The Curious Incident of the Dog in the Night-Time - Mark Haddon 2009-02-24

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

The Translator as Writer - Susan Bassnett 2007-11-15

Over the last two decades, interest in translation around the world has increased beyond any predictions. International bestseller lists now contain large numbers of translated works, and writers from Latin

America, Africa, India and China have joined the lists of eminent, bestselling European writers and those from the global English-speaking world. Despite this, translators tend to be invisible, as are the processes they follow and the strategies they employ when translating. The Translator as Writer bridges the divide between those who study translation and those who produce translations, through essays written by well-known translators talking about their own work as distinctive creative literary practice. The book emphasises this creativity, arguing that translators are effectively writers, or rewriters who produce works that can be read and enjoyed by an entirely new audience. The aim of the book is to give a proper prominence to the role of translators and in so doing to move attention back to the act of translating, away from more abstract speculation about what translation might involve.

The Hunger - Alma Katsu 2019-03-05

"Deeply, deeply disturbing, hard to put down, not recommended reading after dark." --Stephen King A tense and gripping reimagining of one of America's most haunting human disasters: the Donner Party with a supernatural twist. Evil is invisible, and it is everywhere. That is the only way to explain the series of misfortunes that have plagued the wagon train known as the Donner Party. Depleted rations, bitter quarrels, and the mysterious death of a little boy have driven the isolated travelers to the brink of madness. Though they dream of what awaits them in the West, long-buried secrets begin to emerge, and dissent among them escalates to the point of murder and chaos, unknowingly propelling them into one of the deadliest and most disastrous Western adventures in American history. As members of the group begin to disappear, the survivors start to wonder if there really is something disturbing, and hungry, waiting for them in the mountains...and whether the evil that has unfolded around them may have in fact been growing within them all along. Effortlessly combining the supernatural and the historical, The Hunger is an eerie, thrilling look at the volatility of human nature, pushed to its breaking point.

The Diary of a Killer Cat - Anne Fine 2011-03-03

Everyone loves the wickedly dry sense of humour of The Diary of a Killer

Cat by Anne Fine. Okay, Okay. So hang me. I killed the bird. For pity's sake, I'm a cat. Poor Ellie is horrified when Tuffy drags a dead bird into the house. Then a mouse. But Tuffy can't understand what all the fuss is about. Who on earth will be the next victim to arrive through the cat-flap? Can soft-hearted Ellie manage to get her beloved pet to change his wild, wild ways before he ends up in even deeper trouble? The hilarious antics of Tuffy and his family as told by the killer cat himself. 'Anne Fine knows how to make readers laugh' Guardian Anne Fine has written numerous highly acclaimed and prize-winning books for children and adults. The Tulip Touch won the Whitbread Children's Book of the Year Award; Goggle-Eyes won the Guardian Children's Fiction Award and the Carnegie Medal; Flour Babies won the Carnegie Medal and the Whitbread Children's Book of the Year; and Bill's New Frock won a Smarties Prize. Anne Fine was named Children's Laureate in 2001 and was awarded an OBE in 2003.

English Medium Instruction - Ernesto Macaro, 2018-02-19
Ernesto Macaro brings together a wealth of research on the rapidly expanding phenomenon of English Medium Instruction. Against a backdrop of theory, policy documents, and examples of practice, he weaves together research in both secondary and tertiary education, with a particular focus on the key stakeholders involved in EMI: the teachers and the students. Whilst acknowledging that the momentum of EMI is unlikely to be diminished, and identifying its potential benefits, the author raises questions about the ways it has been introduced and developed, and explores how we can arrive at a true cost-benefit analysis of its future impact. "This state-of-the-art monograph presents a wide-ranging, multi-perspectival yet coherent overview of research, policy, and practice of English Medium Instruction around the globe. It gives a thorough, in-depth, and thought-provoking treatment of an educational

phenomenon that is spreading on an unprecedented scale." Guangwei Hu, National Institute of Education, Singapore Additional online resources are available at www.oup.com/elt/teacher/emi Ernesto Macaro is Professor of Applied Linguistics at the University of Oxford and is the founding Director of the Centre for Research and Development on English Medium Instruction at the university. Barking - Turid Rugaas 2008

Barking is more than just noise. Barking is natural and almost all dogs bark. It is one of the many ways dogs communicate with each other as well as with humans. In this book, author Turid Rugaas, well known for her work on identifying and utilizing canine calming signals, turns her attention to understanding and managing barking behavior. Think of barking as your dogs language. By learning to identify what your dog is expressing when he barks, you can take steps to minimize their negative effects.

The Book of Ser Marco Polo, the Venetian, Concerning the Kingdoms and Marvels of the East - Marco Polo 1903

Towards a New Standard - Massimo Cerruti 2017-01-11

In many European languages the National Standard Variety is converging with spoken, informal, and socially marked varieties. In Italian this process is giving rise to a new standard variety called Neo-standard Italian, which partly consists of regional features. This book contributes to current research on standardization in Europe by offering a comprehensive overview of the re-standardization dynamics in Italian. Each chapter investigates a specific dynamic shaping the emergence of Neo-standard Italian and Regional Standard Varieties, such as the acceptance of previously non-standard features, the reception of Old Italian features excluded from the standard variety, the changing standard language ideology, the retention of features from Italo-Romance dialects, the standardization of patterns borrowed from English, and the developmental tendencies of standard Italian in Switzerland. The contributions investigate phonetic/phonological, prosodic, morphosyntactic, and lexical phenomena, addressed by several empirical methodologies and theoretical vantage points. This work is of interest to scholars and students working on language variation and change, especially those focusing on standard languages and standardization dynamics.

The Via Francigena. 1000 Kilometres on Foot from the Gran San Bernardo to Rome - Roberta Ferraris 2018

Contrastive Phraseology - Cotta Ramusino 2020

This volume is addressed to researchers in the field of phraseology, and to teachers, translators and lexicographers. It is a collection of essays offering a comprehensive, modern analysis of phrasemes, embracing a wide range of subjects and themes, from linguistic, both applied and theoretical, to cultural aspects. The contrastive approach underlying this variety of themes allows the divergences and analogies between phraseological units in two or more languages to be outlined. The languages compared here are both major and minor, European and non-European, and the text includes contrastive analyses of the most commonly investigated languages (French-German, English-Spanish, Russian-German), as well as some less frequently investigated languages (like Ukrainian, Romanian, Georgian and Thai), which are not as well-represented in phraseological description, despite their scientific interest.

The Dog Listener - Jan Fennell 2002

International bestselling author and "dog whisperer" Fennell provides a revolutionary insight into the hidden body language of dogs.

Handbook of International Futurism - Günter Berghaus 2018-12-17

The Handbook of International Futurism is the first reference work ever to presents in a comparative fashion all media and countries in which the movement, initiated by F.T. Marinetti in 1909, exercised a particularly noteworthy influence. The handbook offers a synthesis of the state of scholarship regarding the international radiation of Futurism and its influence in some fifteen artistic disciplines and thirty-eight countries. While acknowledging the great achievements of the movement in the visual and literary arts of Italy and Russia, it treats Futurism as an international, multidisciplinary phenomenon that left a lasting mark on the manifold artistic manifestations of the early twentieth-century avant-garde. Hundreds of artists, who in some phase in their career absorbed Futurist ideas and stylistic devices, are presented in the context of their national traditions, their international connections and the media in which they were predominantly active. The handbook acts as a kind of multi-disciplinary, geographical encyclopaedia of Futurism and gives scholars with varying levels of experience a detailed overview of all

countries and disciplines in which the movement had a major impact.

The Dog Whisperer - Graeme Sims 2014-12-04

Reverend Graeme Sims's faithful pack follow his every command as if they can read his mind. But their willingness is down to an enlightened training method using his technique of dog whispering, which is based on the idea of treating the dogs as partners, not as servants, and human and dog learning to understand each other. This detailed, step-by-step instruction book shows you how to communicate properly with your dog, including guidelines on: how to choose the right breed of dog for you (or whether you're the right owner for a dog); how and when to use different commands; how to build a bond of trust; how to overcome problems with specific sections on the problem dog, the rescue dog, the nervous dog and the aggressive dog. THE DOG WHISPERER is a definitive guide to effective dog training for dog-owners and dog-lovers everywhere.

Generative Morphology - Sergio Scalise 2020-10-26

The architecture of the human language faculty has been one of the main foci of the linguistic research of the last half century. This branch of linguistics, broadly known as Generative Grammar, is concerned with the formulation of explanatory formal accounts of linguistic phenomena with the ulterior goal of gaining insight into the properties of the 'language

organ'. The series comprises high quality monographs and collected volumes that address such issues. The topics in this series range from phonology to semantics, from syntax to information structure, from mathematical linguistics to studies of the lexicon. A Friend Like Henry - Nuala Gardner 2011-08-18

This is the inspiring account of a family's struggle to break into their son's autistic world - and how a beautiful retriever dog made the real difference. Dale was still a baby when his parents realised that something wasn't right. Worried, his mother Nuala took him to see several doctors, before finally hearing the word 'autism' for the first time. Scared but determined that Dale should live a fulfilling life, Nuala describes her despair at her son's condition, her struggle to prevent Dale being excluded from a 'normal' education and her sense of hopeless isolation. Dale's autism was severe and violent and family life was a daily battleground. But the Gardner's lives were transformed when they welcomed a gorgeous Golden Retriever into the family. The special bond between Dale and his dog Henry helped them to produce the breakthrough in Dale they had long sought. From taking a bath to saying 'I love you', Henry helped introduce Dale to all the normal activities most parents take for granted, and set him on the road to being the charming and well-adjusted young man he is today. This is a heartrending and fascinating account of how one devoted and talented dog helped a little boy conquer his autism.

Jane Seymour, The Haunted Queen - Alison Weir 2019-05-07

"A sumptuous historical novel anchored by its excellent depiction of Jane Seymour, Henry the VIII's third queen . . . This is a must for all fans of Tudor fiction and history."—Publishers Weekly Ever since she was a child, Jane has longed for a cloistered life as a nun. But her large noble family has other plans, and as an adult, Jane is invited to the King's court to serve as lady-in-waiting to Queen Katherine of Aragon. The devout Katherine shows kindness to all her ladies, almost like a second mother, which makes rumors of Henry's lustful pursuit of Anne Boleyn—also lady-in-waiting to the queen—all the more shocking. For Jane, the betrayal triggers memories of a haunting incident that shaped her beliefs about marriage. But once Henry disavows Katherine and secures Anne as his new queen—forever altering the religious landscape of England—he turns his eye to another: Jane herself. Urged to return the King's affection and earn favor for her family, Jane is drawn into a dangerous political game that pits her conscience against her desires. Can Jane be the one to give the King his long-sought-after son, or will she be cast

aside like the women who came before her? Bringing new insight to this compelling story, Alison Weir marries meticulous research with gripping historical fiction to re-create the dramas and intrigues of the most renowned court in English history. At its center is a loving and compassionate woman who captures the heart of a king, and whose life will hang in the balance for it. Praise for Jane Seymour, The Haunted Queen "Bestselling [Alison] Weir's impressive novel shows why Jane deserves renewed attention [and] illustrates Jane's unlikely journey from country knight's daughter to queen of England. . . . From the richly appointed decor to the religious tenor of the time, the historical ambience is first-rate."—Booklist (starred review) "Deft, authoritative biographical fiction . . . a dramatic and empathic portrait of Jane Seymour."—Kirkus Reviews
