Created with young learners in mind, this book is an easy-to-understand read. Grab a copy today!

*Ancient Rome* - Victor Miller 2015-12-03

An in-depth look at the first chapter of Ancient Roman history, this book takes a personal and compelling approach that makes the already rich story of Ancient Rome that much more engaging. "The Rise and Fall of the Roman Kingdom" takes the reader from the mythical earliest days of Rome through to its transformation into a unified city of diverse tribes. Explore the unique mix of legend and truth that defines the early kings of Rome and learn about the first steps Rome took toward Republic and eventual Empire. This book makes history relevant and entertaining, and is a must-read for any fan of the ancient world. Follow the rest of the story of Rome with the second and third books in this trilogy, "The Rise and Fall of the Roman Republic" and "The Rise and Fall of the Roman Empire."

*The Rise of the Romans* - Brian Taylor 2008

The rise of the Roman Empire laid the

foundations for the development of much of Europe. This book is a chronological account of the formation, battles and campaigns of the Roman state, from the foundation and growth of the city under the Seven Kings, to the epic Republican struggle with Carthage, and the expansion throughout the Mediterranean.

**Rivers and the Power of Ancient Rome** - Brian Campbell 2012-08-15

Figuring in myth, religion, law, the military, commerce, and transportation, rivers were at the heart of Rome's increasing exploitation of the environment of the Mediterranean world. In *Rivers and the Power of Ancient Rome*, Brian Campbell explores the role and influence of rivers and their surrounding landscape on the society and culture of the Roman Empire. Examining artistic representations of rivers, related architecture, and the work of ancient geographers and topographers, as well as writers who describe rivers, Campbell reveals how Romans defined the geographical areas they conquered and how geography and natural surroundings related to their society and activities. In addition, he illuminates the prominence and value of rivers in the control and expansion of the Roman Empire--through the legal regulation of riverine activities, the exploitation of rivers in military tactics, and the use of rivers as routes of communication and movement. Campbell shows how a technological understanding of--and even mastery over--the forces of the river helped Rome rise to its central place in the ancient world.

## **The Rise and Fall of the Roman Empire -**

Lisa Idzikowski 2016-07-15

In the history of empires, few compare in influence to the Roman Empire. In the course of its 500-year history, the empire yielded advances in philosophy, governance, science, and the arts that are still relied upon today. Despite its long span and enduring legacy, however, the empire eventually succumbed to its Visigoth invaders. This enchanting narrative traces the history of ancient Rome, from its beginnings through its days as a republic and into the evolution and dissolution of its empire. Cultural achievements of the empire are placed in historical context, and a timeline conveniently summarizes key events for quick reference.

## **Escape from Rome -** Walter Scheidel

2021-03-16

The gripping story of how the end of the Roman Empire was the beginning of the modern world. The fall of the Roman Empire has long been considered one of the greatest disasters in history. But in this groundbreaking book, Walter Scheidel argues that Rome's dramatic collapse was actually the best thing that ever happened, clearing the path for Europe's economic rise and the creation of the modern age. Ranging across the entire premodern world, *Escape from Rome* offers new answers to some of the biggest questions in history: Why did the Roman Empire appear? Why did nothing like it ever return to Europe? And, above all, why did Europeans come to dominate the world? In an absorbing narrative that begins with ancient Rome but stretches far beyond it, from Byzantium to China and from Genghis Khan to Napoleon, Scheidel shows how the demise of Rome and the enduring failure of empire-building on European soil launched an economic transformation that changed the continent and ultimately the world.

*The Fall of the Roman Empire -* Peter Heather  
2007-06-11

Shows how Europe's barbarians, strengthened by centuries of contact with Rome on many levels, turned into an enemy capable of overturning and dismantling the mighty Empire.

## **The Rise and Fall of the Roman Empire -**

Barry Linton 2015-06-06

Arguably the greatest Empire to ever exist, Rome has indelibly left a significant mark on the modern world. The posthumous influence of the

Roman Republic and Empire have no equal in all of history. Their varied culture, stunning art, brilliant philosophy, and towering architecture is embedded in our modern world. Roman innovation has left behind a legacy that has remained admired and emulated for over a thousand years. They built massive networks of roads before the birth of Christ. They constructed elaborate public sewer systems over 1,500 years before the United States became a Nation, and had networks of aqueducts bringing running water. Their tactics in battle are still studied by historians and military leaders of today. Their history is filled with great conflicts, compelling love stories, and the most treacherous of leaders. Hollywood has explored their culture time and again on the silver screen. Larger than life commanders like Julius Caesar would help shape their ultimate destiny. In his book entitled *The Rise and Fall of the Roman Empire: Life, Liberty, and the Death of the Republic* author Barry Linton highlights and explains the significant struggles and contributions that have made Rome so well known. Join us as we explore the meteoric rise, monumental life, inevitable death, and eventual rebirth of Rome.

## **SPQR: A History of Ancient Rome -** Mary

Beard 2015-11-09

New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In *SPQR*, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life"

(Economist) in a way that makes "your hair stand on end" (Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, SPQR will to shape our view of Roman history for decades to come.

The Rise and Fall of Ancient Rome - Nigel Rodgers 2014-01

A visual history of ancient Rome includes hundreds of images, maps and battle plans, sharing expert insights into the empire's rise and fall while providing coverage of its campaigns, generals and leaders.

The Dragon and the Eagle - Sunny Y. Auyang 2014-03-15

This stimulating, uniquely organized, and wonderfully readable comparison of ancient Rome and China offers provocative insights to students and general readers of world history. The book's narrative is clear, completely jargon-free, strikingly independent, and addresses the complete cycles of two world empires. The topics explored include nation formation, state building, empire building, arts of government, strategies of superpowers, and decline and fall.

Ancient Rome - Eric Brown 2019-06-20

Explore the History and Mythology of the Roman Empire! In this book you are going to find out about: The founding and rise of the Roman Republic The era of an empire The Christianization of the empire and its impact The masterpiece of Rome How it becomes a melting pot of theism And more...

**The Rise and Fall of Alexandria** - Justin Pollard 2007-10-30

A short history of nearly everything classical. The foundations of the modern world were laid in Alexandria of Egypt at the turn of the first millennium. In this compulsively readable narrative, Justin Pollard and Howard Reid bring one of history's most fascinating and prolific cities to life, creating a treasure trove of our intellectual and cultural origins. Famous for its lighthouse, its library-the greatest in antiquity-

and its fertile intellectual and spiritual life--it was here that Christianity and Islam came to prominence as world religions--Alexandria now takes its rightful place alongside Greece and Rome as a titan of the ancient world. Sparkling with fresh insights on science, philosophy, culture, and invention, this is an irresistible, eye-opening delight.

Ancient Rome - Simon Baker 2007

"Focusing on six momentous turning points that helped to shape Roman history, Simon Baker's gripping narrative charts the rise and fall of the world's first superpower - a political machine unmatched in its brutality, its genius, its lust for power." --DUST JACKET.

*Julius Caesar* - William Shakespeare 1913

*The Rise and Fall of Ancient Rome* - Nigel Rodgers 2012

"An illustrated military and political history of the world's mightiest power: from the rise of the Republic and dominance of the Empire to the fall of the west."--Cover.

*Are We Rome?* - Cullen Murphy 2008-05-05

What went wrong in imperial Rome, and how we can avoid it: "If you want to understand where America stands in the world today, read this." —Thomas E. Ricks The rise and fall of ancient Rome has been on American minds since the beginning of our republic. Depending on who's doing the talking, the history of Rome serves as either a triumphal call to action—or a dire warning of imminent collapse. In this "provocative and lively" book, Cullen Murphy points out that today we focus less on the Roman Republic than on the empire that took its place, and reveals a wide array of similarities between the two societies (The New York Times). Looking at the blinkered, insular culture of our capitals; the debilitating effect of bribery in public life; the paradoxical issue of borders; and the weakening of the body politic through various forms of privatization, Murphy persuasively argues that we most resemble Rome in the burgeoning corruption of our government and in our arrogant ignorance of the world outside—two things that must be changed if we are to avoid Rome's fate. "Are We Rome? is just about a perfect book. . . . I wish every politician would spend an evening with this book." —James Fallows

## **Dynasty** - Tom Holland 2015-10-20

Author and historian Tom Holland returns to his roots in Roman history and the audience he cultivated with *Rubicon*—his masterful, witty, brilliantly researched popular history of the fall of the Roman republic—with *Dynasty*, a luridly fascinating history of the reign of the first five Roman emperors. *Dynasty* continues *Rubicon*'s story, opening where that book ended: with the murder of Julius Caesar. This is the period of the first and perhaps greatest Roman Emperors and it's a colorful story of rule and ruination, running from the rise of Augustus through to the death of Nero. Holland's expansive history also has distinct shades of *I Claudius*, with five wonderfully vivid (and in three cases, thoroughly depraved) Emperors—Augustus, Tiberius, Caligula, Claudius, and Nero—featured, along with numerous fascinating secondary characters. Intrigue, murder, naked ambition and treachery, greed, gluttony, lust, incest, pageantry, decadence—the tale of these five Caesars continues to cast a mesmerizing spell across the millennia.

## Roman History - Captivating History 2018-06-22

If you want to discover captivating stories of people and events of ancient Rome then keep reading... Three captivating manuscripts in one book: *The Roman Republic: A Captivating Guide to the Rise and Fall of the Roman Republic, SPQR and Roman Politicians Such as Julius Caesar and Cicero* *The Roman Empire: A Captivating Guide to the Rise and Fall of the Roman Empire Including Stories of Roman Emperors Such as Augustus Octavian, Trajan, and Claudius* *The Byzantine Empire: A Captivating Guide to Byzantium and How the Eastern Roman Empire Was Ruled by Emperors such as Constantine the Great and Justinian* Some of the topics covered in part 1 of this book include: *The Past that Made It Possible: The Foundation of Rome between Myth and History* *Down with the Kings: The Past that Made It Happen* *Early Republic Military Achievements of Early Republic: Taking Italy* *Middle Republic: The Punic Wars and Mediterranean Dominance* *The Military vs. Cultural Dominance: The Roman Civilization meets the Greek World* *Limitless Power and the Beginning of the End: The Late Republic* *The Age of the Generals: Pompeius, Crassus, and Caesar* *Senatus Populus-Que*

*Romanus (SPQR) and Its Downfall* *The Rise and Fall of Julius Caesar and the End of the Roman Republic* Some of the topics covered in part 2 of this book include: *From the Republic to the Empire: The Rise of Octavian* *The Age of Augustus* *The Julio-Claudian Dynasty After Augustus: From Tiberius to Nero* *Civil War and the Year of the Four Emperors (AD 68-69)* *The Flavians* *The Nerva-Antonine Dynasty: The Five Good Emperors (and a Couple of Not So Good Ones)* *Some New Emperors* *Crises, Civil Wars, and Divisions: The Long and Painful Decline* *Two Empires: East and West* *And a Great Deal More You Don't Want to Miss Out On!* In part 3 of *Roman History: A Captivating Guide to Ancient Rome, Including the Roman Republic, the Roman Empire and the Byzantium*, you will... explore a story of power and glory, anarchy and order, paganism and Christianity, war and peace, the West and the East get familiar with the roots of the greatest controversies that defined the history of Europe and the entirety of Western civilization - the conflict between the Catholic and Orthodox churches, and the one between Christianity and Islam discover stories of remarkable emperors you've never heard of and about the astonishing bravery of Graeco-Roman heroes such as Constantine Dragases, who resisted the Ottomans until the end, and Belisarius, who fought the Persians to reconquer what used to be the Western Empire learn more about the entire era called the Byzantine Empire in less time compared to reading boring textbooks All this and much more awaits you, so get instant access now by clicking the "add to cart" button!

## *Roman Empire* - History Brought Alive 2021-06-18

The Roman Empire may have fallen thousands of years ago, but the lessons and the legacy left behind lives on to this day From a tiny settlement on the banks of the Tiber River, Rome grew into a colossal, unstoppable force. At its peak, The Empire dominated the world from Europe, West Asia, North Africa, and many more territories. Never again would the world see such an influential power. In this epic narrative, *History Brought Alive* presents an intriguing dive into Roman History, Legends, Facts, Myths and much more. Covering thousands of years the study of Roman history is vast and complex.

Much like the Ancient Romans themselves, in order to study them, we need to follow structure and have an open mind. By doing so, we can begin to unlock the secrets of The Roman Empire In the first part of this book you will find; The timeline of Roman history - How did it all begin? And how did it end? Characters - Any serious study of Rome has to begin with a look at the Emperor's, Gladiators and the Characters that shaped it's destiny. Life in Ancient Rome - What was it like? Then, in part two and onwards you will find; Military - The Roman military was amongst the most powerful in the world. How did they get that way? The victory and defeat. Mythology - Delve into the fascinating world of Roman mythology. The fall of The Empire All of this, and much, much more in an enjoyable to read format! So if you're looking for a definitive history of The Roman Empire, then this is the book!

*The History of the Decline and Fall of the Roman Empire* - Edward Gibbon 2000-06-19

Spanning thirteen centuries from the age of Trajan to the taking of Constantinople by the Turks, DECLINE & FALL is one of the greatest narratives in European Literature. David Womersley's masterly selection and bridging commentary enables the reader to acquire a general sense of the progress and argument of the whole work and displays the full variety of Gibbon's achievement.

**The Fate of Rome** - Kyle Harper 2017-10-02  
How devastating viruses, pandemics, and other natural catastrophes swept through the far-flung Roman Empire and helped to bring down one of the mightiest civilizations of the ancient world Here is the monumental retelling of one of the most consequential chapters of human history: the fall of the Roman Empire. The Fate of Rome is the first book to examine the catastrophic role that climate change and infectious diseases played in the collapse of Rome's power—a story of nature's triumph over human ambition. Interweaving a grand historical narrative with cutting-edge climate science and genetic discoveries, Kyle Harper traces how the fate of Rome was decided not just by emperors, soldiers, and barbarians but also by volcanic eruptions, solar cycles, climate instability, and devastating viruses and bacteria. He takes readers from Rome's pinnacle in the second

century, when the empire seemed an invincible superpower, to its unraveling by the seventh century, when Rome was politically fragmented and materially depleted. Harper describes how the Romans were resilient in the face of enormous environmental stress, until the besieged empire could no longer withstand the combined challenges of a "little ice age" and recurrent outbreaks of bubonic plague. A poignant reflection on humanity's intimate relationship with the environment, The Fate of Rome provides a sweeping account of how one of history's greatest civilizations encountered and endured, yet ultimately succumbed to the cumulative burden of nature's violence. The example of Rome is a timely reminder that climate change and germ evolution have shaped the world we inhabit—in ways that are surprising and profound.

**Ancient Rome** - Patrick Auerbach 2017-03-28  
Beginning in the eighth century B.C., Ancient Rome grew from a small town on central Italy's Tiber River into an empire that at its peak encompassed most of continental Europe, Britain, much of western Asia, northern Africa and the Mediterranean islands. Among the many legacies of Roman dominance are the widespread use of the Romance languages (Italian, French, Spanish, Portuguese and Romanian) derived from Latin, the modern Western alphabet and calendar and the emergence of Christianity as a major world religion. After 450 years as a republic, Rome became an empire in the wake of Julius Caesar's rise and fall in the first century B.C. The long and triumphant reign of its first emperor, Augustus, began a golden age of peace and prosperity; by contrast, the empire's decline and fall by the fifth century A.D. was one of the most dramatic implosions in the history of human civilization. As legend has it, Rome was founded by Romulus and Remus, twin sons of Mars, the god of war. Left to drown in a basket on the Tiber by a king of nearby Alba Longa and rescued by a she-wolf, the twins lived to defeat that king and found their own city on the river's banks in 753 B.C. After killing his brother, Romulus became the first king of Rome, which is named for him. A line of Sabine, Latin and Etruscan (earlier Italian civilizations) kings followed in a non-hereditary succession. Rome's

era as a monarchy ended in 509 B.C. with the overthrow of its seventh king, Lucius Tarquinius Superbus, whom ancient historians portrayed as cruel and tyrannical, compared to his benevolent predecessors. A popular uprising was said to have arisen over the rape of a virtuous noblewoman, Lucretia, by the king's son.

Whatever the cause, Rome turned from a monarchy into a republic, a world derived from *res publica*, or "property of the people." Scroll to the top of the page and click buy now to learn more about this exciting period of history

*The Book of the Ancient Romans - Scholar's Choice Edition* - Dorothy Mills 2015-02-19

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Gaius Marius** - Marc Hyden 2017-06-30

Gaius Marius was one of the most remarkable and significant figures of the late Roman Republic. At a time when power tended to be restricted to a clique of influential families, he rose from relatively humble origins to attain the top office of consul. He even went on to hold the post an unprecedented seven times. His political career flourished but was primarily built on military success. First serving in the Numantine War in Spain, he later rose to high command and brought a long-running war in North Africa to a successful conclusion, bringing the Numidian

King Jurgurtha back in chains. His return was timely as northern barbarian tribes threatened Italy and had previously defeated several Roman armies. Marius reformed and retrained the Republic's forces and decisively defeated the invaders that had easily overpowered his predecessors. Marius' subsequent career was primarily that of an elder statesman, but it was dominated by his rivalry with his erstwhile subordinate, Sulla, which ultimately led to the latter's bloody coup. Marius, once hailed as the savior of Rome, eventually became a desperate fugitive, literally fleeing for his life from his pursuers. However, after several harrowing brushes with death, Marius seized an opportunity to return to Rome and mete out justice to his enemies, which tarnished his once-enviable reputation.

[The Storm Before the Storm](#) - Mike Duncan 2017-10-24

The creator of the award-winning podcast series *The History of Rome and Revolutions* brings to life the bloody battles, political machinations, and human drama that set the stage for the fall of the Roman Republic. The Roman Republic was one of the most remarkable achievements in the history of civilization. Beginning as a small city-state in central Italy, Rome gradually expanded into a wider world filled with petty tyrants, barbarian chieftains, and despotic kings. Through the centuries, Rome's model of cooperative and participatory government remained remarkably durable and unmatched in the history of the ancient world. In 146 BC, Rome finally emerged as the strongest power in the Mediterranean. But the very success of the Republic proved to be its undoing. The republican system was unable to cope with the vast empire Rome now ruled: rising economic inequality disrupted traditional ways of life, endemic social and ethnic prejudice led to clashes over citizenship and voting rights, and rampant corruption and ruthless ambition sparked violent political clashes that cracked the once indestructible foundations of the Republic. Chronicling the years 146-78 BC, *The Storm Before the Storm* dives headlong into the first generation to face this treacherous new political environment. Abandoning the ancient principles of their forbearers, men like Marius, Sulla, and the Gracchi brothers set dangerous new

precedents that would start the Republic on the road to destruction and provide a stark warning about what can happen to a civilization that has lost its way.

**Ancient Rome** - Patricia Southern 2014-06-19

The story of Ancient Rome often polarizes opinion: for accusers, the Romans were mean and grasping imperialists with murderous megalomaniac tendencies and the world was well rid of them, but for passionate advocates the Romans were keen administrators and construction engineers who provided the greatest and most long-lasting civilizing force in history. It took a very long time - over thirteen centuries - for the Roman Empire to grow and then fragment. The Romans did not have it their own way all the time. They were defeated on their own ground several times by Hannibal and - albeit temporarily - by Cleopatra in Egypt, Boudica in Britain, and Zenobia in Syria. Patricia Southern's masterly new book narrates the history of Rome from a settlement of primitive huts to a sophisticated city ruling and then losing an Empire, the lives of such towering figures as Julius Caesar, Augustus, Caligula and Nero, the successes and setbacks and what the Romans learned on their way to Imperial rule and final disintegration.

**The Rise of Rome** - Anthony Everitt 2013-11-12

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE KANSAS CITY STAR From Anthony Everitt, the bestselling author of acclaimed biographies of Cicero, Augustus, and Hadrian, comes a riveting, magisterial account of Rome and its remarkable ascent from an obscure agrarian backwater to the greatest empire the world has ever known. Emerging as a market town from a cluster of hill villages in the eighth and seventh centuries B.C., Rome grew to become the ancient world's preeminent power. Everitt fashions the story of Rome's rise to glory into an erudite page-turner filled with lasting lessons for our time. He chronicles the clash between patricians and plebeians that defined the politics of the Republic. He shows how Rome's shrewd strategy of offering citizenship to her defeated subjects was instrumental in expanding the reach of her burgeoning empire. And he outlines the corrosion of constitutional norms that accompanied Rome's imperial expansion, as old habits of political compromise

gave way, leading to violence and civil war. In the end, unimaginable wealth and power corrupted the traditional virtues of the Republic, and Rome was left triumphant everywhere except within its own borders. Everitt paints indelible portraits of the great Romans—and non-Romans—who left their mark on the world out of which the mighty empire grew:

Cincinnatus, Rome's George Washington, the very model of the patrician warrior/aristocrat; the brilliant general Scipio Africanus, who turned back a challenge from the Carthaginian legend Hannibal; and Alexander the Great, the invincible Macedonian conqueror who became a role model for generations of would-be Roman rulers. Here also are the intellectual and philosophical leaders whose observations on the art of government and "the good life" have inspired every Western power from antiquity to the present: Cato the Elder, the famously incorruptible statesman who spoke out against the decadence of his times, and Cicero, the consummate orator whose championing of republican institutions put him on a collision course with Julius Caesar and whose writings on justice and liberty continue to inform our political discourse today. Rome's decline and fall have long fascinated historians, but the story of how the empire was won is every bit as compelling. With *The Rise of Rome*, one of our most revered chroniclers of the ancient world tells that tale in a way that will galvanize, inform, and enlighten modern readers. Praise for *The Rise of Rome* "Fascinating history and a great read."—Chicago Sun-Times "An engrossing history of a relentlessly pugnacious city's 500-year rise to empire."—Kirkus Reviews "Rome's history abounds with remarkable figures. . . . Everitt writes for the informed and the uninformed general reader alike, in a brisk, conversational style, with a modern attitude of skepticism and realism."—The Dallas Morning News "[A] lively and readable account . . . Roman history has an uncanny ability to resonate with contemporary events."—Maclean's "Elegant, swift and faultless as an introduction to his subject."—The Spectator "[An] engaging work that will captivate and inform from beginning to end."—Booklist

**Roma** - Steven Saylor 2007-03-06

Spanning a thousand years, and following the

Downloaded from  
[wedgetfitting.clevelandgolf.com](http://wedgetfitting.clevelandgolf.com) on by  
guest

shifting fortunes of two families through the ages, this is the epic saga of Rome, the city and its people. Weaving history, legend, and new archaeological discoveries into a spellbinding narrative, critically acclaimed novelist Steven Saylor gives new life to the drama of the city's first thousand years — from the founding of the city by the ill-fated twins Romulus and Remus, through Rome's astonishing ascent to become the capitol of the most powerful empire in history. Roma recounts the tragedy of the hero-traitor Coriolanus, the capture of the city by the Gauls, the invasion of Hannibal, the bitter political struggles of the patricians and plebeians, and the ultimate death of Rome's republic with the triumph, and assassination, of Julius Caesar. Witnessing this history, and sometimes playing key roles, are the descendents of two of Rome's first families, the Potitius and Pinarius clans: One is the confidant of Romulus. One is born a slave and tempts a Vestal virgin to break her vows. One becomes a mass murderer. And one becomes the heir of Julius Caesar. Linking the generations is a mysterious talisman as ancient as the city itself. Epic in every sense of the word, Roma is a panoramic historical saga and Saylor's finest achievement to date.

*Roman Empire* - Roy Jackson 2015-08-12  
#1 Best Seller - Learn the Epic Story of the Roman Empire! Are you fascinated by Ancient Rome? Would you like to know more about Caesar, Augustus, and Constantine? Is it time to dig in and really get to know this culture that shaped the world for millennia? When you purchase *Rome: Rise and Fall of the Roman Empire*, your knowledge will expand every day! You'll learn about Rome's roots in the aftermath of the Trojan War, and its mythical founders, Romulus and Remus. Rome shifted from Monarchy to Republic, only to be remade by the iconic Julius Caesar. *Rome: Rise and Fall of the Roman Empire* tells his life story from his birth to his assassination. You'll learn about his military victories and political legacy, from the First Triumvirate to his Consulship and Dictatorship. This book even helps you understand how his death led to the forming of the Second Triumvirate. You'll also learn about how the line of Emperors that followed Julius Caesar began to decline. Despite the unifying

efforts of Constantine, the Roman Empire eventually broke into pieces. This book explains how the West fell, and the East survived - at least for a while. Purchase *Rome: Rise and Fall of the Roman Empire* now, and become well-versed in this essential and exciting period of World History!

*Ancient Rome* - Nigel Rodgers 2013-11-01  
An authoritative and accessible account of Roman imperial, military and political power, and of classical Rome's far-reaching influence in art, architecture and culture; illustrated with 1000 photographs, paintings, maps and battleplans.

**The History of the Decline and Fall of the Roman Empire Volume 8** - Edward Gibbon 2016-05-08

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. **History of the Decline and Fall of the Roman Empire** - Edward Gibbon 2013-01-18  
Gibbon offers an explanation for why the Roman Empire fell, a task made difficult by a lack of comprehensive written sources, though he was not the only historian to tackle the subject. Most of his ideas are directly taken from what few relevant records were available: those of the Roman moralists of the 4th and 5th centuries.

"A must for anyone interested in the Roman Empire and its impact on world history." —Tony Robinson, star of Blackadder and Time Team. This entertaining and informative guide is the perfect introduction to the amazing world of ancient Rome and its emperors, epic wars, awesome architecture, heroes, and villains. With a complete rundown of Roman history alongside fascinating insights into the lives of everyday Romans, you'll discover the amazing people and events involved in the rise and fall of one of the greatest of all ancient civilizations and how its influence is felt around the world today. If you've tuned into any of several TV shows focused on Rome and want to learn more about this fascinating part of history, *The Romans For Dummies* is the book for you. Schoolteachers and lecturers looking for light-hearted inspiration for lessons will also benefit from this riotous Roman adventure chronicling the rise and fall of the Empire. *The Romans For Dummies* is an accessible guide written in plain English giving you the fascinating facts of this ancient civilization. You'll learn about the following (and more): How Roman society was divided into classes The assemblies that ruled Rome Why villas were important to the Romans Details about the Roman army, including a Roman soldier's equipment The wonder of Roman architecture, cities, roads, aqueducts, and sewers Everything you ever wanted to know about gladiators and then some The importance of Roman temples, shrines, and the gods How Rome became a republic, an empire, and then collapsed Additionally, you'll learn about turning points in Roman history, (mostly) good and (some) bad Romans, Rome's greatest enemies, and great places to visit you won't want to miss on your next Roman holiday. Grab a copy of *The Romans For Dummies* to discover this and so much more. Guy de la Bédoyère is a historian, archaeologist, and Roman expert, he is well known for his numerous books and appearances on TV, especially Channel 4's *Time Team*.

**The Roman Republic** - Captivating History 2018-03-27

Explore the Captivating History of the Roman Republic When we think of ancient Rome, the first notion that comes to mind is the one of the empire, followed by the image of a mighty

emperor, his legions, colossal buildings, and the Gladiators (or the rhetoric and poetry, depending on your preferences). Some may recall the image of a "unified" Europe under a single sovereign - the emperor of Rome. However, Rome did not become remarkable at this considerably late phase. In fact, many historians see the history of Rome under the Emperors as a long, gradual decline. It was during the Republic that Rome gained an empire. Most of the achievements that the first emperor of Rome, Octavian Augustus, claimed to have completed were, in fact, earned during the Roman Republic. In this book, we'll have a close look at the beginning of Roman civilization, the foundation of the city and the Senate, the expansion of the Roman Republic, its glory, and its end. Some of the topics covered in this book include: The Past that Made It Possible: The Foundation of Rome between Myth and History Down with the Kings: The Past that Made It Happen Early Republic Military Achievements of Early Republic: Taking Italy Middle Republic: The Punic Wars and Mediterranean Dominance The Military vs. Cultural Dominance: The Roman Civilization meets the Greek World Limitless Power and the Beginning of the End: The Late Republic The Age of the Generals: Pompeius, Crassus, and Caesar Senatus Populus-Que Romanus (SPQR) and Its Downfall The Rise and Fall of Julius Caesar and the End of the Roman Republic And a Great Deal More You Don't Want to Miss Out On! Get the book now to learn more about the Roman Republic

**Ancient Rome** - Enthralling History 2021-09-29

building unfolded. We will explore the captivating stories of the brilliant and indomitable people who built Rome and the chaotically destructive people who destroyed it from within. This thoroughly-researched history vividly presents a fascinating insight into ancient Rome. The clear and compelling narrative provides a comprehensive overview without being pretentious and boring. A glimpse of the questions this book will uncover includes: What happened when a goddess met a handsome shepherd on a lonely hilltop? Who escaped from burning Troy to later become a king in Italy? What ill-fated romance impelled Queen Dido of Carthage to commit suicide? How did a Vestal Virgin get pregnant? Why were the babies floating down the river in a basket - and what happened to them? Did Romulus get blown away in a windstorm? Or was he torn to pieces by the senators? How did abuse of power by tyrannical kings lead to a democratic Republic? What led to the Celtic Gauls invading and sacking Rome? How did Rome rise from the ashes to reassert its dominant power? What strategies did the Romans learn to fight against war elephants? And how did Hannibal get those elephants through the snow and over the Alps? Which disastrous wars led to the term "pyrrhic victory?" Who was the Roman gladiator who led a slave revolt of 40,000 people? Did Caligula make his horse a priest? Why did Nero blame the great fire of Rome on the Christians? How did Rome cope with the Great Jewish Revolt? What canny strategies led to the conquest of Britain? Which Scottish people were covered with blue tattoos? Which power-hungry Grandma had one of her grandsons assassinated to put another one on the throne? What happened when Diocletian tried to convert or kill all the Christians in the empire? What vision eventually led Constantine to abandon paganism for Christianity? And much, much more! Scroll up and click the "add to cart" button to learn the stories of the incredible ancient Rome!

*Mortal Republic* - Edward J. Watts 2018-11-06  
Learn why the Roman Republic collapsed -- and how it could have continued to thrive -- with this insightful history from an award-winning author. In *Mortal Republic*, prize-winning historian Edward J. Watts offers a new history of the fall of the Roman Republic that explains why Rome

exchanged freedom for autocracy. For centuries, even as Rome grew into the Mediterranean's premier military and political power, its governing institutions, parliamentary rules, and political customs successfully fostered negotiation and compromise. By the 130s BC, however, Rome's leaders increasingly used these same tools to cynically pursue individual gain and obstruct their opponents. As the center decayed and dysfunction grew, arguments between politicians gave way to political violence in the streets. The stage was set for destructive civil wars -- and ultimately the imperial reign of Augustus. The death of Rome's Republic was not inevitable. In *Mortal Republic*, Watts shows it died because it was allowed to, from thousands of small wounds inflicted by Romans who assumed that it would last forever.

[Ancient Rome](#) - Stephan Weaver 2015-08-13  
Ancient Rome Ancient Rome is indeed an intriguing subject of history. The Roman Empire maintained European hegemony for half a millennium; it had legendary rulers like Augustus who as they say "found Rome a city of bricks and left it a city of marble." and as seducer not only of Cleopatra but also of the wives of his two main political rivals. This landmark biography examines Caesar in all of these roles and places its subject firmly within the context of Roman society in the first century B.C. Goldsworthy realizes the full complexity of Caesar's character and shows why his political

and military leadership continues to resonate thousands of years later.
