Rise - Karen Campbell 2015-06-09

Escaping a city and a man that have almost broken her, Justine is running for her life. She heads north, to the mountains and valleys of the Scottish Highlands, where she hopes to hide and survive. Michael and Hannah are running too. Gathering together their two young sons and the tatters of their marriage, they have come to the remote village of Kilmacarra, a place of standing stones and threatened windfarms--a place where they hope to once again make a home. In this ancient landscape, in a country balanced on the brink of change, Justine, Michael, and Hannah are brought together by a shocking accident that entangles them all in threads of guilt and love, duty and forgiveness. As the ground beneath their feet begins to yield up its secrets, and each must question where they truly belong, the darkness that Justine left behind seeks her out with perilous consequences for them all.

Amaranthe I: Rise - G. S. Jennsen 2015-06-29

AMARANTHE I: RISE is packed with over 1,400 pages of Sci-Fi Adventure **Includes Aurora Rising, the 1st trilogy in the Amaranthe universe (Starshine, Vertigo, Transcendence) + 2 shorts + bonus content** When faced with its greatest challenge, will humanity rise to triumph or fall to ruin? Aurora Rising is an epic tale of galaxy-spanning adventure, of the thrill of discovery and the unquenchable desire to reach ever farther into the unknown. It's a tale of humanity at its best and worst, of love and loss, of fear and heroism. It's the story of a woman who sought the stars and found more than anyone imagined possible. * STARSHINE (Book One) SPACE IS VAST AND UNTAMED, AND IT HOLDS MANY SECRETS. Now two individuals from opposite ends of settled space are on a collision course with the darkest of those secrets, even as the world threatens to explode around them. The year is 2322. Humanity has expanded into the stars, inhabiting over 100 worlds. Though thriving as never before, Earth struggles to retain authority over far-flung planets & free-wheeling corporations while an uneasy armistice with a breakaway federation hangs by a thread as the former rebels rise in wealth and power. Alexis Solovy is Earth Alliance royalty, her father a fallen war hero & her mother an influential military leader. But she seeks only the freedom of space & has made a fortune by reading the patterns in the chaos to discover the hidden wonders of the stars. Nothing about her latest objective suggests the secret it conceals will turn her life-not to mention the entire galaxy-upside down. But a chance encounter with a mysterious spy leads to a discovery which will thrust Alex into the middle of a galactic power struggle & a sinister conspiracy, whether she likes it or not.

Rise to the Sun - Leah Johnson 2021-07-06

From the author of *You Should See Me in a Crown*, Leah Johnson

delivers a stunning novel about being brave enough to be true to yourself, and learning to find joy even when times are unimaginably dark. Olivia is an expert at falling in love . . . and at being dumped. But after the fallout from her last breakup has left her an outcast at school and at home, she's determined to turn over a new leaf. A crush-free weekend at Farmland Music and Arts Festival with her best friend is just what she needs to get her mind off the senior year that awaits her. Toni is one week away from starting college, and it's the last place she wants to be. Unsure about who she wants to become and still reeling in the wake of the loss of her musician-turned-roadie father, she's heading back to the music festival that changed his life in hopes that following in his footsteps will help her find her own way forward. When the two arrive at Farmland, the last thing they expect is to realize that they'll need to join forces in order to get what they're searching for out of the weekend. As they work together, the festival becomes so much more complicated than they bargained for. Olivia and Toni will find that they need each other, and music, more than they ever could have imagined. Packed with irresistible romance and irrepressible heart, bestselling author Leah Johnson delivers a stunning and cinematic story about grief, love, and the remarkable power of music to heal and connect us all.

All Things Rise - Missouri Vaun 2015-05-18

Cole rescues Ava, a pilot from the Cloud City of Easton who crash-lands near her farm, setting in motion events that will alter the course of her life. It's a hundred years after peak oil and the rich have risen above the Earth, inhabiting great Cloud Cities, while those left behind live a rural existence, off the grid. After suffering a vicious attack, Cole is transported to the Cloud City of Easton for emergency surgery. While recuperating and adrift in the unfamiliar social landscape of Easton, Cole begins a journey of discovery. When she meets Audrey, a beautiful doctor, the attraction they share is penetrating and possibly life altering. Explosions, staged by a ruthless underground movement, nearly bring Easton to the brink of collapse. The crisis that rocks the city forces Cole and Audrey to weigh what truly holds meaning and what each is willing to sacrifice for love.

Rise - Sian Williams 2016-06-02

'A week after my 50th birthday and just as our family was about to move home, something happened that changed the way I looked at life. I spoke to others about how they rebuilt their shattered worlds after very different personal traumas, emerging stronger than before. I hope our experiences, together with the latest science on resilience, will help guide all those going through tough times. This book says that it's possible not just to survive them, but to thrive. To rise.' Renowned as a much-loved and highly respected journalist and broadcaster with thirty years' experience, Sian Williams has studied the impact of acute stress for many years and is also a trained trauma assessor. In RISE, she

explores the science of resilience and growth after trauma, offers advice from the experts, and learns from those who have emerged from horrific experiences, feeling changed yet stronger, with a new perspective on their life, their relationships and their work. She also documents her own path through breast cancer, with candid and unflinching honesty. Her story provides a narrative thread through a book designed to help others deal with all manner of adversity, including physical or mental ill health; loss of a loved one; abuse and post-traumatic stress. RISE is a deeply researched exploration of trauma, grief and illness, and most importantly resilience in the darkest of days. It is an inspiring and powerful piece of work, full of honesty, warmth and wisdom.

Rise of the Blood - Lucienne Diver 2018-01-08

Just great. Tori Karacis finds her face on the front of yet another tabloid

"news"paper, linked to Hollywood hottie Apollo Demas. It was only one dinner, and she was already pissed off at him at the time. But tabloids are the least of her worries. Just before leaving for her cousin's destination wedding in Delphi, Tori learns that her arch nemeses, Zeus and Poseidon, have escaped police custody. And when angry gods escape... Even though she was looking forward to seeing Detective Nick Armani in a tux, Tori's bad pre-flight jitters are confirmed when Apollo, with his sexy new co-star on his arm, boards the same plane...a plane that is nearly torn out of the sky by a freak storm. What awaits them atop Mount Parnassus is even more deadly. A prophecy, a kidnapping, and a bloodletting that stirs up the mother of all trouble—literally. The Titan Rhea is awakened, and she's none too happy with her offspring for losing their usurped dominion over the Earth. The Olympians have fallen. It's time for the Titans to rise again. Which means it'll be a bad day for anyone standing in their way.
