**Mussolini's Dream Factory** -

Stephen Gundle 2013-12-30

The intersection between film stardom and politics is an understudied phenomenon of Fascist Italy, despite the fact that the Mussolini regime deemed stardom important enough to warrant sustained attention and interference. Focused on the period from the start of sound cinema to the final end of Fascism in 1945, this book examines the development of an Italian star system and evaluates its place in film production and distribution. The performances and careers of several major stars, including Isa Miranda, Vittorio De Sica, Amedeo Nazzari, and Alida Valli, are closely analyzed in terms of their relationships to the

political sphere and broader commercial culture, with consideration of their fates in the aftermath of Fascism. A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema.

[The Stringbags](#) - Garth Ennis 2020-05-20

If you do the incredible often enough, they'll want you to do the impossible. Nazi Germany, Imperial Japan, and Fascist Italy began World War II with

aircraft that could devastate enemy warships and merchantmen at will. Britain's Royal Navy squadrons went to war equipped with the Fairey Swordfish. A biplane torpedo bomber in an age of monoplanes, the Swordfish was underpowered and undergunned; an obsolete museum piece, an embarrassment. Its crews fully expected to be shot from the skies. Instead, they flew the ancient "Stringbag" into legend. Writer Garth Ennis (Preacher, The Boys, War Stories) and artist PJ Holden (Battlefields, World of Tanks: Citadel) present the story of the men who crewed the Swordfish: from their triumphs against the Italian Fleet at Taranto and the mighty German battleship Bismarck in the Atlantic, to the deadly challenge of the Channel Dash in the bleak winter waters of their homeland. They lived as they flew, without a second to lose—and the greatest tributes to their courage would come from the enemy who strove to kill them. Based on the true

story of the Royal Navy's Swordfish crews, The Stringbags is an epic tale of young men facing death in an aircraft almost out of time.

While serving in Southeast Asia in the late 60's, he was a test subject for an experimental combat performance enhancement drug - essentially a super-soldier serum. Now stateside,

Ramirez can't remember his own name or how he ended up here. His life has become a series of disjointed flashes - past and present, real and imaginary, continuously overlapping and morphing. And then there's that annoying Grim Reaper only he can see. The chatty bastard won't stop talking and calling him "bro." Meanwhile, elsewhere in El Paso, Father Karras is a pastor who has determined he is a Knight of the Apocalypse, descended to Earth against the will of a too-forgiving God. Holding a sawed-off shotgun named Salvation, he sets out to do his work. At the Mr. Happy Food & Drink, the paths of these two men are meant to cross. There WILL be blood. A Caliber Comics release.

**Delta Of Venus** - Anaïs Nin 2004-02-02

From influential feminist artist and essayist Anais Nin, Delta of Venus is one of the most important works of modern female erotica and "a joyous display of the erotic imagination" (The New York Times Book Review). Anais Nin

pens a lush, magical world where the characters of her imagination possess the most universal of desires and exceptional of talents. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru. This is an extraordinarily rich and exotic collection from a master of erotic writing.

**Killing and Dying** - Adrian Tomine 2021-05-04

"One of the most gifted graphic novelists of our time." —Wired  
Killing and Dying is a stunning showcase of the possibilities of the graphic novel medium and a wry exploration of loss, creative ambition, identity, and family dynamics. With this work, Adrian Tomine (Shortcomings, Scenes from an Impending Marriage) reaffirms his place not only as one of the

most significant creators of contemporary comics but as one of the great voices of modern American literature. His gift for capturing emotion and intellect resonates here: the weight of love and its absence, the pride and disappointment of family, the anxiety and hopefulness of being alive in the twenty-first century. "Amber Sweet" shows the disastrous impact of mistaken identity in a hyper-connected world; "A Brief History of the Art Form Known as Hortisculpture" details the invention and destruction of a vital new art form in short comic strips; "Translated, from the Japanese" is a lush, full-color display of storytelling through still images; the title story, "Killing and Dying", centers on parenthood, mortality, and stand-up comedy. In six interconnected, darkly funny stories, Tomine forms a quietly moving portrait of contemporary life. Tomine is a master of the small gesture, equally deft at signaling emotion via a subtle change of expression or writ large across

landscapes illustrated in full color. Killing and Dying is a fraught, realist masterpiece.

Unperson - Tim Franco  
2021-04-05

Unperson is one of the first photo books of North Korean Defectors. The 15 intimate portraits and the stories of the brave people who decided to take that chance to flee to South Korea. The road to South Korea is dangerous and can take years with the many different borders of Mongolia, Laos, Thailand, and China. The people fleeing are filled with the fear of being arrested and sent back to labour camps. Once they arrive in South Korea, they often struggle to find a new identity, lost between their North Korean past and South Korean future. Tim Franco travelled to the

crossing points, aiming to capture the diversity of landscape that is the background of North Korean defection. He chose to use an 8x10 camera with Polaroid film to capture each defector. In George Orwell's 1984, an unperson is someone who has been vaporized, whose record has been erased. As each defector begins their new life, they all start out as an Unperson.

**Yann Tiersen - Kerber** - Yann

Tiersen 2021-07-01

(Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the

island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.

Sinyard 2010-06-28

Director Fred Zinnemann was one of the most honored and revered directors of Hollywood's golden age. Peter Ustinov said, "Working with him was a permanent lesson in integrity." Zinnemann will always be remembered for such award-winning classics as High Noon, From Here to Eternity and A Man for All Seasons, and for his direction of such stars as Marlon Brando, Montgomery Clift, Rod Steiger, Spencer Tracy, Gary Cooper, Burt Lancaster, Audrey Hepburn, Robert Mitchum, Jane Fonda, Meryl Streep and Sean Connery. Above all, he deserves to be appreciated for raising the intelligence of popular cinema, making individualist dramas of conscience that could appeal to mass audiences without condescending to them and without compromising the director's vision. This book, the first single-author survey of Zinnemann's career, draws on the author's personal interviews with Zinnemann and reveals the coherence and

subtlety of the director's work. The first part of the book deals with Zinnemann's struggle to make films of his own choosing in his own way, up to his breakthrough with *The Search*. The remainder of the text discusses Zinnemann's post-*Search* films according to major themes, including the ravages of war, the "sovereignty of selfhood," character as destiny, the outsider in society, and politics and the liberal conscience. A list of Zinnemann's awards is provided.

Eden Underground -  
Alessandro Manzetti  
2015-07-03

Another snake, another tree, another Eve. A new dark poetry collection from the Bram Stoker Awards(r) nominee Alessandro Manzetti. *Eden Underground* is a surreal journey into obsessions and aberrations of the modern world and its darker side, which often takes control of the situation. Madness, violence, aberrant sex, war, hallucinations, sadism, disturbing archetypes: these

are the black fruits of human loneliness, these are the bloody roots of Eden Underground. In this untold world, men and women build their deformed, artificial underground Eden, where they can unleash their dark side. Death is the hidden queen of these strange places designed by human alienation: harem of silicone dolls who come to life, abandoned warehouses with copper tubs full of broken pieces of Eve, a bloody collection of copies of the first primordial woman, imaginary worlds inspired by the ghosts of the drug, small Eden dug into the bowels of the sand of war, trenches for refuge from too much horror, the religious fanaticisms and their heretics and violent Eden stained with blood, open air glittering brothels turned into landfills of souls and lost loves. Haven't you ever heard the loneliness knocking at your door? Or the steps of our dark side, freed from the body and the cage of our conscience, that is coming to take us with a shimmering cleaver in its hand? In Eden Underground

you can hear all these ghostly noises, too real, too close. **Hotel Insomnia** - Charles Simic 1992-11-11

“Poems . . . like folk tales told by a child with an impishly surrealistic streak” from the Pulitzer Prize-winning author of *The World Doesn't End* (Library Journal). In this volume, “Simic writes so simply that his words fall like drops of water, but they ripple outward to evoke an ominous and numinous world” (The Washington Post Book World). He fills the wee hours of his poetry with angels and pigs, riddles and cemeteries. With empty offices and dolls that smile. With the sound of bare

feet upstairs and a single kiss before the shadows converge. His is a rich, haunted world of East European memory and American present—a world of his own creation, one always full of luminous surprise. “The poems . . . come from a vision of the world that, once experienced, prevents us from ever dozing again, that prevents us, for that matter, from feeling confidently awake.” —Los Angeles Times  
“One of the most original poets writing today, Simic has a gift for startling juxtapositions . . . Homely images, in Simic’s hands, take on an eerie combination of the marvelous and the absurd . . . There are few poets writing today whose sense of wonder is so palpable.” —Library Journal  
Praise for Charles Simic “Few contemporary poets have been as influential—or as inimitable—as Charles Simic.” —The New York Times Book Review “He has infused American poetry with the freshest and most original style and imagery since e.e. cummings.” —St. Louis Post-

Dispatch "His poems are crowded with uncanny presence, which he challenges with flirtatious directness."

—The New Yorker
