Al Pacino - William Schoell 2016-04-27

One of our most passionate and gifted actors, Al Pacino has been riveting audiences for decades with performances in everything from The

Godfather to Angels in America to Danny Collins. He has also appeared on the stage, tackling such difficult roles as Richard III, King Herod and Shylock, along with parts in contemporary dramas like Glengarry Glen Ross. Pacino has also directed two documentaries and two feature films. Aspects of Pacino's private life and film choices can be controversial. Often accused of a lack of subtlety or of "chewing the scenery," his mesmeric intensity galvanizes fans and divides critics, as do his Shakespearean interpretations. In its completely revised second edition, this book critically reevaluates his many onscreen and onstage roles. Pacino is an actor who cannot be ignored.

The Proscenium Cage - Laurence Tocci 2007

This book is an examination of sample companies that produce theatre with and for prison inmates. It is a careful compilation of comprehensive case studies of three such producing companies. Based on personal interviews, newspaper reviews and articles, and other testimonials from participants, each case study catalogs the working processes of the given company, the conditions they faced working in the prison environment, and how the theatre-artists tailored their work to meet these conditions. Alongside the empirical study of the companies, the author has employed prevalent theories from criminology and penology, as well as applicable performance theory, to discuss the significance of the theatre work as a social phenomenon within the very specific culture of the prison. From these individual studies, the author draws conclusions about the potential importance and place theatre could have in the penal system. This book, a first study of its kind, is a groundbreaking and important contribution to theatre studies.

African American Theater is a vibrant and unique entity enriched by

ancient Egyptian rituals, West African folklore, and European theatrical practices. A continuum of African folk traditions, it combines storytelling, mythology, rituals, music, song, and dance with ancestor worship from ancient times to the present. It afforded black artists a cultural gold mine to celebrate what it was like to be an African American in The New World. The A to Z of African American Theater celebrates nearly 200 years of black theater in the United States, identifying representative African American theater-producing organizations and chronicling their contributions to the field from its birth in 1816 to the present. This is done through a chronology, an introductory essay, a bibliography, and over 500 cross-referenced dictionary entries on actors, directors, playwrights, plays, theater producing organizations, themes, locations, and theater movements and awards.

Colorization - Wil Haygood 2021-10-19

A NEW YORK TIMES CRITICS' TOP BOOK OF THE YEAR • BOOKLISTS' EDITOR'S CHOICE • ONE OF NPR'S BEST BOOK OF THE YEAR "At once a film book, a history book, and a civil rights book.... Without a doubt, not only the very best film book [but] also one of the best books of the year in any genre. An absolutely essential read." —Shondaland This unprecedented history of Black cinema examines 100 years of Black movies—from *Gone with the Wind* to Blaxploitation films to Black Panther—using the struggles and triumphs of the artists, and the films themselves, as a prism to explore Black culture, civil rights, and racism in America. From the acclaimed author of *The Butler* and *Showdown*. Beginning in 1915 with D. W. Griffith's *The Birth of a Nation*—which glorified the Ku Klux Klan and became Hollywood's first blockbuster—Wil Haygood gives us an incisive, fascinating, little-known history, spanning more than a century, of Black artists in the film business, on-screen and behind the scenes. He makes clear the effects of changing social realities and events on the business of making movies and on what was represented on the screen: from Jim Crow and segregation to white flight

and interracial relationships, from the assassination of Malcolm X, to the O. J. Simpson trial, to the Black Lives Matter movement. He considers the films themselves—including *Imitation of Life*, *Gone with the Wind*, *Porgy and Bess*, the Blaxploitation films of the seventies, *Do The Right Thing*, *12 Years a Slave*, and *Black Panther*. And he brings to new light the careers and significance of a wide range of historic and contemporary figures: Hattie McDaniel, Sidney Poitier, Berry Gordy, Alex Haley, Spike Lee, Billy Dee Williams, Richard Pryor, Halle Berry, Ava DuVernay, and Jordan Peele, among many others. An important, timely book, *Colorization* gives us both an unprecedented history of Black cinema and a groundbreaking perspective on racism in modern America. Feeling Italian - Thomas J. Ferraro 2005-05-01

2006 American Book Award, presented by the Before Columbus Foundation Southern Italian emigration to the United States peaked a full century ago—;descendents are now fourth and fifth generation, dispersed from their old industrial neighborhoods, professionalized, and fully integrated into the "melting pot." Surely the social historians are right: Italian Americans are fading into the twilight of their ethnicity. So, why is the American imagination enthralled by *The Sopranos*, and other portraits of Italian-ness? Italian American identity, now a mix of history and fantasy, flesh-and-bone people and all-too-familiar caricature, still has something to teach us, including why each of us, as citizens of the U.S. twentieth century and its persisting cultures, are to some extent already Italian. Contending that the media has become the primary vehicle of Italian sensibilities, Ferraro explores a series of books, movies, paintings, and records in ten dramatic vignettes. Featured cultural artifacts run the gamut, from the paintings of Joseph Stella and the music of Frank Sinatra to *The Godfather's* enduring popularity and Madonna's Italian background. In a prose style as vivid as his subjects,

Ferraro fashions a sardonic love song to the art and iconography of Italian America.

American Film Now - James Monaco 1984

At This Theatre - Louis Botto 2010-12-01

Theatregoers' favorite history of Broadway is back in an updated and expanded 2010 edition including more than 500 color production photos, vintage archival photos, and Playbill covers from all forty currently operating Broadway theatres. Thirty-eight of the original chapters have been expanded to cover all the shows that have opened in the ten years since the popular 2000 edition, with two new chapters added to include Broadway theatres recently refurbished and returned to life. This unique chronicle is the first work to present a detailed theatre-by-theatre roundup of players and productions that have enchanted audiences at Broadway's great playhouses from 1900 to 2010. The work is an expanded treatment of "At This Theatre" the popular feature in Playbill's Broadway theatre programs. "At This Theatre" offers playgoers instant nostalgia by listing notable hits (and some famed fiascos) that have played through the years in the theatre that they are attending. The book also pays tribute to the distinguished impresarios who built and managed these houses, and the brilliant architects and interior designers who created them. The original 1984 edition was created by Playbill senior editor Louis Botto. Botto worked with editor Robert Viagas on the 2000 update. With the third edition, Botto has passed the author torch to Viagas, who founded Playbill.com and the acclaimed Playbill Broadway Yearbook series, and who has written the updates in Botto's style.

Richard Pryor - Audrey Thomas McCluskey 2008

Al Pacino - Lawrence Grobel 2008-09-04

Not only is Al Pacino known as 'one of the greatest actors in all of film history', he is also considered 'one of Hollywood's most notorious bachelors' (imdb.com) as well as being one of the most enigmatic and private celebrities in the world. For the first time, AL PACINO offers a deeply personal and revealing window into everything from his growing up in the South Bronx, where he shared three rooms with nine people, to his fabled studies with Charles Laughton and Lee Strasberg, his father's absence, his mother's early death, and how he bounced through a series of odd jobs until his first paid role at the age of 26. He reveals his childhood dream of becoming a professional baseball player, describes his first drink at 13, and admits his once ate Valium like popcorn at the Academy Awards. Though he has been involved with women like Diane Keaton and Beverly D'Angelo, the mother of his three children, he has never married and here reveals why, and how his feelings have changed. Through it all, he has delivered some of the most seminal performances in film and theatre history and worked with most of its biggest stars. He was nominated for seven Academy Awards before winning Best Actor Oscar for Scent of a Woman. AL PACINO is an intensely personal look at a creative genius at the peak of his powers who, after all these years, still longs to learn more about his art. And for now, it's a close to a memoir as we are likely to get.
