I Am God - Giacomo Sartori
2019-02-05
Diabolically funny and subversively philosophical, Italian novelist Giacomo Sartori's *I Am God* is the diary of the Almighty's existential crisis that erupts when he falls in love with a human. I am God. Have been forever, will be forever. Forever, mind you, with the razor-sharp glint of a diamond, and without any counterpart in the languages of men. So begins God's diary of

the existential crisis that ensues when, inexplicably, he falls in love with a human. And not just any human, but a geneticist and fanatical atheist who's certain she can improve upon the magnificent creation she doesn't even give him the credit for. It's frustrating, for a god. God has infinitely bigger things to occupy his celestial attentions. Yet he can't tear his eyes (so to speak) from the geneticist who's unsettlingly avid when it comes to science,

sex, and Sicilian cannoli. Whatever happens, he must safeguard his transcendental dignity. So he watches—disinterestedly, of course—as the handsome climatologist who has his sights set on her keeps having strange accidents. And as the lanky geneticist becomes hell-bent on infiltrating the Vatican's secret files, for reasons of her own.... A sly critique of the hypocrisy and hubris that underlie faith in religion, science, and macho careerism, I Am God takes us on a hilarious and provocative romp through the Big Questions with the universe's supreme storyteller.

Stephen Amidon 2015-09-15

A brief love affair turns into an overwhelming obsession in a new novel that brings the talents of a superb literary stylist to a work of suspense, with thrilling results. The beautiful younger woman who appeared so unexpectedly, so gloriously, in Michael Coolidge's life one night—a seemingly chance pick-up at a quiet neighborhood bar—vanished just as suddenly a few days later, leaving him dazed and bewildered. Months later he chances upon Justine on a village street, locked in a violent quarrel with a menacing stranger—a day later, that man is found dead in a seedy motel and Justine has disappeared again, leaving behind only a hasty plea for help. Michael's efforts to locate her, or to find out something more about her elusive past, yield only further mystery, a confusing web of lies, manipulations and false leads. Who is the real Justine? Downtown art world sophisticate, or small town innocent? Victim or predator?

The Apothecary's Shop - Roberto Tiraboschi 2017-10-24
 "An extraordinary book, a gripping trip back through time to discover a different but still unique Venice and its political intrigues and mysteries" (Art as a Part of Culture). In a medieval Venice ravaged by famine and orgiastic revelries, the protagonists of *The Apothecary's Shop* explore the depths of the city and the paths to the supernatural in their search for a missing child. The young Costanza, of the noble Grimani family, has disappeared. Edgardo, the family scribe, vows to return the girl to her family, an ambitious enterprise considering his failing eyesight. Physical ailments and emotional torment hinder Edgardo's search, for as he undertakes this perilous investigation, images of his own lost love—Kallis, a slave from the Far East who disappeared in a storm years ago—are resurrected. Help arrives in the form of Abella,

the only female doctor in Venice. From her, Edgardo learns of occult medical practices and of Sabbatai's Apothecary, where the city's most desperate citizens seek heretical remedies and concoctions to sooth their suffering. It is here, however, where the secret of Constanza's disappearance may lie. Venal physicians and legitimate healers, unscrupulous relatives, mystics and apothecaries, wealthy nobility and the wretched poor, undertakers, Eastern merchants, African slave traders, each plays a role this ingeniously constructed mystery set in the busy and licentious trade port of Venice. "Nobody writes about Venice like Roberto Tiraboschi in *The Apothecary's Shop*." —L'Unità
 "An extremely elegant intrigue, with cosmopolitan influences that reflect the character of the city, several unlikely plot twists, and the panache to put just enough confidence in the mind of the reader to keep the pages turning quickly."
 —Seattle Review of Books

What Is the Stigmata Padre Pio

- Denis Van Loan 2018-09-27

Description of Catholic vs.
ProtestantThe Stigmata &
Padre Pio is a Christian book
with chapters on phenomenon
like the stigmata and
controversial issues that often
get no press or the wrong
information. There are some
major differences between
Catholic and Protestant
viewpoints of Christianity.
What is the stigmata & Padre
Pio? Pio (Catholic priest) is not
well known among Catholics,
much less Protestants. The

Stigmata is a stunning and
supernatural phenomenon
where living saints bleed and
suffer pain regularly through
the same wounds as Christ.
Padre Pio is not the only
stigmatist. Theresa Neumann
and Padre Pio are two modern
stigmatists whose wounds were
verified by photographs and
medical examinations. Before
1900, as many as 320
stigmatists (besides Francis of
Assisi) were documented by a
French doctor. It is not a fluke
or rare phenomenon, more
have occurred since then. The
difference of Catholic vs.
Protestant can be vastly
significant here. Some believe
the bleeding and suffering is
"not of God" in spite of
evidence from photographs and
medical examinations. They
contend it is not God's will that
we have to suffer because
Christ did it all for us...there is
no redemption in our suffering.
The difference of Catholic and
Protestant boils down to
authority...the Bible or the
Church. How we got the Bible
was from the Church, not vice
versa. Belief, by Catholics in

Downloaded from
wedgefitting.clevelandgolf.com
on by guest

the real presence of God in Holy Eucharist is also a major difference. The vast majority of Protestants believe Christianity is based upon the Bible and everything we need to know is there. Holy Eucharist seems skipped over in Scripture or discarded by Protestants. Fortunately the view of the Catholic on abortion is frequently agreed upon by Protestants. Authority: Protestants believe the Bible is the only authority for Christians. Historical evidenced and the Bible itself contradict this. What is the Word of God (Bible) and where and how we got it needs explanation regarding "authority". Other issues covered are: spirit soul & body...the essence & dynamics of man, how to be filled with the Holy Spirit, how Christians can also have demons. Catholic symbols (statues), the uncorrupted body of saints, guidance from God, spiritual tools of God, fear vs. faith, devotion to Virgin Mary and eleven dimensions of God vs. our four. To summarize:

differences between catholic vs. protestant, what is the stigmata, what is the Word of God, how we got the Bible, fear and faith contrasted, hearing God for guidance, how to be filled with the Spirit, spirit, soul & body interaction, the Catholic on abortion, and Holy Eucharist. There are many differences between Catholic and Protestant even though both are Christian and believe there is no salvation except through Christ. The book is a potpourri...a collection of different subjects. Links to other sources are throughout the book.

Unchained Mind - Ricardo G. Williams 2017-03-15

I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach

you how to live in thankfulness, with compassion, while activating love.
