[Dream Catcher](#) - Karen L. Hartman 1994

An adaptation of an Ojibwa Indian legend about a dream catcher that entangles bad dreams in the webbing and allows only the good dreams to go through. The Dream Catcher Lady emerges as the older and wiser Dream Catcher Woman.

Medicine Woman Within a Dream - Marilyn Hughes 2004-11

OUT-OF-BODY TRAVEL/MYSTICISM (Text-Only, PAPERBACK, POCKET): In MEDICINE WOMAN WITHIN A DREAM, you will meet the spirit of a great Native American Chief who teaches the author about the mysteries of evolution and the nature of light and dark energies within our realm. Along the way, you will meet the Medicine Women from Throughout the Ages and the Old Ones, who teach her to alter reality from the standpoint of energy and the many amazing ways in which the eternal assists those of us encased in flesh to accomplish the goals of our existence in this world. Each of these books not only gives practical guidance on how to achieve the out-of-body experience, but each volume expands further on achieving higher states and handling the many situations that you come across when traveling out-of-body.(WWW.OUTOFBODYTRAVEL.ORG)

[Dream Big, Little One](#) - Vashti Harrison 2018-10-16

This beautifully illustrated book showcases women who changed the world. Featuring 18 trailblazing black women in American history, Dream Big, Little Leader is the irresistible board book adaptation of Little Leaders: Bold Women in Black History. Among these women, you'll find heroes, role models, and everyday women who did extraordinary things - bold women whose actions and beliefs contributed to making the world better for generations of girls and women to come. Whether they were putting pen to paper, soaring through the air or speaking up for the rights of others, the women profiled in these pages were all taking a stand against a world that didn't always accept them. The leaders in this book may be little, but they all did something big and amazing, inspiring generations to come.

Charlotte Hawkins Brown - Diane Silcox-Jarrett 1995

Eighteen-year old Charlotte Hawkins arrived in North Carolina in 1901 to teach a rural black school. When told to move on, she opened the Palmer Memorial Institute that survived for 70 years.

Almost Astronauts - Tanya Lee Stone 2011-09-27

They had the right stuff. They defied the prejudices of the time. And they blazed a trail for generations of women to follow. What does it take to be an astronaut? Excellence at flying, courage, intelligence, resistance to stress, top physical shape -- any checklist would include these. But when America created NASA in 1958, there was another unspoken rule: you had to be a man. Here is the tale of thirteen women who proved that they were not only as tough as the toughest man but also brave enough to challenge the government. They were blocked by prejudice, jealousy, and the scrawled note of one of the most powerful men in Washington. But even though the Mercury 13 women did not make it into space, they did not lose, for their example empowered young women to take their place in the sky, piloting jets and commanding space capsules. ALMOST ASTRONAUTS is the story of thirteen true pioneers of the space age. Back matter includes an author's note, an appendix, further reading, a bibliography, sources, source notes, and an index.

Living the Feminist Dream - Kate Bryan 2021-11

There are deeper issues at work here, but ultimately "surface level purity culture" and Christian celebrity

culture are problematic. I have many issues with the so-called "chastity" that has been preached in many circles. That understanding falls short-and we've watched the failures play out in modern culture. To me, the underlying issue is consistency -- consistency between what you preach and how you live your life, consistency between what you say and who you are.

Medicine Dream - Merilyn Tunneshende 1996

In the 1970s, the author became apprentice to the nagual shaman John Black Crow. Years later, ill with AIDS, the author returned to Mexico and underwent the ritual of "Healing Dreaming".

The Mother-to-Be's Dream Book - Ra?na M. Paris 2009-08-01

In the rich, revealing dreams of pregnancy both the mother and father-to-be can discover a lot about their baby - before it is born! This text includes information on dreams common for each trimester and a special glossary of what everything means.

Pandemic Dreams - Deirdre Barrett 2020-06-12

"This fascinating little volume explores the stuff that dreams are made of and the role the pandemic is playing in them. The dreams from Barrett's survey are riveting vignettes--from terrifying to touching to hilarious. Her decades of scientific research and clinical practice inform incisive commentary on what these dreams reveal about society's response. She offers simple exercises for managing anxieties over COVID-19 and for inspiring adaption in this unique period of history. A great read!" -Amy Tan, author of The Joy Luck Club
DREAM: I looked down at my stomach and saw dark blue stripes. I "remembered" these were the first sign of being infected with COVID-19. DREAM: My home was a Covid-19 test center. People weren't wearing masks. I'm taken aback because I wasn't asked to be a test site. I'm worried that my husband and son (who actually lives out of state) will catch it because of my job as a healthcare worker. DREAM: I was a giant antibody. I was so angry about COVID-19 that it gave me superpowers, and I rampaged around attacking all the virus I could find. I woke so energized! Since the COVID-19 pandemic swept around the world, people have reported unusually a vivid and bizarre dream lives. The virus itself is the star of many--literally or in one of its metaphoric guises. As a dream researcher at Harvard Medical School, Deirdre Barrett was immediately curious to see what our dream lives would tell us about our deepest reactions to this unprecedented disaster. Pandemic Dreams draws on her survey of over 9,000 dreams about the COVID-19 crisis. It describes how dreaming has reflected each aspect of the pandemic: fear of catching the virus, reactions to sheltering at home, work changes, homeschooling, and an individual's increased isolation or crowding. Some patterns are quite similar to other crises Dr. Barrett has studied such as 9/11, Kuwaitis during the Iraqi Occupation, POWs in WWII Nazi prison camps, and Middle Easterners during the Arab Spring. There are some very distinctive metaphors for COVID-19, however: bug-attack dreams and ones of invisible monsters. These reflect that this crisis is less visible or concrete than others we have faced. Over the past three months, dreams have progressed from fearful depictions of the mysterious new threat . . . to impatience with restrictions . . . to more fear again as the world begins to reopen. And dreams have just begun to consider the big picture: how society may change. The book offers guidance on how we can best utilize our newly supercharged dream lives to aid us through the crisis and beyond. It explains practical exercises for dream interpretation, reduction of nightmares, and incubation of helpful, problem-solving dreams. It also examines the larger arena of what these collective dreams tell us about our instinctive, unconscious responses to the threat and how we might integrate them for more livable policies through

these times. Deirdre Barrett, PhD is a dream researcher at Harvard Medical School. She has written five books including *Pandemic Dreams* and *The Committee of Sleep*, and edited four including *Trauma and Dreams*. She is Past President of The International Association for the Study of Dreams and editor of its journal, *DREAMING*.

Corn Woman Sings - Eleanor Druckrey 2008

"Do you want to know?" the spirit asked twenty-three-year-old Eleanor Barrón Druckrey in 1967. At the time, the young woman was not quite ready. Ten years later and still stalked by spirits day and night, Barrón Druckrey accepted the invitation to embark on a journey of discovery through her dreams. She began to understand a pattern of brilliance and beauty related to the ancient past when magic, wonder, and awe reigned throughout the native cultures in the Americas. Drawn from more than thirty years of recorded dreams, *Corn Woman Sings* brings Native American traditions to life. Interwoven with Barrón Druckrey's personal stories and discussions on the legends of the great dreamers, *Corn Woman's* legacy lays a path of transformation and renewal for the modern-day curandera, medicine woman and mystic, in all walks of life. *Corn Woman Sings* shows you how to start building a dream map that will lead you to personal transformation. It illustrates the process of opening up to your inner self and starting the process of uniting mind, body, and spirit. Only time will tell what you might witness in your dreams.

The Invisible Garment - Connie Kaplan 2004-01-01

The Invisible Garment introduces a set of principles that reminds us of the wonder of life, the breathtaking nature of each person's uniqueness, and the incomparable miracle of humanity. When we come to discover our own configuration of principles, we come to realize the beauty of our being. And when we begin to articulate those principles, we can begin to experience that all-embracing energy of love, which is the fabric of the universe living itself through us. And as we begin to wear our own invisible garment, whether impeccably or imperfectly, we contribute to the tapestry of society. It may seem ludicrous in this scientific age to put forth the possibility that human life is influenced and guided by intangible spiritual principles. It is perhaps even more outlandish to suggest concrete ways to discern those principles. And most frivolous is the idea that one uses those principles to design the blueprint for one's life before his or her birth. That is tantamount to saying that each person is a divine co-creator of life. In this revolutionary work, Dr. Kaplan makes all of these unorthodox (although not original) suggestions, including that in other dimensions of consciousness, each of us writes a pre-natal contract with life that we sign and seal at first breath. Book jacket.

They Dared to Dream - Doris Weatherford 2015

While many works chronicle the various facets of Florida's history, few have revealed the myriad contributions of the state's pioneering women. Doris Weatherford presents a comprehensive narrative of the leading ladies who shaped Florida, from prehistoric times to the present.

[I Dream a World](#) - 1989

The Woman's Book of Dreams - Connie Cockrell Kaplan 2000

This title emphasizes the uniqueness of woman's dreaming and shows the reader how to dream with intention, clarity and focus.

In the Dream House - Carmen Maria Machado 2019-11-05

A revolutionary memoir about domestic abuse by the award-winning author of *Her Body and Other Parties* *In the Dream House* is Carmen Maria Machado's engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming. And it's that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado's dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, Star Trek,

and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.

[Silicon Valley, Women, and the California Dream](#) - Glenna Matthews 2003

What accounts for the growing income inequalities in Silicon Valley, despite huge technological and economic strides? Why have the once-powerful labor unions declined in their influence? How are increasing waves of immigration and ethnic diversity changing the workplace in the Valley? *Silicon Valley, Women, and the California Dream* examines these questions from a fresh perspective: that provided by the history of women in Silicon Valley in the twentieth century. Silicon Valley is internationally renowned. It is less well known, however, that the Valley once contained the world's largest concentration of fruit-processing plants, set in a sea of fruit orchards. Despite the many differences between the fruit and electronics industries, one important thread connects them: the production workers have been preponderantly immigrant women. (In the early part of the twentieth century, the newcomers came primarily from southern Europe; in the latter part of the century, they came mostly from Asia and Latin America, especially Mexico.) The author examines both industries, both work forces, and the changing nature of the local power structure. Although she documents the many sources of vitality and ferment that have undergirded the region's economic might, she also demonstrates that its wealth has not been equally distributed.

Hold the Dream - Barbara Taylor Bradford 2014-02-06

A young woman inherits a business empire in this sequel to *A Woman of Substance*, book two in the #1 New York Times–bestselling author's Harte Family Saga. Nearing retirement, Emma Harte is preparing to leave her retail empire, Harte Enterprises, to her favorite grandchild, Paula McGill Fairley. She has only one request of Paula: "I charge you to hold my dream." Now Paula must navigate the cutthroat corporate waters of the business world while steering her course toward the happiness she longs for, and the legacy she herself will build. Emotionally rich and splendidly detailed, this sequel continues the story of the Hartes in magnificent style. "Few novelists are as consummate as Barbara Taylor Bradford at keeping the reader turning the page." —The Guardian "Another instant bestseller." —The Philadelphia Inquirer

[The Dream Women Called](#) - Lori Wilson 2021-03-11

Through the poems in *The Dream Women Called*, Lori Wilson attends to the spirits of depression, uncertainty, and fear while wondering at the beauty in what's broken, the remarkable in the ordinary, and the balm that the natural world can offer. Following a single speaker, we're reminded how many lives one woman can live. This book is about crossing into a new version of your own story—after a marriage ends, the parents die, the children are grown, or the faith is discarded—and finding a place to stand, a new way to take up space in the world. Uniting past and present, these poems create multifaceted portraits, particularly of relationships between mothers and daughters. Wilson's poems sift through memory, dreams, art, imagination, nature, and close observation, turning each discovery over in order to see it fully. Beneath the fine-grained imagery of these lyric excavations are the sometimes opposing but fundamental desires to be whole and to be seen, which often means looking within as well as turning toward the world outside. The speaker is listening always for the dream women who call, for whatever may beckon from the present and future, preparing her in some way for a life that's truly hers.

American Dream - Jason DeParle 2005-08-30

In this definitive work, two-time Pulitzer finalist Jason DeParle, author of *A Good Provider Is One Who Leaves*, cuts between the mean streets of Milwaukee and the corridors of Washington to produce a masterpiece of literary journalism. At the heart of the story are three cousins whose different lives follow similar trajectories. Leaving welfare, Angie puts her heart in her work. Jewell bets on an imprisoned man. Opal guards a tragic secret that threatens her kids and her life. DeParle traces their family history back six generations to slavery and weaves poor people, politicians, reformers, and rogues into a spellbinding epic. With a vivid sense of humanity, DeParle demonstrates that although we live in a country where anyone can make it, generation after generation some families don't. To read *American Dream* is to understand why.

A Dream in the World - Robin van Löben Sels 2004-03

How can science and religion co-exist in the modern discipline of psychotherapy? *A Dream in the World* explores the interfaces between religious experience and dream analysis. At the heart of this book is a selection of dreams presented by the author's patient during analysis, which are compared with the dreams

of Hadewijch, a thirteenth century woman mystic. The patient's dreams led the modern woman to an unanticipated breakthrough encounter with the divine, her "experience of soul". The experience reoriented and energized her life, and became her "dream-in-the-world". Following Jung's idea that the psyche has a religious instinct, Robin van Loben Sels demonstrates that the healing process possible through psychotherapy can come from beyond the psyche and can not be explained by our usual theories of scientific psychology. Written in flowing, easily-read language *A Dream in the World* details a classical Jungian analysis of a woman's dreams, and searches the relationship between religious encounter, psyche and soul.

Dream and Literary Creation in Womens Writings in the Eighteenth and Nineteenth Centuries - Isabelle Hervouet 2021-06-15

This edited collection deals with dream as a literary trope and the origin of or a source of creativity in women's writings. It gathers essays spanning a time period from the end of the seventeenth century to the mid-nineteenth century, with a strong focus on the Romantic period and particularly on Mary Shelley's *Frankenstein*, in which dreams are at the heart of the writing process but also constitute the diegetic substance of the narrative. The contributions re-examine the oneiric facets of the novel and develop fresh perspectives on dreams and dreaming in Mary Shelley's fiction and on other female authors (Anne Finch, Ann Radcliffe, Emily and Charlotte Brontë and a few others), re-appraising the textuality of dreams and their link to women's creativity and creation as a whole. This book, therefore, focuses on an aspect frequently mentioned but rarely subjected to in-depth analyses, especially within the context of an edited collection bringing together several authors. Replacing Shelley's fiction in a female line thanks to its chronological span, it allows readers to recognize common points between the various authors tackled in the book, interrogating the paradox of the invasion of Self by a radically Other force from a feminine perspective and raising the central issue of authorial intention. One of the strengths of this collection is its coherence: almost all the essays included deal with Romantic and early Victorian prose written by women. They shed light on one another by looking at the same or similar texts from different points of view, using a variety of critical approaches (feminist, psychoanalytic, intertextual, scientific, aesthetic, among others). The other articles (on late-eighteenth-early-nineteenth century scientists and on Anne Finch) provide readers either with necessary contextual information or with welcome chronological perspective.

A Safe Girl to Love - Casey Plett 2023-04-04

A new edition of the acclaimed debut story collection by two-time Lambda Literary Award winner Casey Plett. By the author of *Little Fish* and *A Dream of a Woman*: eleven unique short stories featuring young trans women stumbling through loss, sex, harassment, and love in settings ranging from a rural Mennonite town to a hipster gay bar in Brooklyn. These stories, shiny with whiskey and prairie sunsets, rattling subways and neglected cats, show that growing up as a trans girl can be charming, funny, frustrating, or sad, but will never be predictable. *A Safe Girl to Love*, winner of the Lambda Literary Award for transgender fiction, was first published in 2014. Now back in print after a long absence, this new edition includes an afterword by the author.

Little Fish - Casey Plett 2018-06-26

WINNER, Lambda Literary Award; Firecracker Award for Fiction; \$60,000 Amazon Canada First Novel Award When thirty-year-old trans woman Wendy Reimer comes across evidence that her late grandfather—a devout Mennonite farmer—might have been transgender himself, she dismisses this revelation, having other problems at hand. But as she and her friends struggle to cope with their increasingly volatile lives—which range from alcoholism, to sex work, to suicide—Wendy grows increasingly drawn to the lost pieces of her grandfather's life, becoming determined to unravel the mystery of his truth. Alternately warm-hearted and dark-spirited, desperate and mirthful, *Little Fish* explores the winter of discontent in the life of one transgender woman as her past and future become irrevocably entwined.

Elizabeth's Dream - Julianna FreeHand 1984

Dream, Redefined - Candace Clark Trinchieri 2021-04-20

Hitting at a flashpoint moment in history, *Dream, Redefined* focuses on the unique perspective of women of color through infertility diagnosis and treatment. Candace Clark Trinchieri provides a powerful voice for

minority women and shines a light on the distinctive struggles and barriers they face when it comes to infertility. Raw, non-clinical, and with a touch of humor borne from pain, personal and identifiable narratives, *Dream, Redefined: The Struggle and Success Through Infertility as a Woman of Color* dives deep into the cultural impact of infertility, pregnancy loss, the struggles of being a WOC in the medical system, lack of representation, and support and resources. Most importantly it amplifies voices and drives forward the personal stories that have been lacking in discussions of infertility. Rather than searching for a final answer, *Dream, Redefined* seeks to re-center the common narrative and help women find peace and resolution wherever the journey to motherhood takes them. Candace provides a comprehensive resource-list for minority women seeking answers, solace, community, and family building alternatives.

Complete Dream Book - Gillian Holloway 2006-07

The average person will dream over 150,000 dreams in a lifetime—each one a complex web of imagery and deeper meaning. The *Complete Dream Book* uses the interpretation of 28,000 actual dreams from contemporary dreamers, just like you, to help you access the substance and meaning of your own dreams. Discover: --Who's who in your dreams --Which dreams recur during certain life stages --The true meaning behind your nightmares --Why you have certain dreams again and again --How to tell if a dream is worth interpreting--and if you've done it correctly --The phenomenon of precognitive dreams The *Complete Dream Book* is the only dream interpretation book based on concrete data about real people's dreams and how the real events in their lives relate to their nighttime visions.

Every Man's Dream; Every Woman's Nightmare - Latitta Waggoner 2019-02-23

Jream is every man's desire and every woman's nightmare. She is surrounded by others who are in love with her. But when their love for her turns into obsession and envy, her life becomes in danger. On the outside looking in, Jream seems to be a classy woman of great integrity and an humble college student who has her whole life figured out. What others don't see is she has the weight of the world on her shoulders at the moment. In order to buy her mother's freedom and help save her sister from an abusive relationship, Jream has decided to do something she'd thought never do. Seemingly having the worst timing, the only man she has ever truly loved, Crawl, comes in only to find out what her new occupation has her doing: having sex for money. Disapproving, he tries his hardest to find a way to convince her to stop; but every time he does, he seems to push her further and further away from him. What Jream know is that Crawl's new occupation is just as bad as hers. For the last few years, he has been making a living off of taking the lives of others. After Jream has pissed off the wrong wife, she becomes a target and her former lover, Crawl, is hired to kill her. Will love overpower money and allow Jream's life to be spared or will nightmare finally come to pass?

When a Woman Discovers Her Dream - Cindi McMenamin 2005-01-15

It's never too late for Christian women to discover and live out their dreams in life. But how can they overcome the hurdles of always-hectic schedules or difficult circumstances--hurdles that cause them to give up and say, "It's too late...it's too far out of reach...it's too grand of a possibility for someone like me"? "When Women Discover Their Dreams" will enable women to... explore God's purpose for their life make greater use of their uniqueness and special gifts take practical steps to turn their dream into reality Women "can" live out the dreams God has placed on their hearts no matter what their stage or place in life. It just takes direction and encouragement--both of which are plentiful in Cindi McMenamin's newest book!

The Dream Woman - Wilkie Collins 2015-03-15

When Francis Raven is roused from his sleep on the eve of his birthday and confronted by the sight of a woman trying to stab him, he is unsure whether she is real or an apparition. Years later, against the wishes of his mother, he marries Alicia, a woman with a strange resemblance to the mysterious visitor, who ends up attacking him on his birthday, before vanishing from his life. Is Francis's wife a ghost, a demon or a living human being? And will the prophecy of the night-time visitation be fulfilled one day? Originally published in *Household Words* in 1855 as "The Ostler", but recast and expanded two decades later, *The Dream Woman* is a powerfully dark and suspenseful multi-narrative novella from the master of the mystery genre and the author of some of the most enduringly popular novels of the Victorian era.

The Dream Daughter - Diane Chamberlain 2018-10-02

New York Times bestselling author Diane Chamberlain delivers a thrilling, mind-bending novel about one

mother's journey to save her child. When Carly Sears, a young woman widowed by the Vietnam war, receives the news that her unborn baby girl has a heart defect, she is devastated. It is 1970, and she is told that nothing can be done to help her child. But her brother-in-law, a physicist with a mysterious past, tells her that perhaps there is a way to save her baby. What he suggests is something that will shatter every preconceived notion that Carly has. Something that will require a kind of strength and courage she never knew existed. Something that will mean an unimaginable leap of faith on Carly's part. And all for the love of her unborn child. The Dream Daughter is a rich, genre-spanning, breathtaking novel about one mother's quest to save her child, unite her family, and believe in the unbelievable. Diane Chamberlain pushes the boundaries of faith and science to deliver a novel that you will never forget. Praise for The Dream Daughter: "Chamberlain writes with supernatural gifts...fate, destiny, chance and hope combine for a heady and breathless wonder of a read." —Pam Jenoff, New York Times bestselling author of The Orphan's Tale "Can a story be both mind-bending and heartfelt? In Diane Chamberlain's hands, it can. The Dream Daughter will hold readers in anxious suspense until the last satisfying page." —Therese Fowler, New York Times bestselling author of Z

A Dream of a Woman - Casey Plett 2021-09-20

Casey Plett's 2018 novel *Little Fish* won a Lambda Literary Award, the Firecracker Award for Fiction, and the Amazon First Novel Award (Canada). Her latest work, *A Dream of a Woman*, is her first book of short stories since her seminal 2014 collection *A Safe Girl to Love*. Centering transgender women seeking stable, adult lives, *A Dream of a Woman* finds quiet truths in prairie high-rises and New York warehouses, and in freezing Canadian winters and drizzly Oregon days. In "Hazel and Christopher," two childhood friends reconnect as adults after one of them has transitioned. In "Perfect Places," a woman grapples with undesirability as she navigates fetish play with a man. In "Couldn't Hear You Talk Anymore," the narrator reflects on past trauma and what might have been as she recalls tender moments with another trans woman. An ethereal meditation on partnership, sex, addiction, romance, groundedness, and love, the stories in *A Dream of a Woman* buzz with quiet intensity and the intimate complexities of being human.

I Dream of Madonna - Kay Turner 1993

The dreams of fifty women reveal their nocturnal encounters--by turns moving, bizarre, and erotic--with the Material Girl and are accompanied by original collages that help illustrate the dreams.

Hear from our Dreamers... Sommer Daina Butler, 6 years old - "I dream of changing the world." Kanuri Elise Fowler-Yikealo, 7 years old - "You don't have to stay in the dark and hide in the shadows of life. Get out there and be free girl do what you want and be what you want to be." Leila A'Dell Shi'Anna Grayden, 9 years old - "I will never give up and I will always do my best." Olivia Elizabeth Stanley, 9 years old - "I think girls can change the world simply by being their true selves." De'Zyre Williams, 9 years old - "When a girl dreams, she is powerful and fearless." Aaliyah Skye Robertson, 10 years old - "I want to make sure that other black girls behind me know that their dreams and lives matter and to never give up on what is important to their hearts." Milan Richelle Waller, 10 years old - "If we can see the dream in our minds, we possess the power to control the dream and bring it to fruition with our hard work, emotions, and images." Zaydah Lotallah, 11 years old - "You should keep trying too, because the thing about dreams is you never know when they are just about to come true." Janae Kanu, 12 years old - "It starts with me. It starts with you. And in your heart, you know it's true that we can do anything we put our minds to." Marley Randolph, 12 years old - "When I dream, I dream of becoming a lawyer to help the wrongly convicted and traveling, especially to Hawaii." Gabriella Niquashia Skelton, 12 years old - "I dream that serving will make a difference in the world." Joy McKenzie Wright, 12 years old - "I dream of working in Congress one day to defend youth living in the foster care system and all people of color." Alejandra Stack, 15 years old - "Today, my physical magazine copies are in The Bahamas, USA, Canada, Jamaica,

Ireland, England, Australia, Nigeria and more." Makayla Coleman, 16 years old - "Success is positively affecting lives and doing work that hardly feels like a job." Zoe Patsy Gore, 16 years old - "I want people to say about me, 'I admire this woman and here are how her dreams made an impact on the world.' " AnTonia Williams - "She's your next doctor, lawyer, author, scholar. She's the next Maya Angelou or Madame CJ Walker."

Sultana's Dream: A Feminist Utopia - Rokeya Sakhawat Hossain 2013-09-02

Sultanas Dream, first published in 1905 in a Madras English newspaper, is a witty feminist utopiaa tale of reverse purdah that posits a world in which men are confined indoors and women have taken over the public sphere, ending a war nonviolently and restoring health and beauty to the world."The Secluded Ones" is a selection of short sketches, first published in Bengali newspapers, illuminating the cruel and comic realities of life in purdah.

Every Woman's Dream - Mary Monroe 2016-06-01

"An epic novel that spans a generation" from the New York Times bestselling author of the God and Neighbors series (Library Journal). As teenagers, best friends Lola Poole and Joan Proctor concocted a scheme to escape their boredom, pass the time between boyfriends—and bring in some money. It all started when they got in the habit of corresponding with lonely, unsuspecting—and generous—older men. In return for their "love letters," the teens were rewarded with checks. The fun only ended when their swindle nearly got them killed. Now they're grown, but they're still longing for every woman's dream of love and excitement. And thanks to online dating and a parade of lovers, they're getting all the sexy fun they missed out on. It's a downright addictive game. But games can't last forever—and someone has to lose . . .

"Engaging, provocative, disconcerting and shocking, as the author shrewdly characterizes the hazards when adults play dangerous games with strangers."—RT Book Reviews Praise for Mary Monroe "Mary Monroe is an exceptional writer and phenomenal storyteller!"—Kimberla Lawson Roby, New York Times bestselling author of Here and Now "Impossible to put down."—Susan Holloway Scott, national bestselling author of The Secret Wife of Aaron Burr "Engaging, provocative, disconcerting and shocking, as the author shrewdly characterizes the hazards when adults play dangerous games with strangers." —RT Book Reviews

Dream of Fair to Middling Women - Samuel Beckett 2011-10-15

This is Samuel Beckett's first novel and "literary landmark" (St. Petersburg Times)—a savory introduction to the Nobel Prize-winning author. Written in the summer of 1932, when the twenty-six-year-old Beckett was poor and struggling to make ends meet, *Dream of Fair to Middling Women* offers a rare and revealing portrait of the artist as a young man. Later on, Beckett would call the novel "the chest into which I threw all my wild thoughts." When he submitted it to several publishers, all of them found it too literary, too scandalous, or too risky, and it was sadly never published during his lifetime. In this stunning first novel, Belacqua—a young version of Molloy, whose love is divided between two women, Smeraldina-Rima and Alba—"wrestles with his lusts and learning across vocabularies and continents, before a final 'relapse into Dublin'," says the New Yorker. Youthfully exuberant and visibly influenced by Joyce, *Dream of Fair to Middling Women* is a work of extraordinary virtuosity. Beckett delights in the wordplay and sheer joy of language that mark his later work. Above all in this handsomely bound hardcover edition, the story brims with the black humor that, like brief stabs of sunlight, pierces the darkness of his vision.

The Dream Jar - Bonnie Pryor 2014-06-30

Valentina's family has come from Russia with a wonderful dream --- to own a store. Valentina wants to help,

but everyone says she's too little to contribute to the glass jar where the dream money is kept. The family becomes discouraged when little money comes in, but Valentina has discovered how she can help make their dream come true.

Women, Dreaming - Salma 2020-11-23

Salma's novel takes you into a world of women. It is writing that describes the inner universe of women who do not know the outside world. Salma deftly shows [how] these women navigate their sad, emotional landscape, holding time in their hands, gradually stepping outside their sorrows. Everything here is fresh, including their feminine language. Traditionalist mindsets may not be taken in by this novel where stories emerge from under the blanket of tradition, revealing that a break with the old order is inevitable' -Perumal Murugan, Indian author, scholar and literary chronicler who writes in Tamil 'Women, Dreaming is an evocative double bill of fierce feminine lifescapes, with the iconic Salma's searing Tamil narrative rendered in translucent English by the hugely gifted Meena Kandasamy' -Namita Gokhale, writer, publisher and festival director 'Women grapple with life in a universe constructed by men, for men[,] in this moving story set in a tiny village in Tamil Nadu. Despite the claustrophobic trappings of religious patriarchy, they chart their own course and find their own voice. In Salma's splendid telling, even those who appear to remain static resist through words and silence. Meena Kandasamy's effortless translation is imbued with the

fragrance of Tamil' -T.M. Krishna, Carnatic vocalist, writer, activist and author Mehar dreams of freedom and a life with her children. Asiya dreams of her daughter's happiness. Sajida dreams of becoming a doctor. Subaida dreams of the day when her family will become free of woes. Parveen dreams of a little independence, a little space for herself in the world. Mothers, daughters, aunts, sisters, neighbours . . . In a tiny Muslim village in Tamil Nadu, the lives of these women are sustained by the faith they have in themselves, in each other, and the everyday compromises they make. Salma's storytelling-crystalline in its simplicity, patient in its unravelling-enters this interior world of women, held together by love, demarcated by religion, comforted by the courage in dreaming of better futures. Women, Dreaming is a beautiful novel by writer and activist Salma, translated exquisitely from the Tamil by Meena Kandasamy.

Every Woman's Dream - Mary Monroe 2016-12-27

As teenagers, best friends Lola Poole and Joan Procter concocted a scheme to escape their boredom, pass the time between boyfriends - and bring in some money. Now, Joan is unhappily married, while Lola is done with putting her life on hold for her selfish relatives' demands. As girls they were looking for money, but as women they have other needs they want satisfied. And thanks to online dating and a parade of lovers, they're getting all the sexy fun they missed out on. It's a downright addictive game. But games can't last forever - and someone has to lose.
