Journal of Career Planning & Employment - 1991

**Children's Occupations** - Mrs. Maude Cushing

Nash 1920

Ideas to help children learn through play by becoming inventors and artists.

**Brokering High-Risk Migration and Illegality in West Africa** - Maybritt Jill Alpes  
2016-11-10

Do young West Africans want to go abroad at any cost because they receive too little or erroneous information? Why do they and their families risk large sums of money with migration brokers? How do the risks of illegality and deportation change migration aspirations in West Africa? This book places trafficking and smuggling within a wider framework of high-risk migration and proposes a novel interpretation of how people manage unwanted and uncertain migration outcomes. Drawing on in-depth ethnographic research with aspiring and failed migrants, their families, migration brokers and consulate offices in anglophone Cameroon, the author analyses high-risk migration from the vantage point of people in a place of departure.

Brokering High-Risk Migration and Illegality in West Africa: Abroad at Any Cost develops a critical socio-legal approach to the governance of migration that sees the state without 'seeing like the state'. The state's monopoly over legitimate means of mobility is continuously in the making - frequently through accusations of fraud and criminality. By revealing how authority, legality and legitimacy operate in a country of origin, the analysis contributes original insights into processes that create the conditions for illegality and migrant exploitation. The book will appeal to those in the fields of migration and development, African studies, gender, anthropology, sociology, criminology and law.

**Business Immigration Law** - Rodney A. Malpert 2000

Provides pragmatic advice on the nonimmigrant work authorization, including: specialty occupations (H-1Bs); intra-company transfers from abroad (L-1); treaty traders/investors (E-1

occupations. The text is appropriate for a year-long course, however can be used for a semester course as well. The appealing design and layout reflect real-world global business activities and cross-cultural settings. This edition includes engaging new features that draw students into the world of international business including a Regional Perspective feature which shows a graphic and a map reflecting specific regions being covered; eCommerce In Action allowing students to understand the impact of technology on global business activities; Communication Across Borders and A Question of Ethics provide students with opportunities to analyze alternative aspects of international business. International Business 4E includes coverage that makes it appropriate for use in the National Academy Foundation's International Finance course as well as the National Standards for Business Education. The text covers real-world applications, projects, technology, ethics, and cross-curricular links. Assessments are found at

the end of each lesson and at the end of each chapter. Students will find the communication sections particularly useful in helping them prepare international communication and trade documentation. The technology coverage from a global perspective helps students research and prepare interactive multimedia presentations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **Immigration For Everyone! -**

Commerce Business Daily - 1999

*Immigration Questions & Answers* - Carl R. Baldwin 2020-08-11

A Comprehensive, User-Friendly Guide for Anyone Planning to Live Temporarily or Permanently in the United States The process of acquiring and retaining the right to visit or live in the United States is an interesting and complex subject. US immigration laws have not

changed very much during the Trump administration, and yet the experience of immigrating to the United States has definitely been affected by it. In this concise primer, first conceived and designed as a how-to resource for would-be “green card” holders in the 1990s, the process of getting and keeping a visa is explained and updated in this new edition. In simple terms, the authors provide a breakdown of the most important topics in this area with useful examples. With over thirty years of experience practicing law, co-author Humberto S. Dominguez adds valuable insights and observations to this increasingly important topic. The road to legal residence in the United States can be a tricky and elusive endeavor. *Immigration Questions & Answers, Fourth Edition*, will guide you every step of the way, with a down-to-earth approach and invaluable advice. Chapters cover topics such as: Obtaining a short-term visa Political asylum Temporary Protected Status DACA for Dreamers The visa

lottery Helping your spouse get a green card Removing conditions on residence Visa processing Ways to become a US citizen Persons who hope to visit or live in the United States and even lawyers unfamiliar with immigration law and practice will benefit from this basic guide. People facing particular difficulties in this area, who may ultimately need the assistance of an immigration lawyer, will also benefit from learning the bare essentials.

**International Business Strategy and  
Entrepreneurship: An Information  
Technology Perspective** - Ordóñez de Pablos,  
Patricia 2013-11-30

There is a high demand in our society to adopt emerging technologies in all aspects of business and economic activity. As traditional business practices and economic activity are occurring in a global context, new areas of economic development are being recognized as the key enablers of wealth and income production.

International Business Strategy and Entrepreneurship: An Information Technology Perspective discusses innovative solutions to research problems and high performance

systems while emphasizing the role of IT and management for sustainable development. This book brings together academics, researchers, entrepreneurs, policy makers and government officers aiming to contribute to the debate of technology related to international business and strategic management.

*Immigration Procedures Handbook* - 2008

[HCI in Business, Government and Organizations. Information Systems and Analytics](#) - Fiona Fui-Hoon Nah 2019-07-10

This two-volume set LNCS 11588 and 11589 constitutes the refereed proceedings of the 6th International Conference on Business, Government, and Organizations, HCIBGO 2019, held in July 2019 as part of HCI International 2019 in Orlando, FL, USA. HCII 2019 received a total of 5029 submissions, of which 1275 papers and 209 posters were accepted for publication after a careful reviewing process. The 63 papers presented in these two volumes are organized in

topical sections named: Electronic, Mobile and Ubiquitous Commerce, eBanking and Digital Money, Consumer Behaviour, Business Information Systems, Dashboards and Visualization, Social Media and Big Data Analytics in B

*The Value of Foreign Language Learning -*

Tobias Schroedler 2017-10-10

Based on a highly interdisciplinary theoretical framework, Tobias Schroedler provides a comprehensive picture of the value of language skills within the Irish economy. The author manages to present and merge theories from economics, business studies, sociology, and applied linguistics making this an innovative and valuable contribution to the growing field of research on the value of multilingualism and languages. The first of two datasets presented in the book provides a macroeconomic quantification on the economic performance of four different global language communities. The second dataset consists of an expert interview

study on the matter. Based on the data analysis, the author derives recommendations for economically beneficial language education policy making.

**Corporate Counsel's Guide to Business-related Immigration - 1992**

**Model Rules of Professional Conduct -**

American Bar Association. House of Delegates 2007

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations,

review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

*Survey of Current Business* - 1984

### **Immigration Law and Procedure: Business Immigration Module** - Charles Gordon

2022-07-01

This module of Immigration Law & Procedure contains the chapters that are key to immigration attorneys whose practice encompasses: temporary and permanent hiring of foreign nationals, intracompany transferees, treaty traders and investors, foreign national business investors, and business visitors.

*Making and Faking Kinship* - Caren Freeman  
2011-11-22

In the years leading up to and directly following rapprochement with China in 1992, the South Korean government looked to ethnic Korean (Chosŏnjok) brides and laborers from

northeastern China to restore productivity to its industries and countryside. South Korean officials and the media celebrated these overtures not only as a pragmatic solution to population problems but also as a patriotic project of reuniting ethnic Koreans after nearly fifty years of Cold War separation. As Caren Freeman's fieldwork in China and South Korea shows, the attempt to bridge the geopolitical divide in the name of Korean kinship proved more difficult than any of the parties involved could have imagined. Discriminatory treatment, artificially suppressed wages, clashing gender logics, and the criminalization of so-called runaway brides and undocumented workers tarnished the myth of ethnic homogeneity and exposed the contradictions at the heart of South Korea's transnational kin-making project. Unlike migrant brides who could acquire citizenship, migrant workers were denied the rights of long-term settlement, and stringent quotas restricted their entry. As a result, many Chosŏnjok

guest

migrants arranged paper marriages and fabricated familial ties to South Korean citizens to bypass the state apparatus of border control. Making and Faking Kinship depicts acts of "counterfeit kinship," false documents, and the leaving behind of spouses and children as strategies implemented by disenfranchised people to gain mobility within the region's changing political economy.

**Entrepreneurship and Religion** - Victoria Hyonchu Kwon 1997

First Published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

**Small Business Sourcebook** - 2004

**The Business School Buzz Book** - Carolyn C. Wise 2007

In this updated guide, Vault publishes the entire surveys of current students and alumni at more than 100 top business schools. Each 4- to 5-page entry is composed almost entirely of insider comments from students and alumni. Each

school profile features surveys of about 10 students or alumni. These narratives provide applicants with detailed and balanced perspectives and insider information on admissions and employment prospects, which is lacking in other business school guides.
