The Beauty of Intolerance - Josh McDowell
2016-02-01

Today's message of cultural acceptance is dangerously distorted and deceptive. In a world that shouts: "If you truly care about other people, you must agree that their beliefs, values, lifestyle, and truth claims are equal and as valid as yours!" it's no wonder our youth are confused. The Beauty of Intolerance--brand-new from Josh McDowell with son Sean McDowell--cuts through the confusion and points you back to the place where the only truth resides. . . Jesus Christ. Tied directly to the Heroic Truth initiative launched by the Josh McDowell Ministry, McDowell will share how a biblical view of truth can counter cultural tolerance and encourage a love and acceptance of others apart from their actions with a heart of Christlike compassion.

A Carpenter Called Joseph (Large Print Edition) - Kenneth Winter 2021-10-22

Joseph was an unlikely choice to be the earthly father of Jesus. There was nothing about him on the surface that would have prompted any of us to consider him worthy. And yet, no other man in history has been charged with the tremendous responsibility he was given. He wasn't randomly chosen by God. He wasn't chosen simply because he and Mary were engaged to be married. He was, most definitely, not an after-thought or a footnote. He and Mary were betrothed because God had chosen them both and ordered their steps accordingly ... from before the beginning of time. God had been at work in Joseph's life long before he ever knew the events that would unfold in his life. God carefully molded and shaped Joseph into the man to whom He could entrust this special assignment. Through this novella, you'll discover the heart and character of the carpenter God called to raise His Son.

Diversity, Intercultural Encounters, and Education - Susana Gonçalves 2013-01-04

This book concerns the challenges and tensions rising from mass migration flows, unbalanced north-south and east-west relations and the increasing multicultural nature of society. The scope of the book's theme is global, addressing diversity and identity, intercultural encounters and conflict, and the interrogations of a new socio-political order or paradigm. Thus, it

highlights some of the most poignant and challenging outcomes of cultural diversity faced more or less palpably by everyone everywhere in today's societies. The book's theme of multi- and pluriculturalism is of particular current interest in the academic, socio-political, economic and entrepreneurial spheres. It covers Western and non-Western perspectives, representing a valuable resource in terms of international dialogue and experimentation. The chapters are complimentary, completing a rigorous theoretical framework offering detailed presentation and analysis of the phenomenon of diversity as encountered in society and the educational setting and at large viewed in a multidisciplinary multiperspective fashion. Among the theories and concepts represented are those intrinsic to sociology, psychology, political science, economics, history, literature, pedagogy, communication and linguistics.

It invites readers to bring their doubts and doesn't shy away from the tough questions. Topics and questions are covered in four parts: Evidence for the Bible Evidence for Jesus Evidence for the Old Testament Evidence for Truth Serving as a go-to reference for even the toughest questions, Evidence that Demands a Verdict continues to encourage and strengthen millions by providing Christians the answers they need to defend their faith against the harshest critics and skeptics. Evidence That Demands a Verdict was the winner of the 2018 ECPA Christian Book award for Bible Reference Works.

Dad Was a Carpenter - Kenny Kemp 1999-05

On the day before Christmas, Kenny Kemp raised his father's heavy garage door and began going through 40 years of accumulated materials and belongings. It was four months after his father's death from Lou Gehrig's disease, a painful, troubled time for which there seemed to

be no answers. As Kenny sorted and cleaned, a greater understanding of his loss slowly came to him. Remembrances of his father's love, strength, and quiet courage emerged from carefully preserved mayonnaise jars full of straightened nails; overstuffed, weathered workbench drawers; time-tested tools; and a venerable 30-year-old piece of plywood. Precious relics, each telling in silent eloquence stories about the greatness of a man who had the gift to see something new and useful inside something old and worn. Beautifully written, these poignant stories provide a unique perspective on life's fleeting moments and disregarded details. Each chapter begins with one of his father's truisms, which taken together provide the blueprints for a meaningful life. *Dad Was a Carpenter* is a remarkable book that asks us to think about all of our relationships in a different way. Fathers and children of all ages everywhere will cherish this gift for years to come.

[The Fate of the Apostles](#) - Sean McDowell 2016-03-09

The Book of Martyrs by John Foxe written in the 16th century has long been the go-to source for studying the lives and martyrdom of the apostles. Whilst other scholars have written individual treatments on the more prominent apostles such as Peter, Paul, John, and James, there is little published information on the other apostles. In *The Fate of the Apostles*, Sean McDowell offers a comprehensive, reasoned, historical analysis of the fate of the twelve disciples of Jesus along with the apostles Paul, and James. McDowell assesses the evidence for each apostle's martyrdom as well as determining its significance to the reliability of their testimony. The question of the fate of the apostles also gets to the heart of the reliability of the kerygma: did the apostles really believe Jesus appeared to them after his death, or did they fabricate the entire story? How reliable are the resurrection accounts? The willingness of the apostles to die for their faith is a popular argument in resurrection studies and McDowell offers insightful scholarly analysis of this argument to break new ground within the spheres of New Testament studies, Church History, and apologetics.

the heart of this inspiring picture book. Opening in Depression-era New York, *The Carpenter's Gift* tells the story of eight-year-old Henry and his out-of-work father selling Christmas trees in Manhattan. They give one of their leftover trees to construction workers building Rockefeller Center. That tree becomes the first Rockefeller Center Christmas Tree, the finest Henry has seen when adorned with homemade decorations. Henry wishes on the tree for a nice, warm house to replace his family's drafty, one-room shack. Through the kindness of new friends and old neighbors, Henry's wish is granted, and he plants a pinecone to commemorate the event. As an old man, Henry repays the gift by donating to Rockefeller Center the enormous tree that has grown from that pinecone. After bringing joy to thousands as a beautiful Christmas tree, its wood will be used to build a home for a family in need. Written by children's nonfiction author David Rubel, in collaboration with Habitat for Humanity, *The Carpenter's Gift* features charming, full-color illustrations by Jim LaMarche.

The Resurrection and You - Josh McDowell
2017-01-17

When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared . . . alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes. Then Jesus made some amazing promises. His resurrection would change every aspect of their lives and their futures. In this fascinating look at the claims of the Gospel writers and two thousand years of believing Christians, bestselling author Josh McDowell and his son Sean McDowell examine the compelling evidence and present the facts about the resurrection and what it means for readers today.

Jesus Christ a Carpenter of Nazareth? - Sunny George 2008

All categories of people have different views about Jesus, and most of them agree on one thing: He was a carpenter before he started public ministry. Was he really a carpenter? Was there a need for him to be a carpenter? How did he make his living? All these questions need answers. By going through the pages of this book, any reader should be able to find the answers to these questions. When we examine his life, which is recorded in the Bible, we will

come to the remarkable understanding, contrary to the common belief that he was neither poor nor worked as a carpenter. Not only did he never work as a carpenter, he also brought freedom for those who sweat in labor. It is evident when we look at the modern scientific development all around us. Mankind lost their privileges by enjoying the fruit of the forbidden tree in the Garden of Eden and Jesus regained their position by sweating in agony in the Garden of Gethsemane and hanging on a tree (the cross). Even though Adam and Eve committed the sin, Jesus suffered the pain. Now whoever believes in him and uses this provision that God has provided through Jesus and draws close to him receives salvation and various blessings of God in all areas of their life. Now you can see people are enjoying the sweat free life everywhere in the world, regardless of race, religion, or nationality. All these are the results of the work Jesus Christ had accomplished on the cross by removing the curse and its punishment, sweat for food.

authors, Larry Haun, comes a unique story that looks at American home building from the perspective of twelve houses he has known intimately. Part memoir, part cultural history, "A Carpenter's Life as Told by Houses" takes the reader house by house over an arc of 100 years. Along with period photos, the author shows us the sod house in Nebraska where his mother was born, the frame house of his childhood, the production houses he built in the San Fernando Valley, and the Habitat for Humanity homes he devotes his time to now. It's an engaging read written by a veteran builder with a thoughtful awareness of what was intrinsic to home building in the past and the many ways it has evolved. Builders and history lovers will appreciate his deep connection to the natural world, yearning for simplicity, respect for humanity, and evocative notion of what we mean by "home."

Is This Not The Carpenter? - Thomas L. Thompson 2017-09-19

The historicity of Jesus is now widely accepted and hardly questioned by most scholars. But this assumption disarms biblical texts of much of their power by privileging an historical interpretation which effectively sweeps aside much theological speculation and allusion. Furthermore, the assumption of historicity gathers further assumptions to it, shaping the interpretation of texts, both denying and adding

subtext. Scholars are now faced with an endless array of works on the historical Jesus and few question what has been lost through this widespread assumption of historicity. *Is This Not the Carpenter?* presents a very valuable corrective: a literary rereading of the New Testament.

A Piano In The Pyrenees - Tony Hawks
2009-03-08

'If you had to pick two things you wanted - if you had to - what would you pick?' I hesitated. This was a bigger question than usually got asked at these post-match debriefs. 'I suppose the honest answer would be,' I said, still accessing the last pieces of required data from a jumbled mind, 'meeting my soul mate, and finding an idyllic house abroad somewhere.' Inspired by breathtaking views and romantic dreams of finding love in the mountains, Tony Hawks impulsively buys a house in the French Pyrenees. Here, he plans to finally fulfil his childhood fantasy of mastering the piano, untroubled by the problems of the world. In reality, the chaotic story of Tony's hopelessly ill-conceived house purchase reads like the definitive guide to how not to buy a house in France. It finds him flirting with the removal business in a disastrous attempt to transport his piano to France in a dodgy white van; foolishly electing to build a swimming pool himself; and expanding his relationship repertoire when he starts co-habiting, not with an exquisite French beauty, but with a middle-aged builder from West London. As Tony and his friends haplessly attempt to fit into village life, they learn more about themselves and each other than they ever imagined.
