**Auschwitz Testimonies** - Primo Levi 2017-10-16

In 1945, soon after the liberation of Auschwitz, Soviet authorities in control of the Kattowitz (Katowice) camp in Poland asked Primo Levi and his fellow captive Leonardo De Benedetti to compile a detailed report on the sanitary conditions they witnessed in Auschwitz. The result was an extraordinary testimony and one of the first accounts of the extermination camps ever written. Their report, published in a medical journal in 1946, marked the beginnings of Levi's life-long work as writer, analyst and witness. In the subsequent four decades, Levi never ceased to recount his experiences in Auschwitz in a wide variety of texts, many

of which are assembled together here for the first time, alongside other testimony from De Benedetti. From early research into the fate of their companions to the deposition written for Eichmann's trial, Auschwitz Testimonies is a rich mosaic of documents, memories and critical reflections of great historic and human value. Underpinned by his characteristically clear language, rigorous method and deep psychological insight, this collection of testimonies, reports and analyses reaffirms Primo Levi's position as one of the most important chroniclers of the Holocaust.

*Fratelli d'Italia* - Alberto Arbasino 1993

Un romanzo smisurato e scatenato, che racconta l'Italia di ieri e di oggi con l'insolenza di un autore che ha saputo infondere nella lingua e nella

letteratura italiana una leggerezza e una mobilità senza precedenti. "Siamo qui da un'ora all'aeroporto senza colazione aspettando due amici di Antonio che arrivano adesso in ritardo da Parigi; si mangerà un pesce se si farà in tempo sul molo, in un bel posto degli anni scorsi che forse però quest'anno già non va più tanto bene; e non abbiamo ancora avuto un momento per parlare della nostra estate, che ormai è qui". "Ogni libro nuovo, veramente moderno, di quest'epoca (di quale epoca?) sarà così profondamente ambiguo, cioè polimorfo, così com'è ambigua e polimorfa l'epoca, da raccontare in realtà alcune storie sempre fingendo di raccontarne tutt'altre, anche molto diverse?". Fratelli d'Italia è stato pubblicato per la prima volta nel 1963.

**The Hesiodic Catalogue of Women** - Richard Hunter 2005-07-14

The Catalogue of Women, ascribed to Hesiod, one of the greatest figures of early hexameter poetry, maps the Greek world, its evolution and its heroic myths through the mortal women who bore children to the gods. In this collection a team of international scholars offers an attempt to explore the poem's meaning, significance and reception. Individual chapters examine the organization and structure of the poem, its social and political context, its relation to other early epic and Hesiodic poetry,

its place in the development of a pan-Hellenic consciousness, and attitudes to women. The wider influence of the Catalogue is considered in chapters on Pindar and the lyric tradition, on Hellenistic poetry, and on the poem's reception at Rome. This collection provides a significant approach to the study of the Catalogue.

**Confessions of an Italian** - Ippolito Nievo 2014-05-29

An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. *Confessions of an Italian*, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily

to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's *Deliver Us* and Ottavio Cappellani's *Sicilian Tragedy* and Sergio Luzzatto's *Padre Pio: Miracles and Politics in a Secular Age*. Lucy Riall is Professor of Comparative History at the European University Institute. Her many books include *Garibaldi. Invention of a Hero*. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so abundant in foreign literatures' - Italo Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnero 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - *The Literary Encyclopedia*

**Historical Atlas of Medieval Music** - Vera Minazzi 2019-08-31  
Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists,

experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

**Auschwitz Report** - Primo Levi 2015-03-03

Among the first written accounts of the concentration camps—a major literary and historical discovery. While in a Russian-administered holding camp in Katowice, Poland, in 1945, Primo Levi was asked to provide a report on living conditions in Auschwitz. Published the following year, it

was subsequently forgotten and remained unknown to a wider public. Dating from the weeks and months immediately after the war, Auschwitz Report details the authors' harrowing deportation to Auschwitz, and how those who disembarked from the train were selected for work or extermination. As well as being a searing narrative of everyday life in the camp, and the organization and working of the gas chambers, it constitutes Levi's first lucid attempts to come to terms with the raw horror of events that would drive him to create some of the greatest works of twentieth-century literature and testimony. Auschwitz Report is a major literary and historical discovery.

Excerpt from Figures of Speech Used in the Bible: Explained and Illustrated All language is governed by law; but, in order to increase the power of a word, or the force of an expression, these laws are designedly departed from, and words and sentences are thrown into, and used in, new forms, or games. The ancient Greeks reduced these new and peculiar forms to science, and gave names to more than two hundred of them. The Land of Hunger - Piero Camporesi 1996

In this highly original book, Camporesi explores the two worlds of feast and famine in early modern Europe. Camporesi brings together a mosaic of images from Italian folklore: phantasmagoric processions of giants, pigs, vagabonds, down-trodden rogues, charlatans and beggars in rags. He reconstructs a world inhabited by the strange forces of peasant culture, and describes the various rituals - carnivals, festivities, competitions and funerals - in which food played a central role. Camporesi's description alternates between the lives of the "haves" and the "have-nots". He moves from the starving underworld of "criminalized poverty", where people were forced to develop the art of living at the expense of others simply in order to survive, to the gastronomic culture of the well-fed, with their excessive eating habits, oily foods and colourful table manners. "The Land of Hunger" is a graphic and engaging journey into the folk culture of early modern Europe. It will consolidate Camporesi's reputation as one of the most original and imaginative historians of our time.

*The Silent Crossing* - Pascal Quignard 2013

A prolific essayist, novelist, translator, philosopher, and a critic of rare elegance, Pascal Quignard returns anew to the major questions of existence in *The Silent Crossing*, a haunting homage to life and liberty, to society and solitude, and to the binding and unbinding that constitute the weft of our lives. Drawing on materials from across many cultures, Quignard makes an effort to establish shared human values as the breeding ground for a modern Enlightenment. Considering atheism as a spiritual liberation, suicide as a free act, and the rejection of society as a free choice, the author explores philosophical themes that have run through human civilizations—most often as heresies—from our earliest days. In his search for freedom, Quignard questions the binding dependency of religion, querying how, in a world where all forms of society presuppose that someone (or some collective) is looking over our shoulders, we can be free. These reflections, he implies, are the essential spiritual exercise for our times. Few voices in contemporary French literature are more distinct than that of Quignard. By reading this fragmentary, episodic assemblage of intimate experiences and borrowed tales, we open up a space of liberty, creating for the reader space for meditation and, perhaps, liberation. “Pascal Quignard is undoubtedly the most iconoclastic of contemporary French authors.”—Catherine Argand, *Lire* “Quignard has redefined historical fiction as both hoax and enigma.”—*Burning Deck on Wooden Tablets: Apronia Avitia Cantalèsia* - Achille Serrao 1999

**Jewish Inscriptions of Western Europe: Volume 2, The City of Rome** - David Noy 1993

Knowledge of the Jewish communities of the West is almost entirely dependent on inscriptions, which contain information on community organization, the use of biblical texts and religious symbols, linguistic habits, naming practices and social status, and burial customs and beliefs about life after death. Hitherto it has been necessary to consult specialist publications to gain a complete picture of these inscriptions. This volume, the second of a two-volume work, provides ready access to them, and so fills a notable gap in the literature.

**The Baron in the Trees** - Italo Calvino 2017

"Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn. Long considered one of Calvino's finest works, *The baron in the trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.
