## **The Last Man Annotated** - Mary W Shelley 2021-05-23

The Last Man is an apocalyptic science fiction novel. The book tells of a future world (the first-person narrative is that of a man living at the end of the 21st century) that has been ravaged by a plague. The novel was harshly reviewed at the time, and was virtually unknown until a scholarly revival beginning in the 1960s.

## *Poems of Fernando Pessoa* - Fernando Pessoa 1998-06

Fernando Pessoa is Portugal's most important contemporary poet. He wrote under several identities, which he called heteronyms: Albet Caeiro, Alvaro de Campos, Ricardo Reis, and Bernardo Soares. He wrote fine poetry under his own name as well, and each of his "voices" is completely different in subject, temperament, and style. This volume brings back into print the comprehensive collection of his work published by Ecco Press in 1986.

## *The World Saved by Kids* - Elsa Morante 2016

First published in 1968, *The World Saved By Kids* was written in the aftermath of deep personal change and in the context of what Elsa Morante called the great youth movement exploding against the funereal machinations of the organized contemporary world . Greeted by Pier Paolo Pasolini as a political manifesto written with the grace of a fairy tale and by Antonio Porta as one of the most important books of the decade, *The World Saved By Kids* has Morante display true mastery of tone, rhythm and imagery as she works elegy, parody, storytelling, song and several more forms into an act of language magic through which Gramsci and Rimbaud, Christ and Antigone, Mozart and Simone Weil and a host of other figures join the sassy, vulnerable neighbourhood kids in a renewal of the word s timeless, revolutionary power to explore and celebrate life s insoluble paradox. Morante gained international

recognition and critical acclaim for her novels *Menzogna e sortilegio* (to date untranslated except for a heavily abridged version), *History*, *Arturo s Island* and *Aracoeli* but always considered the unclassifiable *World Saved By Kids* her best book and the one that most closely spoke her spirit. "

*The Wall of the Earth* - Giorgio Caproni 1992

"The work of Giorgio Caproni has been translated into French, German, and Chinese, among others, but this collection is his first book-length English publication. His works are finely tuned to modern man's preoccupations with existence in a world deprived of certainties (for example, the existence or inexistence of God). Most are touched by experiences such as the Second World War and its atrocities, the Resistance Movement, or the death of loved ones, events that represent the conviction of a subject that will do its best to survive all adversity, uncompromised" -- from the Introduction by Pasquale Verdicchio

*Six Memos for the Next Millennium* - Italo Calvino 2013-04-04

Italo Calvino was due to deliver the Charles Eliot Norton lectures at Harvard in 1985-86, but they were left unfinished at his death. The surviving drafts explore of the concepts of Lightness, Quickness,

Multiplicity, Exactitude and Visibility (Constancy was to be the sixth) in serious yet playful essays that reveal Calvino's debt to the comic strip and the folktale. With his customary imagination and grace, he sought to define the virtues of the great literature of the past in order to shape the values of the future. This collection is a brilliant précis of the work of a great writer whose legacy will endure through the millennium he addressed. Italo Calvino, one of Italy's finest postwar writers, has delighted readers around the world with his deceptively simple, fable-like stories. Calvino was born in Cuba in 1923 and raised in San Remo, Italy; he fought for the Italian Resistance from 1943-45. His major works include *Cosmicomics* (1968), *Invisible Cities* (1972), and *If on a winter's night a traveler* (1979). He died in Siena in 1985, of a brain hemorrhage. Lorenzo De' Medici and the Art of Magnificence - F. W. Kent 2004

"Historian F.W. Kent offers a new look at Lorenzo's relationship to the arts, aesthetics, collecting, and building - especially in the context of his role as the political boss (maestro della bottega) of republican Florence and a leading player in Renaissance Italian diplomacy. Kent's approach reveals Lorenzo's activities as an art patron as far more extensive and creative than previously thought. Known as "the Magnificent," Lorenzo was broadly interested in the arts and supported efforts to beautify Florence and the many Medici lands and palaces. His expertise was well regarded by guildsmen and artists, who often turned to him for advice as well as for patronage.

Those Who from Afar Look Like Flies - Luigi Ballerini 2017-08-28

*Those Who from Afar Look Like Flies* is an anthology of poems and essays that aims to provide an organic profile of the evolution of Italian poetry after World War II. Beginning with the birth of *Officina* and *Il Verri*, and culminating with the crisis of the mid-seventies, this tome features works by such poets as Pasolini, Pagliarani, Rosselli, Sanguineti and Zanzotto, as well as such forerunners as Villa and Cacciatore. Each section of this anthology, organized chronologically, is preceded by an introductory note and documents every stylistic or substantial change in the poetics of a group or individual. For each poet, critic, and translator a short biography and bibliography is also provided.

*The Confessions Of A Concubine* - Roberta Mezzabarba 2021-12-31

One day you will be happy, but first life will teach you how to be strong. A powerful novel, charged with strong emotions, with a cadenced rhythm. A story of domestic violence, of psychological abuse that will grab you in the gut. Mysia, a young woman, and her monochromatic life that step by step will become increasingly tinged with black, a black that knows sadness, fear, mourning. And in an escalation of violence, when the situation seems to become irreparable, impossible to bear, it will seem as if there is only one solution... But life is sometimes able to surprise us, and although this will not represent a fair reward for the wrongs suffered, perhaps over time it will be able to mitigate the memories, cushioning sharp edges and opening an unhopd-for glimmer of light. Every one of us deserves a life in color, deserves to finally be the architect of our own destiny, without succumbing any longer, to finally be free to love, to love each other.

The Journey of the Mind to God - Saint Bonaventure (Cardinal)

1993-01-01

The Hackett edition of this classic of medieval philosophy and mysticism--a plan of pilgrimage for the learned Franciscan wishing to reach the apex of the mystical experience--combines the highly regarded Boehner translation with a new introduction by Stephen Brown focusing on St. Francis as a model of the contemplative life, the meaning of the Itinerarium, its place in Bonaventure's mystical theology, and the plan of the work. Boehner's Latin Notes, as well as Latin texts from other works of Bonaventure included in the Franciscan Institute Edition, are rendered here in English, making this the edition of choice for the beginning student.

**Gadda Goes to War** - Federica G Pedriali 2013-10-10

Introduces and analyses a stage performance of texts by Italian Modernist writer Carlo Emilio Gadda. When do we start going to war and why? And what did it mean to go to war from World War I to World War II and beyond, in Italy, before and after Mussolini, before and after, that is, that warring spirit of the age which keeps nations in fighting mode? Both time specific and universal, these questions are explored in this

book through a unique combination of scholarly and theatrical performance based on the war diaries and a belated anti-Mussolini pamphlet by Italy's greatest Modernist writer Carlo Emilio Gadda (1893-1973). These works were adapted for the stage by actor, playwright and director Fabrizio Gifuni in 2010, and are now presented for the first time in English, supplemented with facing Italian text, a dvd of the performance with English subtitles, and an engaging, thought-provoking scholarly guide to Italy's own Joyce purposely produced for the Anglophone audience by the Edinburgh Gadda Projects Team. Key Features: Introduces Italy's greatest Modernist writer to the Anglophone audience in five sections: Poetics, Circulation, Translation, Staging and Resources. Provides a flexible teaching and learning aid for work across subject areas. Presents the first significant new English Gadda translation since the 1960s. Includes the original Italian texts (with facing English translation) and the dvd of the Italian performance (with English subtitles). Fabrizio Gifuni is one of Italy's leading actors. His career successfully combines cinema and theatre. In 2011 he was awarded the prestigious Federico Fellini Prize for his outstanding career in the arts. Federica G. Pedriali is Professor of Literary Metatheory and Modern Italian Studies and Head of Italian Studies at the University of Edinburgh. She is the Founder and Director of the Edinburgh Gadda Projects, General Editor of the Edinburgh Journal of Gadda Studies and Director of the Italo-Scottish Research Centre.

**Swiftiana** - Jonathan Swift 1804

**Zibaldone** - Giacomo Leopardi 2013-07-16

A groundbreaking translation of the epic work of one of the great minds of the nineteenth century Giacomo Leopardi was the greatest Italian poet of the nineteenth century and was recognized by readers from Nietzsche to Beckett as one of the towering literary figures in Italian history. To many, he is the finest Italian poet after Dante. (Jonathan Galassi's translation of Leopardi's *Canti* was published by FSG in 2010.) He was also a prodigious scholar of classical literature and philosophy, and a voracious reader in numerous ancient and modern languages. For most of his writing career, he kept an immense notebook, known as the *Zibaldone*, or "hodge-podge," as Harold Bloom has called it, in which Leopardi put down his original, wide-ranging, radically modern responses to his reading. His comments about religion, philosophy, language, history, anthropology, astronomy, literature, poetry, and love are unprecedented in their brilliance and suggestiveness, and the *Zibaldone*, which was only published at the turn of the twentieth century, has been recognized as one of the foundational books of modern culture. Its 4,500-plus pages have never been fully translated into English until now, when a team under the auspices of Michael Caesar and Franco D'Intino of the Leopardi Centre in Birmingham, England, have spent years producing a lively, accurate version. This essential book will change our understanding of nineteenth-century culture. This is an extraordinary, epochal publication.

Once Upon a Time in America - Harry Grey 1997

Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover - through trust, hard work and brutality - the true meaning of the American Dream.

Australians in Italy - Bill Kent 2008

"Long before the advent of modern tourism, Australians travelled to live in Italy, or undertook extensive visits there. Indeed they continue to do so in increasing numbers, as women and men find Italian partners; as business people with European interests settle there; as retirees in their thousands seek 'the good life' that Italy - in Ros Pesman's words, this

'culturally endowed place of rebirth' - seems to promise .... This collection seeks to map the past and present of the Australian love affair with Italy, and yields rich insights into its causes, motivations and transformations." -- About page.

**The House of Others** - Silvio D'Arzo 1995

The illegitimate son of a fortune teller, Ezio Comparoni (1920-52) never knew his father, rarely left his home town, and admitted no one to his home. His deliberate obscurity was compounded by his use of many pseudonyms, including Silvio d'Arzo, under which he wrote the remarkable novella and three stories collected in *The House of Others*. The novella *The House of Others* is among the rare perfect works of twentieth century fiction. In a desolate mountain village an old woman visits the parish priest, ostensibly to ask about dissolving a marriage. Gradually, as she probes for information on "special cases"--cases in which what is obviously wrong can also be irrefutably right--it becomes clear her true question is whether or not she might take her own life. The question is metaphysical, involving not only the woman's life but the priest's; and to it he has no answer.

The Book of Disquiet - Fernando Pessoa 2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

*The Witches* - Roald Dahl 2007-08-16

From the World's No. 1 Storyteller, *The Witches* is a children's classic that has captured young reader's imaginations for generations. This is

not a fairy tale. This is about real witches. Grandmamma loves to tell about witches. Real witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture!

*Hard Cash Valley* - Brian Panowich 2020-05-05

MARILYN STASIO, THE NEW YORK TIMES BOOK REVIEW – ONE OF THE 10 BEST CRIME NOVELS OF THE YEAR "The plotting is skilled, as is the sleuthing, and the landscape is stunning. But it's the hard-jawed characters, with their tough talk and scarred souls, who really get under your skin." — Marilyn Stasio, The New York Times Book Review Return to McFalls County and Bull Mountain in *Hard Cash Valley*, where Brian Panowich weaves another masterful tale of Southern Noir. Dane Kirby is a broken man and no stranger to tragedy. As a life-long resident and ex-arson investigator for McFalls County, Dane has lived his life in one of the most chaotic and crime-ridden regions of the south. When he gets called in to consult on a brutal murder in a Jacksonville, Florida, motel room, he and his FBI counterpart, Special Agent Roselita Velasquez, begin an investigation that leads them back to the criminal circles of his own backyard. Arnie Blackwell's murder in Jacksonville is only the beginning – and Dane and Roselita seem to be one step behind. For someone is hacking a bloody trail throughout the Southeast looking for Arnie's younger brother, a boy with Asperger's Syndrome who possesses an unusual skill with numbers that could make a lot of money and that has already gotten a lot of people killed—and has even more of the deadliest people alive willing to do anything it takes to exploit him. As Dane joins in the hunt to find the boy, it swiftly becomes a race against the clock that has Dane entangled in a web of secrets involving everyone from the Filipino Mafia to distrusting federal agents to some of the hardest southern outlaws he's ever known.

**Princely Citizen** - Francis William Kent 2013

Lorenzo de' Medici (1449-92) was in his own time one of the most renowned of Renaissance figures. His myth has continued to fascinate both scholars and the many tourists who are drawn by it to explore what remains of the Medicean presence in Florence. Lorenzo's first English biographer, William Roscoe, described him as the most remarkable man who had ever lived in ancient or modern times. This collection of essays explores Lorenzo's apprenticeship as the de facto ruler of Florence and the means by which he exerted control over friends and clients to ensure the ascendancy of the Medici dynasty. The essays place the religious and artistic patronage of Lorenzo in the context of his political career and explore other important aspects of his emergence as the princely citizen of a still proud republic. Francis W. Kent (1942-2010) established his reputation as a cultural and social historian of Renaissance Florence with his first monograph, *Household and Lineage in Renaissance Florence*. He turned his attention to Lorenzo de' Medici in the late 1980s, producing a steady stream of essays, collected here for the first time, and a major study of Lorenzo's art patronage, *Lorenzo de' Medici and the Art of Magnificence*. After the death of Nicolai Rubinstein in 2002, the first general editor of the multi-volume critical edition of Lorenzo de' Medici's letters, Kent took charge of the ongoing project and oversaw the publication of several more volumes. His forthcoming biographical study of Lorenzo's early career will be published by Harvard University Press. *Novelle Di Matteo Bandello* - John Payne 2019-03-12

**The Best of Me (Movie Tie-In Enhanced Ebook)** - Nicholas Sparks 2015-01-20

WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberator "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they

imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

A Girl Called Jules - Milena Milani 1967

*Believe, Obey, Fight* - Tracy H. Koon 2017-11-01

The Fascist regime under Mussolini regarded its youth as its best hope for the future. Young people were courted more assiduously than any other group in the society and their political socialization became a central concern of the government. *Believe, Obey, Fight* discusses the various tools used by the Fascist regime from 1922 to 1943 to shape the political values and environment of the young. Tracy Koon focuses on the secondary agents of socialization, including the party, the educational establishment, youth groups, and the media of political communication. She shows that the response to this socialization ranged from apparent consent to dissent and finally to open opposition. The regime employed several methods to produce consensus among the young. Koon's analysis begins with a discussion of the rhetorical style of Mussolini's message and the key political myths manipulated by his propaganda machine: fascism as continuing revolution and social justice, the glories of ancient Rome, the hygienic function of war and violence, the religious spirit of the new creed, and the omniscience of the leader. She then describes the pre-Fascist educational system, the "most Fascist" Gentile reforms of 1923, and the later revision of those reforms by zealous party men engaged in the Fascist regimentation of teachers and students and the militarization and politicization of curricula and textbooks. Equally important agents of socialization were the Fascist groups organized for young people from their earliest years through the university level, including the annual national competitions and forums in which members

could express their ideas on a range of issues. The regime provided physical, military, sports, and political training to strengthen the new Fascist society. Fascist socialization did for a time create a superficial consensus by appealing to both the love of conformity that marks the very young and the economic fears that caused students to conform in the hope of jobs. But Koon argues that the regime's attempt to exert totalitarian control over the young deprived them of personal identity. As time passed, the contradictions of the regime became clearer, the chasm between Fascist rhetoric and reality more obvious. In the end, the majority of young people came to believe that the regime had given them nothing to believe in, no one to obey, and nothing for which to fight. Originally published in 1985. *Mussolini Memoirs* - Benito Mussolini 2000

Here are the words of the man who led Italy to fascism and aided Hitler during the war, written in early 1944 as it all began to fall apart. A fascinating historical document of first-rate importance, these memoirs come from Mussolini's personal account (annotated but unaltered) of the

events immediately preceding and following the capitulation of the Italian armies and the collapse of his regime. Included as an appendix: the final conversation with the Cardinal of Milan three days before Il Duce's execution by Italian partisans.

**Mathematical Lives** - CLAUDIO BARTOCCI 2010-10-01

Steps forward in mathematics often reverberate in other scientific disciplines, and give rise to innovative conceptual developments or find surprising technological applications. This volume brings to the forefront some of the proponents of the mathematics of the twentieth century, who have put at our disposal new and powerful instruments for investigating the reality around us. The portraits present people who have impressive charisma and wide-ranging cultural interests, who are passionate about defending the importance of their own research, are sensitive to beauty, and attentive to the social and political problems of their times. What we have sought to document is mathematics' central position in the culture of our day. Space has been made not only for the great mathematicians but also for literary texts, including contributions by two apparent interlopers, Robert Musil and Raymond Queneau, for whom mathematical concepts represented a valuable tool for resolving the struggle between 'soul and precision.'
