George Frazer, Lewis Henry Morgan, Bronislaw Malinowski, Franz Boas, Ruth Benedict, Margaret Mead, Lucy Mair, Claude Levi Strauss, Melford Spiro, Marshall Sahlins, Laura Nader, Maurice Godelier, David Graeber, Suad Joseph and many more, this set is an essential resource for scholars and students of the subject.

**The Films of Federico Fellini**

- Claudio G. Fava 1985

Federico Fellini was one of those film directors, most of whom were European, who came of age in the mid-twentieth century and who expanded viewers', critics' and filmmakers perceptions of cinema from a story with moving images to an art form. Fellini's films revealed the possibilities of simultaneously exploring and presenting dreams, memories, and emotions. His influence on filmmakers such as Woody Allen, Roberto Benigni, and Emir Kusturica is noticeable though none of these men come close to Fellini's baroque touch or the personal outlook of his work. In this book, film critics Claudio G. Fava and Aldo Viganò, contemporaries of Fellini, concisely delineate the "Fellinian" elements and style as it emerged and progressed during his forty-year career.
