To Love, Honor, and Vacuum - Sheila Wray Gregoire 2014

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their

focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

## **Sexperiment** - Ed Young 2012-01-10

The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage-with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly-the kids, the career, the house, the errands, etc. SEXPERIMENT shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. SEXPERIMENT will allow couples to discover that the intersection of

God and sex can lead to a life punctuated by exclamation marks!

Dr. Scott Haltzman, Clinical Assistant Professor of Psychiatry and Human Behavior at Brown University, and founder of [www.secretsofmarriedmen.com](http://www.secretsofmarriedmen.com), has devised a proven method for improving relationships, based on a man's special and unique skills, strengths, powers—as a responsible and motivated worker, manager, leader, problem-solver, partner, husband, and father. Men are different, Dr. Haltzman says. They don't approach relationships with the same skills and techniques that women do—and viva la difference. Dr. Haltzman therefore lays out eight ways, tasks, proven techniques which men have revealed in confidential correspondence to his

*The Mister* - E L James 2019-04-16

The #1 New York Times bestseller—a thrilling and seductive Cinderella love story from E L James, author of the phenomenal bestselling *Fifty Shades Trilogy*. Clasp her plait at the base of her neck, I tug lightly, bringing her lips up to mine. "Alessia," I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, *The Mister* combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

**Raising Happiness** - Christine Carter, Ph.D.

2011-03-01

What do we wish most for our children? Next to being healthy, we want them to be happy, of course! Fortunately, a wide array of scientific studies show that happiness is a learned behavior, a muscle we can help our children build and maintain. Drawing on what psychology, sociology, and neuroscience have proven about confidence, gratefulness, and optimism, and using her own chaotic and often hilarious real-world adventures as a mom to demonstrate do's and don'ts in action, Christine Carter, Ph.D, executive director of UC Berkeley's Greater Good Science Center, boils the process down to 10 simple happiness-inducing steps. With great wit, wisdom, and compassion, Carter covers the day-to-day pressure points of parenting—how best to discipline, get kids to school and activities on time, and get dinner on the table—as well as the more elusive issues of helping children build healthy friendships and develop emotional intelligence. In these 10 key steps, she helps you

interact confidently and consistently with your kids to foster the skills, habits, and mindsets that will set the stage for positive emotions now and into their adolescence and beyond. Inside you will discover • the best way avoid raising a brat—changing bad habits into good ones • tips on how to change your kids' attitude into gratitude • the trap of trying to be perfect—and how to stay clear of its pitfalls • the right way to praise kids—and why too much of the wrong kind can be just as bad as not enough • the spirit of kindness—how to raise kind, compassionate, and loving children • strategies for inspiring kids to do boring (but necessary) tasks—and become more self-motivated in the process Complete with a series of “try this” tips, secrets, and strategies, Raising Happiness is a one-of-a-kind resource that will help you instill joy in your kids—and, in the process, become more joyful yourself.

**Real Marriage** - Mark Driscoll 2013-01-07

Most marriage books assume the author did it

right. Most marriage books barely mention friendship. Most marriage books use “intimacy” as code for “sex.” This is not one of those books. In *Real Marriage*, Pastor Mark Driscoll and his wife, Grace, share how they have struggled and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your spouse your best friend - and keep it that way. And they know from experience that sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: Should I confess my pre-marital sexual sin to my spouse? Is it okay to have a “work spouse”? What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, *Real Marriage* is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If

you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this book. And discover how God can use it to change your life. Endorsements: "If you're married or plan to be someday, do yourself a favor and read every page of this book." —DRS. LES & LESLIE PARROTT Founders of RealRelationships.com and authors of Love Talk "Whether engaged, newlywed, or veteran, Real Marriage will serve as an invaluable resource. I highly recommend this book." —ANDY STANLEY author of The Grace of God and Senior Pastor, North Point Community Church "One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not, and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it. That is why I am so thankful that Mark and Grace Driscoll wrote this book. Their approach to

marriage, its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it." — PERRY NOBLE Senior Pastor, NewSpring Church "Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages. Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness. This book is powerful, biblical, practical and healing for marriages that hurt. My wife and our adult children read it to great profit." — DR. JAMES MACDONALD Senior Pastor, Harvest Bible Chapel and Bible teacher for Walk in the Word **The Five Love Languages** - Gary Chapman 2016-06-30
